AS A NUNDA TAXPAYER, many thanks and appreciation to Rick Moran and the professional highway technicians on the completion of the Fox Hill Road Project. Fantastic job!!

HOLY SPIRIT, you who solve all my problems, who light all roads so that I can obtain my goals, you who give one the divine gift to forgive & forget all evils against me and in all instances of my life you are with me. I want, in this short prayer, to thank you for all things and to confirm once again that I never want to be separated from you even in and in spite of all material illusions. I wish to be with you in eternal glory. Thank you for your mercy toward me & mine. Amen. Say this prayer for 3 days. After 3 days, the favor requested will be granted even if it seems difficult. This prayer should be published immediately after the favor is granted. Only initials should appear at the bottom. Thank you, Holy Spirit. Thank you, St. Rita of Cascia, St. Anne, St. Therese & St. Thanks for favor received. A. L.

Restaurants Allowed to Reopen for Outdoor Dining on June 4

According to a June 3, 2020 press statement from Governor Cuomo, "Restaurants in the seven regions that have already entered phase two - the Capital Region, Central New York, the Finger Lakes, the Mohawk Valley, the North Country, the Southern Tier and Western New York - can reopen for outdoor dining beginning tomorrow, June 4th. Outdoor tables must be spaced six feet apart, all staff must wear face coverings and customers must also wear face coverings when not seated."

Restaurants and dining establishments should check with their local ordinances to see what is permissible in their communities. They can click here to read and affirm the state's "Guidance for Outdoor and Take-Out/Delivery Food Services."

SPEAK OUT!!!

The Mount Morris Shopper feels that everyone has a right to be heard (or read, in this case) so we are offering this page each week (space permitting) for our readers to share their ideas, views, feelings or whatever. Realizing that everyone cannot AFFORD to pay for this privilege, the Mount Morris Shopper is offering this page as a FREE Public Service for articles or letters sent in for publication. All letters submitted must be signed with the name, address and phone number of the author. Please make letters as brief as possible.

Dear "Speakout,"

Independence Day aka Fourth of July 2020 is fast approaching. This special day comes and goes so fast in our busy lives as we take our freedoms for granted and view it as a day off from work during which we enjoy picnics and camping - which are not bad. However, we need to reflect on the birth of our country because we would not be living in the "Land of The Free" today if it were not for the things that occurred on this special day.

The first thing we should ask ourselves is why did we decide to separate from England and begin a brand new country. So many of our modern public school textbooks have been edited and revised with the hope of eliminating much of our true history. It is my hope to explain what really happened back then.

The pilgrims who came to America on the Mayflower in 1620 were seeking religious freedom and a right to express themselves freely, separate from a king's rule, as we do today.

Think of how it was for the Pilgrims to be told by the king when, where and how to attend church, worship their God, bear arms, have freedom of speech and press and operate as free citizens.

Many years later, the British Parliament enacted the Stamp Act in 1765 to gain revenue from the American colonies by exacting a stamp duty on newspapers and legal commercial documents. Our forefathers objected and the act was repealed in 1766. One result of the Stamp Act was to bring us closer to the Revolution.

In late 1774, Colonial leaders adopted the Suffolk Resolves in resistance to the alterations made to the Massachusetts colonial government by the British parliament following the Boston Tea Party. The colonial assembly responded by forming a Patriot provisional government known as the Massachusetts Provincial Congress and calling for local militias to train for possible hostilities. The Colonial government exercised effective control of the colony outside of British-controlled Boston. In response, the British government, in February 1775, declared Massachusetts to be in a state of rebellion.

A few years later on April 19, 1775, the British under the leadership of Lieutenant Colonel Francis Smith and 700 British regulars were given secret orders to capture and destroy Colonial military supplies reportedly stored by the Massachusetts militia at Concord. Through effective intelligence gathering, Patriot leaders had received word weeks before the expedition that their supplies might be at risk and had moved most of them to other locations. On the night before the battle, warning of the British expedition had been rapidly sent from Boston to militias in the area by several riders, including Paul Revere and Samuel Prescott, with information about British plans. The initial mode of the Army's arrival by water was signaled from the Old North Church in Boston to Charlestown using lanterns to communicate "one if by land, two if by sea". The leader of the militiamen in Lexington was Captain John Parker.

