THE SUMMER MONTHS ARE HERE and the warm weather can take a toll on our bodies. Everyone is at risk for heat related illnesses. Tips to beat the heat and stay safe during the summer months include:

- ✗ Wear lightweight, light-colored clothing, sunglasses, and a hat
- ✗ Drink water to hydrate the body
- ✗ Eat small meals and eat more often
- ✗ Slow down. Avoid strenuous activity
- ✗ Stay in air conditioning when possible

For more information on heat safety, contact the Livingston County Department of Health at (585) 243-7299.

FYI: The *67th Annual York-Leicester Field Day & Fireworks* on July 5, 2020 has been **CANCELLED** due to concerns about the coronavirus. The York-Leicester Field Day Assoc. reached this decision and felt that the safety of the area visitors and residents should be our primary concern. The event will be held next July, in 2021.

FYI: All 2020 Special Events, Tours of the Dam, and other Visitor Services at Mount Morris Dam and Recreation Area are **CANCELLED UNTIL FURTHER NOTICE**. In an effort to reduce the risk of COVID-19 (novel coronavirus) infection and spread, and in concurrence with recommendations from the Centers for Disease Control and Prevention, the United States Army Corps of Engineers at Mount Morris Dam and Recreation Area has closed playgrounds and picnic areas at the Mount Morris Dam and Recreation Area until further notice. The William B. Hoyt II Visitor Center will remain closed, and all public programs, including special events and tours of the dam are cancelled until further notice. The Finger Lakes Trail remains open from other access points along the trail. We appreciate your support and patience as we navigate this public crisis together.

This page is donated as a public service by the Mount Morris Shopper for use by various organizations and groups to announce at no charge, non-profit coming events in the Mount Morris area.

SPEAK OUT

Dear "Speak Out,"

Many Americans are looking forward to a second stimulus check from the federal government in the next few months.

Looking at the internet will show you how many Americans are spending their current stimulus checks. Items such as wide screen televisions, electronics, expensive clothing, trips, home improvements and other items are just some of the expenditures.

There was a little boy in an area store the other day crying because his mother wouldn't buy him a new cell phone because his friends have a newer version than his six month old phone.

Americans and companies should not look to the government to bail them out of their financial difficulties. Our government is a direct reflection of our values as citizens. We elect officials who have the same values on spending and finances as we possess.

Sending checks to individuals earning up to \$75,000 and to couples earning up to \$ 150,000 each year is ridiculous.

If the poor would remain in school and obtain their high school diplomas and live in marriage, they would be eligible for higher paying jobs and a better standard of living instead of welfare.

When I was a boy, Americans saved money for rainy days. Today, we spend our paychecks even before we receive them. Most Americans today live payday to payday with their finances. We need to begin living withing our means and stop trying to compete with the Joneses as the old saying goes.

Adding trillions of dollars to our national debt is not going to solve our economic problems. It will only make things worse. Any American using common sense knows that getting farther into debt is not a good way to protect their financial security and future. Debt is just bondage to another person or company.

However, our mentality is that we want it now and not have to worry about how our decisions affect our future.

There is a bumper sticker that reads "I am spending my children's inheritance". Not only is this mentality going to prevent us from leaving an inheritance to our children, but adding more and more to our national debt is going to burden our children with a debt which they will never be able to repay.

People are looking forward to our payroll taxes being reduced. Reducing taxes will necessitate additional borrowing. We need to reduce spending and pay off the national debt. Only then can we hope to reduce taxes and regain the America we once knew.

Our federal government's responsibility in the United States Constitution is to protect us with the military and not provide programs such as Welfare, Social Security, Medicare, Medicaid and other programs which make us dependent on the government instead of being independent citizens.

If you wish to see a very startling website, go to <https://usdebtclock.org> to see our national digital debt clock. At the time I was writing this article, our national debt was twenty five trillion, four hundred and eighty five billion, two hundred and thirty two million and counting. It takes about twenty two seconds to add a million dollars to the national debt clock.

Each American man, woman and child, owed seventy seven thousand three hundred and one dollars at the time of the writing of this article. It has increased dramatically since then. Deuteronomy 28:12-13 reads "You will lend to many nations but will borrow from none. The Lord will make you the head, and not the tail." Today we are the tail as we owe trillions of dollars in our national debt which we will never be able to repay.

I look forward to anyone's comments on my article.

COVID-19 Has Not Changed Everything

So many things have changed over the past few months. Since the coronavirus showed up in the US and NY, jobs have been furloughed or totally disappeared, income has gone down for many, the medical system is struggling, schools are closed, the ability to get together with family and friends has been interrupted, freedoms have been locked-down, and life in general is just not the same.

