

WHAT MAKES NATURAL GAS AMERICA'S BEST ENERGY?

NATURAL GAS IS BEST FOR...

- **Water Heating**
Natural Gas water heaters recover twice as fast as electric water heaters and cost less to operate.
- **Heating**
Natural Gas heat is more comfortable.
- **Outdoor Grilling**
No more tanks to fill. No more running out of gas in the middle of cooking your steak.
- **Clothes Drying**
Faster drying and more economical
- **Indoor Cooking**
Faster cooking time and precise heat control. The choice of professionals!

Public Safety is our #1 Priority at Elk River Public Utility District. To our friends in Coffee and Franklin Counties,

Elk River Public Utility District pipelines and facilities are designed, installed and maintained by knowledgeable professional personnel using materials, components, and procedures necessary to meet or exceed all applicable operational standards and safety regulations required for safe dependable operation.

Buried natural gas pipelines are installed within the community to provide natural gas service to residential and commercial customers.

Transportation of natural gas by pipeline is an extremely safe method of providing service to our customers. Our pipeline system is continuously surveyed, monitored, and patrolled to ensure system integrity and public safety. Odorant is added to the gas to make it readily detectable by smell. The scent of the odorant is similar to a sulfur or rotten egg smell. Unintentional release of gas due to damage from accidents, unauthorized digging, extreme weather or natural disaster can create a hazardous situation.

If you plan to do any excavation work, please contact the Tennessee One Call System 72 hours before work begins so that potential gas lines in the area can be located to prevent damage. Dial 811 to report your excavation work. This is a free call and service.

For additional information or concerns you may have, contact the Elk River Public District at 931-455-9311.

IF YOU SUSPECT A GAS LEAK

- Do not operate electrical switches or devices that would cause an ignition source.
- Leave the area of the suspected leak.
- Report the incident immediately from a safe location outside the area of the suspected leak to **ELK RIVER PUBLIC UTILITY DISTRICT at 931.455.9311 or Call 911**

Some indications of a natural gas leak are the smell of gas odor, blowing or hissing sound, dust blowing from the ground, dead vegetation, bubbling from the ground in wet areas, or flames if the gas has ignited. Elk River Public Utility District has 24 hour emergency dispatch and personnel available to respond in such an incident.

WARMBROD, BETTYE JOYCE SWANN - 86, Belvidere, TN. Graveside service, 11 a.m., Thursday, June 11, 2020, in the family cemetery next to her husband, John, on their 65th wedding anniversary. Everyone is welcome; however, due to Covid-19 and CDC guidelines the family asks that you please try your best to remember to maintain the recommended social distance and refrain from any hugs or other close physical contact at this time. Mrs. Warmbrod passed away June 7, 2020, surrounded by her

daughters, granddaughters, sister, and niece. Mrs. Warmbrod was born in Alto, Tennessee, on April 22, 1934, to the late Virgil and Faye (Sublett) Swann. She spent her dearly beloved childhood years in Decherd with her parents; her big brother, Bill; her inseparable sister, Barbara; and her baby brother, Jim. She graduated from Franklin County High School in 1951 where she played basketball. She married Mr. John David Warmbrod on June 11, 1955. She graduated from Saint Thomas School of Nursing as a registered nurse in 1954. Mrs. Warmbrod's nursing career began at Huntsville Hospital in labor and delivery alongside Dr. Cameron. When John and Bettye returned to Franklin County, TN, they purchased what had in years past been part of the Warmbrod family farm. Bettye worked with Dr. Fite at Smith Memorial Hospital in Winchester. After many highly favorable and memorable years at the hospital in Winchester, Bettye then was the nurse for the construction of Tims Ford Dam. Following the completion of the dam, Bettye became the school nurse for Franklin County High School. Perhaps the largest impact of her professional career came as she next began teaching health occupations for many years at FCHS. In all the years following her retirement, Mrs. Warmbrod dearly loved running into her previous nursing students who always seemed to remember her so fondly from the time they spent together at FCHS. For all who knew Mrs. Warmbrod, they knew her to truly have a servant's heart. If there was any need to be met or any work to be done, she was the first to step up and serve without question nor consideration for any recognition. In fact, it was her preference not to be in the spotlight despite all that she served and shared. The only thing Mrs. Warmbrod loved as much as serving others was spending time with her family. She cooked, for well over half a century of family, Sunday dinners and holiday gatherings. Mrs.