The two elements met at Lexington just as the sun was rising on April 19th and the American Revolutionary War began. Eight militiamen were killed and the British suffered one casualty.

Think of how your lives would be today if you didn't have the right to vote, worship as you please, have your opinions expressed in your government, and have many of the freedoms we today take so often for granted. Maybe then we will learn to appreciate what our founding fathers did for us and appreciate to a greater extent Independence Day this year.

I hope to submit another article on Independence Day soon.

Ronald Powell
Nunda

Dear "Speak Out,"

Greetings friends, neighbors, acquaintances and all registered voters in the Keshequa Central School District.

I hope all is well with you and yours in spite of existing issues.

I would like to remind everyone to exercise their right to vote! Make your voices heard!!!

On that note, one issue needs to be addressed before 5:00 pm June 09, 2020.

This issue is the Keshequa Central School budget vote. This year, your vote will be cast by absentee ballot. You will receive one in the mail. Do not throw it away!! Please fill it out and return it by mail or place it in the drop box at the school.

It is important you take this seriously and treat it as you would if voting in person.

I am not and will not ask you to vote one way or the other.

JUST VOTE!!! Our students deserve it

Thank you for taking the time to read this.

If you have not received one, please contact the school at 468-2900. Thank you.

COVID-19 Has Not Changed Everything

So many things have changed over the past few months. Since the coronavirus showed up in the US and NY, jobs have been furloughed or totally disappeared, income has gone down for many, the medical system is struggling, schools are closed, the ability to get together with family and friends has been interrupted, freedoms have been locked-down, and life in general is just not the same.

But there is one thing that has not changed. Our God has not changed, not one bit. Mal 3:6 says "I am the Lord, I do not change." And Jam 1:17 tells us that in Him "there is no variation or shadow of turning."

At Healing Rooms on the Genesee, we endeavor to do His will by praying for the sick. Give us a call if you want prayer or need to talk. He cares and we care.

Did you know that Lyme Disease is spread by the bite of an infected tick? Cases peak in summer months, especially during June and July. Typical symptoms include fever, headache, fatigue, and a characteristic skin rash called erythema migrans. If left untreated, infection can spread to joints, the heart, and the nervous system. To help protect yourself, your pets, and your children from Lyme disease please make sure your lawn is well maintained and if planning to be in tall grass, or in moist or wooded areas, wear protective clothing like long sleeves and pants. Be sure to tuck your shirt into your pants and your pants into your socks, and wear insect repellent containing DEET. For questions or concerns contact the Livingston County Department of Health at 243-7299.

Livingston County Earns National Achievement Awards for Transportation and Human Services Programs

WASHINGTON – Livingston County has been recognized with two Achievement Awards from the National Association of Counties (NACo). These awards honor innovative, effective county government programs that strengthen services for residents.

The two Livingston County programs recognized by NACo are:

- Ride LivINgston, a trip planning website (<http://www.ridelivingston.com/>) that uses “one-click” technology to identify trip options – from public transportation to paratransit to taxi services – and facilitate access to transportation services for all Livingston County residents, with specific emphasis on older adults, people with disabilities and individuals with lower incomes in need of specialized transportation services.
- Pathway Into Trades (PIT) Crew, a program to reduce poverty by providing recipients of public assistance with in-demand job skills through the completion of public works projects.

Livingston County Administrator Ian M. Coyle stated, “Many kudos to the Livingston County Departments of Planning, Workforce Development, Social Services and Central Services for collaborating on these unique and innovative programs that benefit so many of our county residents.”

NACo President Mary Ann Borgeson said, “We are seeing firsthand now more than ever that counties work tirelessly to support our residents. This year’s Achievement Award-winning programs showcase how counties build healthy, safe and vibrant communities across America.”

Nationally, awards are given in 18 different categories that reflect the vast, comprehensive services counties provide. The categories include children and youth, criminal justice and public safety, county administration, information technology, health, civic engagement and many more.

Started in 1970, NACo’s annual Achievement Awards program is designed to recognize county government innovations. Each nominee is judged on its own merits and not against other applications received.