But there is one thing that has not changed. Our God has not changed, not one bit. Mal 3:6 says "I am the Lord, I do not change." And Jam 1:17 tells us that in Him "there is no variation or shadow of turning."

At Healing Rooms on the Genesee, we endeavor to do His will by praying for the sick. Give us a call if you want prayer or need to talk. He cares and we care.

This year we were able to develop a budget that features a tax levy cut while maintaining our essential student programs.

We have so much to be proud of and our achievements have been recognized throughout the region and at the national level. This year's honors include:

- **Rochester's Top Workplaces: Democrat & Chronicle**

- We were one of only two Livingston County employers to receive this honor.

- **School of Excellence: National PTA**

- We were one of only fifteen schools in New York State to receive this special designation.

- **Support Music Merit Award: The NAMM Foundation**

- This national award is presented to schools who demonstrate an outstanding commitment to music education. This award recognizes individual schools that demonstrate outstanding achievement in efforts to provide music access and education to all students. Only 148 schools nationwide received this special distinction.

This upcoming year will be unique and it will contain some once in a lifetime challenges; however, we are prepared to overcome any obstacle as we are committed to preserving the successes we have achieved and maintaining the momentum we have as we move forward.

You can view our annual budget presentation on our website

Questions and Answers

Q: What will the residents be voting on?

Proposition 1 – authorization of the budget

Proposition 2 – the Mount Morris Public Library
Election of 2 School Board Trustees

Q: What is the overall budget for 2020-2021 proposed in Proposition 1?

Proposition 1 asks residents to approve the district's budget of \$15,463,449. This is a budget increase of \$206,033 or 1.35% compared to the 2019-2020 budget and it contains a decrease of -0.36% in the tax levy.

Q: How does this budget compare to prior budgets?

The proposed 2020-2021 budget once again continues the trend of the last three years of NOT increasing taxes. In fact, after projecting all state and federal sources of revenue, the budget is supported by a tax levy decrease.

Q: What is this year's tax cap?

The tax cap legislation that passed a few years ago limits the local levy increase by a local tax growth factor and the lower of CPI or 2%. The maximum allowable levy for us is actually a decrease of -0.3% for the 2020-2021 school year. The proposed levy for the 2020-2021 school year is under the cap.

Q: How are taxes going down if the budget is increasing?

The tax levy is made up of support for general operations/ programs and debt service related to approved capital projects. The total debt service budget is increasing by \$208,191; this accounts for the entire increase in the budget of \$206,033 from 19-20 to 20-21. The remaining budgetary components (administrative, program, operations & maintenance, and all related benefits) are staying relatively flat.

Furthermore, the district has been very strategic with its debt to finance past and current projects. Building Aid related to all completed projects will be increasing by about \$240,000 which is more than enough to cover the increase in debt service.

Q: What State Aid impact is the district facing?

Governor Cuomo has warned of additional "significant cuts" if the pandemic continues to affect revenues and the federal government does not come through with more aid to States. Therefore, our budget reflects further reductions in State Aid by appropriating more fund balance and reserves to prepare for such a scenario. In light of this, the District is committed to continue maximizing the use of its federal grants, finding other sources of revenue, and controlling expenditures to minimize the impact of supporting the budget with fund balance and reserves.

Q. What is a Capital Outlay Project?

The Capital Outlay Program is an expense driven aid that allows the district to make necessary facility improvements one year and receive the full state aid on the work the following year. In other words, once you are into the cycle of completing an annual Capital Outlay Project, the aid from the prior year project significantly covers the cost of the project in the current year. The 2020-2021 general fund budget includes \$100,000 as a transfer to the capital fund for a project to continue to address some or all of the following: building security enhancements, replacement of control systems in various areas throughout the building, HVAC and mechanical improvements, and window replacements. The project and work will be completed upon submission of the scope to the State Education Department (SED) and receipt of the commissioner's approval. However, the project is 98% funded by aid generated from the 2019-2020 year. The net result is a cost to the community of \$2.00 for every \$100 worth of work.

Q. When is the annual budget hearing & vote?

The hearing is the presentation of the budget and will be held on Wednesday, May 27, 2019, at 6 p.m. Due to COVID-19 and the implementation of social distancing, the presentation will be held virtually. Information on how to view the hearing will be available on the district website. The vote is Tuesday, June 9, 2020, and will be done by absentee ballot only. Ballots must be received by 5:00pm on that date in order to be counted.

Q. What is a contingent (austerity) budget?

A contingent budget includes only expenses necessary to provide the minimum services legally required to operate and maintain school buildings and educational programs, preserve the property of the school district and ensure the health and safety of the students and staff. A contingent budget requires that there be no increase in the tax levy over the previous year.

