CCCVB Tourism Grant

The Clay County Convention and Visitor's Bureau (CCCVB) Committee announces the opening of their Special Project grant application, due August 1, 2020. Unlike their Tourism grant that focuses on events, the Special Project grant is available for projects such as brick and mortar construction work, equipment purchases, or recreation facility improvements designed to attract visitors within and outside of Clay County. This new grant opportunity will fund projects up to \$10,000, and eligible applicants include any business, organization, and governmental entity or individual.

To access the Special Project grant guidelines and application, visit www.exploreclaycounty.org and click the "Grants" tab. Starting in 2021, the CCCVB will modify their grant application schedule. Therefore, the Spring 2021 Special Project grant will be due on April 1, 2021, and the Fall 2021 Special Project Grant will be due October 1, 2021.

The new members will add their leadership experience and guidance to the Board of Directors as the Corridor continues to help the region's businesses thrive and to ensure its residents enjoy an active and rewarding quality of life.

Voted by members to return for a second three-year term were Doug Benjamin, Northwest Bank in Spencer, who serves as Treasurer of the Board, and Jeaneth Ibarra, Tyson Foods in Storm Lake.

Other returning board members include: Board Chair Debra Satern, SATERN® Barrels; Former Chair John Tatman, DEMCO Products; Brad Beck, Beck Engineering; Tim Fairchild, Dickinson County Board of Supervisors; Burlin Matthews, Clay County Board of Supervisors; John Pluth, Emmet County Board of Supervisors; Mike Porsch, Mayor of Storm Lake; Kent Stensland, Bank Midwest; Mike Wodtke, GKN Armstrong Wheels; and Susan Zulk, Spencer Hospital.

The Corridor Board of Directors consists of four Corridor member representatives from each of the four counties in the region, Buena Vista, Clay, Dickinson, and Emmet. Board members serve three-year terms and are eligible for up to two consecutive terms. Nominees for the board are voted on annually by their fellow Corridor members.

2020 Vettes in the Park to be 'U of O Corvette Club Cruise-In'

This year 2020 Vettes in the Park is forced to change slightly due to COVID-19. The University of Okoboji Corvette Club event is still happening and will be called 'University of Okoboji Corvette Cruise-In'.

Sampson Corvettes from Sanborn, Iowa, is a sponsor of this event as it has been for the last few years, so the event is free to attend.

Pre-event activities start Friday where Sampson Corvettes will have open house from 1:00pm to 3:30pm on July 24, 2020. Friday evening Toy Shed in Spirit Lake is having an open house from 5:00pm to 8:00pm to showcase their car collection that is open to corvette owners.

Saturday, July 25, 2020, is the main event for Corvettes. The event will still have a designated area to cruise-in and park with social distancing at Arnolds Park. Time of the event is from 8:00am until 2:00pm. Club members will help direct arriving Corvettes where a release and waiver of liability form will be required if parking in the Arnolds Park area. Corvette participants are asked that if you aren't feeling well or not comfortable, please wait to join in 2021. They are encouraging anyone who is not parking to cruise by and wave as you go by on Broadway Street.

Due to COVID-19 there will be no registration, no judging/awards ceremony and no clothing sales. If you are joining this event, you are joining at your own risk. Please consider wearing a face mask and maintain social distancing.

Please check their Facebook page at www.facebook.com/uofocorvetteclub or website www.uofocorvetteclub.com.

A photograph showing a man, Dave Rowley, performing on a small outdoor stage. He is wearing a light blue button-down shirt and dark shorts, and is playing an acoustic guitar. The stage is set up on a wooden deck in front of a light blue building with white trim. There are two large black speakers on either side of the stage. In the foreground, several people are seated in black folding chairs, watching the performance. A woman with blonde hair is on the left, a man in a light blue shirt is in the center, and a woman in a blue and white floral shirt is on the right. A black metal railing separates the audience from the stage. A red banner with white text is visible behind the performer. The overall scene is a casual outdoor concert.

Getting back to...?

We expect to see *The Jazzed Up Big Band of Okoboji* performing from 7-9:00 every Tuesday night – “until further notice” – in the Roof Garden at the Arnolds Park Amusement Park. A list of personal safety restrictions will apply, as it might to any indoor entertainment venue...