The National Association of Counties (NACo) unites America’s 3,069 county governments. Founded in 1935, NACo brings county officials together to advocate with a collective voice on national policy, exchange ideas and build new leadership skills, pursue transformational county solutions, enrich the public’s understanding of county government and exercise exemplary leadership in public service. PRAYER TO THE BLESSED VIRGIN MARY: (Never known to fail.) Oh most beautiful flower of Mt. Carmel, fruitful vine, splendor of heaven, Blessed Mother of the Son of God. Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power, Oh Mary, conceived without sin. Pray for us who have recourse to thee (3 times). Holy Mother, I place this prayer into your hands (3 times). Say this prayer for 3 days & then you must publish it & it will be granted to you. With eternal gratitude and thanksgiving for answering my prayers. A. L.

**Electronic Health Records Management
Online Certificate Program**

This program prepares students to understand and use electronic records in a medical practice. The course reviews the implementation and management of electronic health information using common electronic data interchange systems and maintaining the medical, legal, accreditation and regulatory requirements of the electronic health record.

This course covers the following key areas and topics:

- Importance of the medical record as a legal document
- The effect of confidential communication laws on the release of medical information and HIPAA
- Provides a "real life" EH R experience using Medcin software to perform health information tasks
- Skills required to use EH R to manage patient visit information including the examination, assessment notes and treatment plans.
- Importance of data accuracy, consistency, completeness, and security of information
- Basic code set principles and their applications with an emphasis on the ambulatory/outpatient setting and an introduction to inpatient medical records.

Education and Certification:

- Electronic health records management professionals should have or be pursuing a high school diploma or GED.
- Students who complete this course would be prepared to sit for the National Healthcareer Association (NHA) Certified Electronic Health Record Specialist (CEHRS) exam.

Course Information: Student Tuition: \$1,299 (textbooks included) This is an **ONLINE** course, students may register at any time by emailing Tina Marsceill at smarsceill@genesee.edu.

Rural Police Training Academy

The Rural Police Training Academy (RPTA) provides training for sworn police officer recruits as well as persons seeking law enforcement employment (pre-employment recruits). Recruits can earn 16-22 GCC academic credits through successful completion of the Academy. Training starts this summer and ends with graduation the following Spring. Classes are held on Tuesday and Thursday evenings and daytime on Saturdays, with a number of Wednesdays also being utilized.

GCC Batavia Campus

Tuition: \$4,350

There are two class sessions available:

July 28, 2020-June 5, 2021

April 13, 2021-March 5, 2022

For more information about upcoming Rural Police Training Academy classes please join Director Doug Brooks for an online information session Tuesday June, 22 at 7 p.m. Please email rpolicy@genesee.edu to register.

State Launches Contact Tracing Program

New York State recently created the NYS Contact Tracing Program, an initiative to help slow the spread of COVID-19.

If you test positive for COVID-19, a contact tracer will reach out and connect you with the support and resources you may need to quarantine. The contact tracer also works with you to identify anyone you have been in contact with over the past 14 days to trace the spread of the virus.

These individuals will then hear from a contact tracer via phone and text. If they are determined to be close contacts, then they are asked to stay home to help stop the spread of COVID-19. Quarantine support and resources are arranged for these individuals, if necessary.

Any information you share with the NYS Contact Tracing Program is strictly confidential and treated as a private medical record. A contact tracer will never ask you for Social Security Numbers, bank or credit card numbers, or any other financial information.

If a contact tracer is calling you, the caller ID will most likely say "NYS Contact Tracing" (518-387-9993).

The Governor's office is strongly encouraging you to answer these phone calls in order to help protect your loved ones and community.

For more information on the NYS Contact Tracing Program, please visit: [https:// coronavirus.health.ny.gov/new-york-state-contact-tracing](https://coronavirus.health.ny.gov/new-york-state-contact-tracing)

New York Forward Loan Fund Accepting Pre-Applications

The NY Forward Loan Fund (NYFLF), recently announced by Governor Andrew M. Cuomo, is now accepting pre-applications. The \$100 million fund is a new economic recovery loan program aimed at supporting New York State small businesses, nonprofits and small landlords as they reopen after the COVID-19 outbreak and NYS on PAUSE.