Q. Why is there a separate proposition for the public library?

New York State Education Law requires a separate proposition for the public library. The school district is obligated by law to levy taxes for voter approved library funding on the school tax bill. The school district collects the money and turns it over to the library. Our library, located on Main Street, is seeking approval of a library tax levy of \$103,950.

Q. How can I vote on the budget?

Absentee ballots have been mailed. If you did not receive one please call 658-5010. All absentee ballots must be received by 5:00 pm on June 9th to be counted. You can mail it in, or you can drop it off from 8:00 am-5:00 pm on June 9th at the door of the bug gymnasium off of the parking circle.

Thomas J. Mincey, age 57 of Perry, passed away on Sunday, May 24, 2020 at his home in Perry.

He was born on October 7, 1962 in Ocala, Florida, a son to the late Ronald and Marion (Cottone) Mincey.

Tom worked for District Council #4 in Buffalo as a bridge painter.

He was a member of Saint Patrick's Catholic Church in Mount Morris and the Oatka Valley Snowmobile Club. He enjoyed snowmobiling, four-wheeling, camping, traveling and especially enjoyed spending time with his grandchildren.

He is survived by his fiancée Sheila Aberth of Perry, 2 sons: Philip (Janessa) Mincey of Crosby, Texas; Samuel (Tabitha Ryan) Mincey of Waterport, NY; Sheila's children: Steven (Becky Chrissy) Cartwright of Fillmore; Shawna Swain of Perry; Sister Mary Jo Mincey of California; Brother Billy Mincey of Mount Morris; 10 grandchildren: Mary Jane, Demetri, Devin, Piper Jane, Dameon, Caleb, Coltn and Cole, Alyssa and Sarah; Great grandson Luca along with many nieces, nephews, cousins including the Hutchkos and friends.

Along with his parents, he is preceded in death by his sister Rhonda Mincey who passed away in 2018.

Services will be held at a later date. He will be laid to rest in Saint Patrick's Cemetery in Mount Morris, New York.

For more information please call (585) 237-2626 or to leave a message of condolence visit www.eatonwatsonfuneralhome.com.

State Launches Contact Tracing Program

New York State recently created the NYS Contact Tracing Program, an initiative to help slow the spread of COVID-19.

If you test positive for COVID-19, a contact tracer will reach out and connect you with the support and resources you may need to quarantine. The contact tracer also works with you to identify anyone you have been in contact with over the past 14 days to trace the spread of the virus.

These individuals will then hear from a contact tracer via phone and text. If they are determined to be close contacts, then they are asked to stay home to help stop the spread of COVID-19. Quarantine support and resources are arranged for these individuals, if necessary.

Any information you share with the NYS Contact Tracing Program is strictly confidential and treated as a private medical record. A contact tracer will never ask you for Social Security Numbers, bank or credit card numbers, or any other financial information.

If a contact tracer is calling you, the caller ID will most likely say "NYS Contact Tracing" (518-387-9993).

The Governor's office is strongly encouraging you to answer these phone calls in order to help protect your loved ones and community.

Positively Keshequa

KPTSA Window Decorating Contest

Social connection is a primal human need. It improves intelligence, productivity, physical health, and happiness. Times like these remind us of the importance of serving others before ourselves. There's satisfaction and joy in serving a cause greater than self.

Keshequa PTSA (Parent Teacher Student Association) recently held a Door/Window Decorating Contest for Keshequa Seniors from April 17-May 3, 2020. We asked our Seniors to decorate their doors/windows with their jerseys, Keshequa gear, any extracurriculars, hobbies, etc., then send pictures to the PTSA Facebook page. The results were incredible!

https://www.facebook.com/pg/Keshequa-Central-School-PTSA-2094474044198934/posts/?ref=page_internal

The Keshequa PTSA was able to award Visa gift cards for 1st (\$50), 2nd (\$30), and 3rd (\$20) place in categories of Most Likes, and PTSA Members voted on a winner for Most Creative who won a free family PTSA Membership.

The idea for the Senior Door/Window Decorating Contest started with the Keshequa PTSA discussing ways to help students and the community while being isolated due to Covid-19.

As the weeks of isolation continued, we wanted to do something to provide entertainment and encourage community connection and camaraderie. What began with the idea of sponsoring a door/window decorating contest for Keshequa students soon morphed into honoring the Seniors specifically as an opportunity to recognize their achievements.

We realized that the Seniors were missing out on some of the rites of passage that come with graduating high school. At the same time, we wanted to encourage the Seniors, and have community members look for the doors and windows while driving around the district.

With so much creativity in these projects, it was great to see the tremendous community support! Keshequa PTSA and the community are proud of the hard work the Seniors of the Class of 2020 have put into their high school careers and wish them success in their future plans.

A similar contest has begun for grades Pre-K through 11. Details can be found on the Keshequa Central School PTSA Facebook page.