Warmbrod loved to travel on family trips, school trips, mission trips, senior mystery trips, camping trips, and just about any trip where friends, family, and most especially, her sister, Barbara, wanted to go. Known by so many as "Meme," she was always enthusiastically happy to get to be a part of any event with her family and never missed the chance to get to cheer on her daughters and granddaughters at every event imaginable, even volunteering many times over the years as camp nurse for all her girls summer camps. Whether with her beloved family or dear friends, she truly had a great time wherever she went. She loved to dance, from dancing the jitterbug and square dancing with John to her years of line dancing and then learning to clog in her senior years. She thoroughly enjoyed performing and visiting for many years at most all of the nursing homes in Franklin County. She was an avid University of Tennessee Lady Vols basketball fan, always decked out in her orange for every game, especially during the years of Pat Summit as coach. Her other interests included sewing, gardening, canning, and bird watching. Bettye was a 17-year breast cancer survivor and was a supporter of the Multi-County Cancer Support Network. She was a volunteer for Good Samaritan. Mrs. Warmbrod was a dedicated member of the First United Methodist Church (FUMC) of Winchester where she was also a member of the Friendship Sunday School Class and volunteered for many children's programs including Vacation Bible School. She will always be remembered by her family and church friends for so dearly loving to sing her favorite church hymns all the days of her life. She was preceded in death by her husband, John David Warmbrod; her parents, Virgil and Faye (Sublett) Swann; brothers, Bill and Jim Swann; and nephew, Troy Warmbrod. She is survived by daughters, Barbara "Babs" Feaster and husband, Joe and Sharon "Sheri" Gamble

and husband, Jeff; granddaughters, Rachel Crossland and husband, Travis and Amber Heath and husband, Max; great grandchildren, Chloe Crossland, Maxwell Heath, and Elizabeth "Libby" Heath (all of the above of Belvidere); sister, Barbara Weaver (of Decherd); brothers-in-law and sisters-in-law, Joan Swann (of Winchester), Stephanie Swann (of Decherd), Julia Warmbrod (of Belvidere), and Joe and Anita Warmbrod (of Greeley, CO); nieces and nephews, Wendi Weaver (of Decherd), Cindy Chambless and husband, Don (of Jacksonville, FL), Joanna Miller and husband, Clifton (of Belvidere), Terry Weaver and wife, Leslie (of Gunter, TX), Stephen Swann and wife, Mary (of Decherd), Jedd Swann and wife, Meredith (of Decherd), and Eric Warmbrod and wife, Lori (of Windsor, CO); 7 great-nephews; 4 great-nieces; 4 great-great nephews; and so many very special friends. Donations may be made in her memory to First United Methodist Church of Winchester. DAVES-CULBERTSON FUNERAL HOME, Tullahoma, TN. (931)455-3481.

Exchange is a free circulation publication mailed through the USPS to residents in Lincoln, Coffee, Franklin, Marshall, Bedford and Moore Counties in Tennessee.

Those residing outside Exchange free delivery service area may receive Exchange by subscription at a cost of \$25.00 per year. This covers the cost of postage and handling.

Mats, cuts, negatives, art work or other copy submitted for publication is considered to be the property of the advertiser. Advertising is accepted with the understanding that all liability for copyright violation is the sole responsibility of the advertiser.

Exchange will make every effort to see that advertising copy is correctly printed, but shall not be liable for failure to publish an ad or for typographical errors.

The advertiser assumes full liability for his/her advertisements and agrees to hold Exchange unaccountable for the content of all advertisements authorized for publication and any claims that may be made against the Exchange.

Exchange will gladly reprint, without charge, that part of an advertisement in which an

error occurs, provided a claim is made within three (3) days of the first publication of the ad. Exchange will not knowingly accept any advertisement that is defamatory, promotes academic dishonesty, violates any federal, state or local laws or encourages discrimination against any individual or group on the basis of race, sex, sexual orientation, color, creed, religion, national origin or disability.

Exchange reserves the right to reject ads considered distasteful or defamatory.

All real estate advertised herein is subject to the Federal Fair Housing Act, which makes it illegal to advertise "any preference, limitation, or discrimination because of race, color, religion, sex, handicap, familial status, or national origin, or intention to make any such preference, limitation, or discrimination. Exchange will not knowingly accept any advertising for real estate which is in violation of the law. All persons are hereby informed that all dwellings advertised are available on an equal opportunity basis.

Exchange contains word ads from regional and national Free Paper associations. Therefore, any discrepancies with national word ads shall not be the responsibility of Exchange.