The NYFLF targets the state's small businesses with 20 or fewer full-time equivalent (FTE) employees (90% of all businesses), nonprofits and small landlords that have seen a loss of rental income. The NYFLF is specifically timed to support businesses and organizations as they proceed to reopen and have upfront expenses to comply with guidelines (e.g., inventory, marketing, refitting for new social distancing guidelines) under the New York Forward Plan.

Priority will be given to industries that have been reopened. Applications will be reviewed on a rolling basis as regions and industries reopen, and seek to target:

- Small businesses and nonprofits employing 20 or fewer full-time equivalent (FTE) employees;
- Small businesses that have gross revenues of less than \$3 million per year;
- Nonprofits that provide direct services and have an annual operating budget of less than \$3 million per year; and
- Businesses that have not received a loan from either SBA Paycheck Protection Program (PPP) or SBA Economic Injury Disaster Loan (EIDL) for COVID-19 in 2020.

The program is not a first-come, first-served loan program. Program information can be found on ESD's website ([https:// esd.ny.gov/nyforwardloans-info](https://esd.ny.gov/nyforwardloans-info)), as well as on the pre-application page (<https://nyloanfund.com>). All applications will be accepted online.

Protect Yourself and Your Pets from Rabies

Rabies is a viral disease present in saliva and nervous tissue of an infected animal that attacks the central nervous system of humans, which includes the brain and spinal cord. Rabies is transmitted from infected animals to humans; all mammals can get rabies. People can contract rabies by coming in contact with a rabid animal through a bite. Exposure may also occur if saliva from a rabid animal enters an open cut or mucous membrane, which includes your eyes, nose or mouth. It is almost always fatal once symptoms appear.

Livingston County has had confirmed rabies in raccoons, bats, cats, foxes, skunks, woodchucks and even cows in the past. With warm weather approaching, the potential for contact with wildlife increases. The Livingston County Department of Health urges residents to be aware of the danger of rabies and follow these guidelines to protect themselves against rabies:

- If you are bitten by an animal, immediately wash the wound with soap and water, seek medical attention and report the incident to the Livingston County Department of Health.
- Avoid contact with any wild animal. Be suspicious of wild animals that are unusually tame or aggressive, especially those that attack your pets. Do not attract raccoons, stray dogs, stray cats or other wild animals to your yard by feeding them.
- Avoid contact with any stray animals. Call the Livingston County Health Department regarding any contact with an animal that may be rabid.
- Teach children not to touch any animal they do not know and to tell an adult immediately if they are bitten by an animal.
- By law, all dogs, cats and ferrets must be vaccinated against rabies. Make sure horses and valuable livestock are also up-to-date on rabies vaccinations.
- Keep family pets indoors at night. Don't leave them outside unattended or let them roam free.
- Wear gloves when handling pets after any involvement with suspected rabid wild animals. Pet owners should keep a pair of thick gloves handy for just such situations. Bathe pets after wildlife encounters using rubber gloves.
- If a bat is found in your home or cabin, do not let it go. Isolate it in a single room and contact the Livingston County Department of Health to discuss the potential for exposure. In some cases the bat can be tested for rabies. Immediately report any possible contact with bats, especially contact with sleeping persons, unattended children, or individuals with impairments.

For more information about rabies or our upcoming rabies clinics, please contact the Livingston County Department of Health at 243-7280 or visit our website at www.livingstoncounty.us/doh.htm.

COVID-19 Testing Available Seven Days a Week at Noyes Memorial Hospital in Dansville Beginning June 8

The Livingston County Department of Health (LCDOH), in partnership with Noyes Health, would like to inform residents that beginning Monday, June 8, COVID-19 testing will be available seven days a week at Noyes Memorial Hospital in Dansville. Hours at this site will expand to meet community needs.

Scheduled COVID-19 testing will no longer be available at Noyes Health Services in Geneseo.

As before, patients will remain in their vehicles while getting tested to help prevent the spread of COVID-19.

The diagnostic testing will determine whether an individual is currently infected with COVID-19. This testing does not include antibody testing.

