INTEGRITY. TRANSPARENCY. ACCOUNTABILITY. GRIT.

"I work. I was raised to work. I was elected to serve the men and women of Cullman. I can't serve them behind a desk all the time, and in a suit with polished shoes; for me to be an effective leader and do right by the people, I have to be out with the people, at the sites, with the City employees, and see the problems and solutions first hand - rain or shine, hot or cold." **Win with Woody!**

RE-ELECT

WOODY JACOBS
MAYOR

Five Pillars of the Campaign:

"I will never increase, implement, or advocate for a new sales tax on the citizens of Cullman."

Infrastructure

Continue "Paving for Progress Campaign," and improve city school traffic flow by solving congestion problems.

Public Safety

Support law enforcement and all first responders, and work with mental health authorities to fight stigmas and lack of funding so all may live full and productive lives in our communities.

Education

Generate consistent, high sales and property tax revenue (nearly \$30 million since 2016; \$7.25 million in 2019) to go to the City School System, and find new areas of existing funding such as new housing developments to assist the school in their current infrastructure plan, all while maintaining academic excellence.

Quality of Life

Maintain current facilities, promote events, secure sporting tournaments to ensure outside tax dollars are spent here in Cullman, and provide equal opportunities for all citizens regardless of age, ability, or disability in community parks.

Economic Development

Focus to help provide small businesses with the needed tools to forge through adversity and find ways to reestablish economic prosperity, get unemployment back to record numbers, and support business and industrial growth to generate more tax dollars for education.

SHOP TODAY'S LOW PRICE TAGS:

We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

NO LIMITS:

Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.
