Tullahoma Chiropractic and Medical Center is hosting a **FREE** Advanced Regenerative Medicine Lecture. Grab a seat and a free lunch and learn how this remarkable treatment can help you get back on track.

Regenerative Medicine - I had tennis elbow and had cortisone injections to help the pain - wrong - it burned half the elbow tissue and I went to the orthopedic surgeons and was told that it was inoperable and was prescribed an anti inflammatory - I thought all hope was lost - been over a month since I had the stem cell injection and Cold K laser therapy and my elbow is like new no pain and I can actually lift things with my arm now - so happy would do it again if something else breaks down! The best!