If you have COVID-19 symptoms – fever, cough, or trouble breathing – call your primary care physician. **If you do not have a healthcare provider, please call LCDOH at 585-243-7270 to see if you meet the COVID-19 testing criteria**

Your provider will order the test by faxing a requisition to (585) 335-4282. You will then call Noyes Memorial Hospital at 585-335-6001 to set up an appointment for curbside testing at Noyes Memorial Hospital, 111 Clara Barton Street. Noyes will contact you shortly before your appointment to complete registration.

For more information on or assistance with the coordination of curbside testing, please call LCDOH at 585-243-7270.

Livingston County Plans for Sales Tax and State Aid Losses Position Freezing, Furloughs and Cost Cuts Round out Response Measures

In response to both realized and expected losses of revenues from major impact areas like sales tax and state aid, Livingston County government has tightened its belt.

As COVID-19-related business impacts abound, the County is on pace to experience a significant loss in sales tax revenues. "Our largest revenue center is sales tax. Reports indicate we will be far off from our budget projections given the economic calamity statewide," stated County Administrator Ian M. Coyle. Losses of 10-25% are expected with corresponding dollar totals in the \$3.5 - \$8 MM range.

Additionally, Governor Andrew Cuomo is signaling his intent to cut State Aid, another major revenue center for the County, by up to 20%. "This number, if fully materialized, is around \$4-5 MM," stated Coyle.

The County, with excellent bond ratings and a healthy fund balance, is in a better position than many to withstand the pressures but difficult decisions have been made, with many more, draconian-level cuts pending State Aid discussions.

"We have furloughed employees and processed around \$2MM in budget cuts to the 2020 adopted budget. These efforts, coupled with some surpluses in departments and one-time revenue uses will allow us some breathing room in the months ahead as we look to start work on the 2021 budget," commented Coyle. "We are prepared for some of this in that we have reserves, we have a contingency account and we have healthy fund balances. All the years of effort of this Board and these Department Heads to buy into a system of planning ahead and fiscal prudence are on full display right now as we weather this fiscal crisis."

The fiscal crisis, coupled with unemployment rates not seen since the Great Depression, will make the 2021 budget process the most difficult one on record for the County.

"Absent Federal support and/or the holding off of projected State Aid cuts, I see a large budget gap and I do not see a scenario where all county programs and services can be maintained. We cannot tax our way out of a hole that big," said Coyle.

HELP WANTED

Mature, dependable, well organized individual to perform duties of OFFICE MANAGER for dynamic, growing business in Perry, NY.

Qualified individual must be familiar with the following:

- Billing
- Ordering
- Payroll
- Sales (with 5% commission)
- Accounts Payable and Accounts Receivable
- Inventory management

Our business is highly dependent on our customer interactions so the candidate must;

- Communicate clearly and effectively verbally and in writing
- Possess strong MS Office and other computer skills
- Be compassionate and patient
- Be self-motivated and able to manage their time appropriately
- Take pride in delivering high-quality to all customers

We are a family business and want to grow with you and offer a long term career where you can feel like you are helping people in their times of need.

Experience preferred but willing to train the right candidate.

We invite you to apply by sending your resume (no calls please) to: Gibney Monument Works, 135 N. Center St, Perry, NY 14530 Or email to gibney@frontiernet.net

Please visit www.lwarc.org for specific qualifications and to complete an online application. Send resume to hr@lwarc.org or complete an application in our offices at 18 Main Street, Mount Morris between the hours of 8am and 4pm. EOE

The Arc offers competitive benefit and time off plans, tuition assistance, employee fitness center, and 401K with match.

Livingston County Warns of COVID-19 Scams

Livingston County would like to notify residents of several COVID-19-related fraud alerts recently issued by federal and state departments.

United States Department of Health and Human Services (HHS): Scammers are offering fake COVID-19 tests to Medicare recipients in exchange for their personal information. They then use this personal information as part of a broader identity theft scam to drain the bank accounts of their victims.