For the record, Saturday night will also see a bit of a birthday bash to celebrate the Barn's centennial!

After a private Isolation Party featuring *The Itty Bitty Boji Band* on Friday night, *Boji Bill* performed as a solo act, Monday night, at The Gardens, in The Emporium at Arnolds Park, and will return to that scene on Monday, August 3rd.

As we have had to note too often in this space, if you have any questions about the possibility of a cancellation of any events, you should call ahead...

In case you haven't figured it out, yet, this quarantining thing isn't just about COVID-19. This week it's really all about food. Wednesday is Mango Day, for which *Mangoes*, by jazz saxophonist Sonny Rollins, is the featured item on the audio menu. The song was distributed as a double-sided, 7 inch 45 rpm record with Part 1 and Part 2 on the 'A' and 'B' sides, respectively, to accommodate the song which ran for more than five minutes in the *The Sound of Sonny* LP.

Saturday will be Wine and Cheese Day, for which RD suggests the song, *Gimme That Wine*. Written by Jon Hendricks, and recorded with his singing partners, Dave Lambert and Annie Ross, GTW was a part of the trio's 1959 Columbia LP, which introduced the group as "The hottest new group in jazz." The album has been re-released in 28 different versions over the last 60 years. Incidentally, RD will be sending birthday cheers to Ms. Ross, Saturday, on the occasion of her 90th natal day...

With all the junk food, RD's logic is that we should wrap up her portion of *RAMBOLING* with some "Plop, Plop, Fizz, Fizz..." — the Alka Seltzer jingle. It was written by Tom Dawes, who turns 77 on Saturday. Paul Margulies (father of actress Julianna Margulies) created the famous "Plop, Plop, Fizz, Fizz" ad campaign when he worked as a Madison Avenue ad executive. Dawes was a co-founder and former member of *The Cyrcle*. FWIW: The lyrics were altered to "Plink, Plink, Fizz, Fizz..." in the quite proper United Kingdom...

Deadline for *RAMBOLing* submissions is the Friday prior to Tuesday publication

Boji Bill at IRRMA Patio

W.C. Carpenter (Boji Bill) will be appearing on the patio adjacent to the Iowa Rock and Roll Museum in Arnolds Park on Thursday evening, July 23. He'll be entertaining at this free concert from 7:00 to 8:30pm that evening. Bill was inducted into the Iowa Rock and Roll Music Association Hall of Fame in 2015 for his work in the 1960s with the Castels. He currently plays throughout the Lakes area as a solo act and as a member of the Itty Bitty Boji Band, as well as playing with George Engebretson as half of the acoustic duo, Unknown Legends. Bring your lawn chairs and come out for an evening full of some of your favorite rock and roll standards mixed with some current songs. It happens Thursday evening from 7:00 to 8:30pm on the patio adjacent to the Iowa Rock and Roll Museum.

Messerole Receives Experienced Provider Award from Wings Air Rescue

Spencer Hospital clinical educator Jeff Messerole (far right), accepts the Experienced Provider award from Beth Green and Mickey Saucer of Wings Air Rescue – a private air medical helicopter service operating out of Sioux City, Tennessee, Kentucky, and Virginia. Wings Air Rescue provides air medical transport for critically ill and injured patients from referring hospitals and accident scenes to tertiary care facilities.

The Experienced Provider award is presented each quarter by the company to an experienced provider in their respective services areas and acknowledges their contribution in advancing the education of EMS providers by sharing their experiences. Messerole was chosen in March, but due to COVID concerns, Wings Air Rescue was unable to present the award until now.

“To me, it is an honor when recognized by my peers, as there are so many educators out there doing great work,” said Messerole. “It says a lot when recognized by an organization of critical care providers and I am humbled that they thought of me when giving out this award.”

Messerole has participated in emergency medical services for 38 years and has been a full-time instructor at Spencer Hospital since 2007.

“I couldn’t do what I do without the tremendous support I have gotten from Spencer Hospital leadership in allowing me to grow as an educator and share my experiences with hospital staff and EMS providers locally, regionally, nationally, and internationally.”

