FACE behind the CARD

"No Streaking is based on the belief that our customers' needs are of the utmost importance," says founder Alex Van Voorst. Our entire team is committed to meeting those needs. As a result, a high percentage of our business is from repeat customers and referrals."

No streaking offers power washing, wood deck and fence staining, concrete coating, gutter and window cleaning and holiday lighting.

Alex Van Voorst was born and raised in Sioux Center. He got his start in local business by working for his father Wayne at Sioux Commercial Sweeping in Sioux Center, and also by serving as general manager of the Sioux Center Pizza Ranch for five years.

The combination of wanting to stay in the area and the lure of being a small business owner left him looking to the future. Armed with a scrubbers, squeegee, bucket and pole, he hit main street in search of dirty windows. The rest is history!

For more information, give No Streaking a call at 712-722-3884, stop by the shop at 725 4th Street Northwest in Sioux Center or access nostreakinginc.com.

COLOR Digital Printing

FAST TURNAROUNDS
The market for printing has been undergoing changes in recent years. A DEMAND FOR FAST TURNAROUNDS is one of those changes. Digital printing gives the ability to have next day printing - there is little setup, no plating and no dry time.

EXTREMELY EFFICIENT
The efficiency and convenience of Digital Printing BENEFITS ANY COMPANY WHETHER LARGE OR SMALL. The capability of full color short runs, direct marketing, and fast turnarounds is breaking down printing barriers.

SHORT RUN - FULL COLOR
Small quantities at an affordable price. Difficult to believe, but true! With no setup costs, there is no more overprinting. HOW MANY YOU NEED, IS HOW MANY YOU GET. Need a reprint? Even easier and very affordable. Convenience at its best.

DIRECT MARKETING
Need an edge? Digital printing creates a scenario where each **PIECE PRINTED CAN BE DIFFERENT.** The use of variable data, such as a customer data base, can be used to personalize each piece printed.