PROTECT YOURSELF:

- Beneficiaries should be cautious of unsolicited requests for their Medicare or Medicaid numbers.
- Be suspicious of any unexpected calls or visitors offering COVID-19 tests or supplies. If your personal information is compromised, it may be used in other fraud schemes.
- Ignore offers or advertisements for COVID-19 testing or treatments on social media sites.
- A physician or other trusted healthcare provider should assess your condition and approve any requests for COVID-19 testing.

New York State Office of Aging: Scammers are offering grants for home repairs. Older adults are receiving postcards addressed to “resident” offering to help secure grants for home repairs.

PROTECT YOURSELF:

- Do not answer your telephone if you do not recognize the caller or number.
- Never share personal information over the telephone, like your Medicare number, Social Security number or banking information.
- Never pay a fee to a company that says it will help you get a grant.
- Block or unfriend anyone who offers unsolicited grant information on social media. Even if you are “friends” with that person – they may have been hacked.
- Only use local contractors with validated references to do work in your home.

If you suspect fraud, complaints related to COVID-19 should be reported to:

National Center for Disaster Fraud (NCDF)

Hotline: 866-720-5721 or disaster@leo.gov

**New York State Attorney General’s Office:
800-771-7755**

**AARP Fraud Watch Network:
877-908-3360**

**Better Business Bureau:

Additional information can be found at <https://coronavirus.health.ny.gov/stay-cyber-safe>.

Livingston County Encourages Residents to Participate in ROC COVID

All Livingston County residents are encouraged to sign up for ROC COVID, a health screening tool that could help prevent the further spread of COVID-19 throughout the region. Currently, there are close to 19,000 participants from 11 counties, according to the ROC COVID dashboard.

Scientists and information technology staff from the University of Rochester Medical Center and Rochester Regional Health developed ROC COVID. It is an online survey tool consisting of questions that you answer daily, even if you have no symptoms. Questions include whether you have a fever, a cough, chills or other primary COVID-19 symptoms in addition to basic demographic information.

As a participant, you will receive daily reminders to take the quick survey at [ROCCOVID.org](https://roccovid.org).

Common Ground Health, a regional health planning organization, will securely house and analyze collected data. The data analysis will allow for an increased understanding of COVID-19, measure efforts to slow its progression, and help determine where to focus testing or adjust stay-at-home and physical distancing requirements.

If you are a University of Rochester Medical Center or Rochester Regional Health employee, you are asked not to participate in ROC COVID; however, you should continue to respond to your own internal surveys.

To learn more about ROC COVID and get started, please visit: <https://roccovid.org/>.

NYS Attorney General's Price Gouging Hotline: 1-800-697-1220

As part of Governor Andrew Cuomo's emergency disaster declaration on Saturday, March 7, 2020, the state is allowed to investigate and penalize those who are excessively pricing consumer goods and services that are used primarily for personal, family, or household purposes to prevent or respond to the COVID-19 virus.

If you see sudden and unexpected price increases in consumer goods such as hand sanitizer, cleaning supplies, or other health and sanitation related products, we encourage you to report these incidents of price gouging to the New York State Attorney General's office at 1-800-697-1220. The line is available seven days a week from 8:30AM-8:30PM for consumers.

Envision the Future of New York's Greenway Trails
• WHERE WILL THEY TAKE YOU? •

#TrailsAcrossNY GreenwaysPlan.org

Did you know that New York State is in the first phase of planning for the future of our statewide greenways trail network?

With the Empire State Trail slated to be complete by the end of this year, now's the time to think about what's next for our greenway trails network. And the answer to that can be, in large part, up to you.

FILL OUT THE SURVEY

Parks & Trails New York and NYS Parks, Recreation and Historic Preservation are creating the state's first dedicated Statewide Greenways Plan. Your input is critical to help the plan address a wide range of questions, such as:

- Where should the State prioritize future development of greenway trails?
- How do we increase connectivity between existing greenway trails and communities?
- How do we make greenway trails more accessible to all?
- How can greenway trails help mitigate and respond to the effects of climate change?

Take a few minutes today to fill out the survey and let us know more about you and what makes you love your favorite greenway trail. To Take The Survey, visit: <https://www.greenwaysplan.org>. You will be redirected to: ptny.org/our-work/support/nys-greenways-plan