Lakes Area Farmers Market News

Located at Dickinson Co. Fairgrounds
15th Street & Peoria Avenue, Spirit Lake, IA 51360

As the fair continues, Lakes Area Farmers Market will be outside again Wednesday, July 22. We will be back inside our building on Saturday, July 25, after cleaning the building. We will continue social distancing, offering hand sanitizer, and wearing face masks and gloves for your safety.

Pickling and slicing cucumbers are arriving at the market and you can get your dill for pickles there, too. If you need a large supply of either, order from your favorite vendor. Local sweet corn is coming soon and several vendors have new potatoes and tomatoes, especially cherry tomatoes which ripen sooner. There are still plenty of face masks available, plus other handmade crafts. Lots of craft items would make good gifts, like personalized dish towels and towels, doll clothes, games, and soaps and lotions. Homemade bars, cookies, pies, and bread are available. Get a cinnamon roll or bag of snack mix to go. More cut flowers can be found, even some sunflowers and gladiolas. As the summer goes on, supplies are always changing at Lakes Area Farmers Market in Spirit Lake. We are located on the fairgrounds and are open Wednesday and Saturday from 7:30 am to 12:00 noon. We hope to see you there.

Berkley Bedell Memorial Boat Parade On West Lake Okoboji

Berkley Bedell passed away in Naples, Florida, on December 7, 2019. The memorial service was planned for July 25, 2020, in Spirit Lake, Iowa. Due to the COVID-19 Coronavirus, the memorial service was canceled. In its place the family is organizing a Berkley Bedell Memorial Boat Parade on West Lake Okoboji.

Boats will gather in front of Arnolds Park Amusement Park at 6:00pm on Saturday, July 25. Leading the parade will be the Queen II, carrying Berks' close and longtime friends that he regularly gathered with upon his return to the lakes area. Following the Queen II excursion boat will be Berkley's family in boats. All others are asked to follow in line behind the family and the last family boat which will be carrying an American flag. The Queen II will depart at 6:00pm and round Pillsbury Point traveling toward Terrace Park. It will then circle Emerson Bay, crossing from Gull Point to Manhattan Beach and follow the west shoreline to the north end of the lake. Returning along the east shoreline, the parade will complete its journey back at Arnolds Park Amusement Park. The community is invited to participate. During the boat parade, a short memorial service will be broadcast on KUOO 103.9, thanks to the partnership of KUOO and Explore Okoboji. The memorial service will include messages from many of Berkley's close friends and senators.

If the weather makes it uncomfortable or unsafe the parade will be postponed until Sunday night. KUOO and Explore Okoboji will make announcements accordingly.

Berkley spent his life making a difference in the Iowa Great Lakes. His legacy reaches from his success in the fishing tackle business to his service in the US Congress to his dedication to enhancing the quality of life here in Dickinson County. His leadership helped create the Okoboji Foundation, was critical in the Save the Park fund drive, and he and his wife, Elinor, donated the land to create the Elinor Bedell State Park. Berkley is mostly remembered for his humble lifestyle and caring character. He was generous and giving to everyone he encountered.

On behalf of the entire Bedell family, they would like to thank everyone for their love and support of Berkley.

Sponsor for Vettes in the Park

The University of Okoboji Corvette Club will be hosting their annual event Vettes in the Park on July 25th at Arnolds Park Amusement Park. This event will coincide with the wooden boat show. One of the area's premier Corvette dealers has once again agreed to sponsor this event so corvette owners can participate for free. This is the 6th year Craig Sampson of Sampson Corvettes from Sanborn, a family owned business, has offered to be part of this event by being a sponsor. This event, along with Autocross in June, is one of two events the club does each year. Each December, the club allocates their earnings from these events by donating to local organizations such as Okoboji Foundation and Arnolds Park Amusement Park. Plan to attend if you are a corvette owner. Bring your car to show off. All are welcome to walk through these beautiful collections and meet the owners, as this event is open to the public for viewing.

Great Lakes Dental Associates Groundbreaking Kicks Off Construction Of New Dental Clinic

On July 22, Great Lakes Dental Associates will be breaking ground on a new two-story dental clinic in Spirit Lake, Iowa.

