We've asked an angel in heaven in a special Birthday prayer to protect you as you're sleeping and tend you with great care.  
For we felt such pain and heartache when you left us far behind and throughout the celebrations you'll be very much in mind.  
And although our tears are falling, peace and solace will be found when we find a pure white feather that has drifted to the ground  
Because then we'll know for certain by this sign from up above, that an angel's wings surround you with everlasting love.