Dr. John Clay and Dr. Shaun O'Neill recently acquired Bieri and Christensen Dentistry, Great Lakes Dental Center and Spirit Lake Dental. All three will be relocated to the new clinic located at 3020 Aurora Avenue West, Spirit Lake, Iowa. Current plans are to begin seeing patients at the new location starting in January, 2021. Patients are now being seen at Bieri and Christensen Dentistry at 1724 Hill Avenue Suite 100 and Spirit Lake Dental at 3301 US-71 Suite 4.

A commitment to excellent dental care combined with a positive experience will be the core of what Great Lakes Dental Associates will provide for their patients. State of the art technology including: CEREC same day crowns, 3D imaging, and implant dentistry puts each patient at the forefront of the best technology dentistry has to offer. These services, coupled with a friendly and highly competent staff, are what place Great Lakes Dental Associates at the top in the dental care industry.

The new location will include Dr. Shaun O'Neill, Dr. Linda Bieri, Dr. Steve Christensen and Dr. Janet Boyes along with the combined dedicated staff from the clinics.

"Our team has been serving the Spirit Lake and surrounding communities with quality dental care for years," said Dr. John Clay. "With this new facility, we'll be able to continue to deliver the highest levels of service, care and experience for many years to come."

In the meantime, new and current patients can continue to call Bieri and Christensen Dentistry at 712-336-9111 and Spirit Lake Dental at 712-336-2460. Additional information can also be found at <http://www.bchdental.com> and <http://www.spiritlakedental.com>.

Sleeping Beauty Performances at Treasure Village

Melody (played by Laura Clark of Milford) prefers exploring and having adventures with her friend Will (played by Liam Knudtson of Milford). The problem is that she's a princess and supposed to be extremely girly. She thinks that's why her father and godmother are so over-protective. They haven't told her about the curse. Can Melody manage to be herself and overcome evil? Performances are Tuesdays through Saturdays, July 21 through August 15 at Treasure Village Family Theatre at Lake Okoboji. Each audience group can be seated 6 feet or more from other groups. Masks are suggested but not required and social distancing is expected. The doors open at 9:15 and the performance begins at 10:00. Ticket prices are \$7 for ages 11 and up and \$5.50 for ages 3-10. A game on the mini golf course is a great way to finish the morning. Check the website www.treasurevillage.org for all COVID-19 changes. Treasure Village is located north of Milford, Iowa, on Iowa Highway 86. For more information, call 712-330-3730.

DCNC Family Nature Night

The Dickinson County Nature Center is excited to host its first summer program of 2020 with Family Nature Night Friday, July 24.

The free family program will focus on geocaching, a global phenomenon in which users can hunt for specially hidden caches with GPS-enabled devices. Staff will give a short presentation on geocaching at 7 p.m. and then pre-registered families will set out to find four geocaches throughout Kenue Park. "Geocaching is a great way to get families outside and enjoying the outdoors," said naturalist Ashley Hansen.

Once families learn how to geocache, it is an activity that they can do anywhere they travel. The Iowa Great Lakes region alone has hundreds of geocaches to find.

Due to COVID-19 concerns, the Dickinson County Nature Center has moved most of its education to online venues, but the staff are looking forward to having people in Kenue Park for Family Nature Night.

"We have missed hosting programs and are excited to offer this program for our community," said environmental education coordinator Bryanna Kuhlman.

Participants are asked to bring a smartphone with the free Geocaching app downloaded prior to Family Nature Night. Anyone that does not have a smartphone may borrow a GPS unit, if previously arranged.

The program will be capped at six families, as groups will be asked to socially distance from each other. Staff will wear masks, but attendees are not required to wear them. To reserve your spot, please call 712-336-6352.

The Dickinson County Nature Center is currently closed to the public and will remain closed during Family Nature Night. Please bring water and use the restroom before the program.

For more information on Family Nature Night or to check out online educational blogs and programs, visit www.dickinsoncountynaturecenter.com or keep up on the latest happenings on Facebook, Instagram and Twitter

You will receive materials to complete three horrifying activities: design a Mutant Toy, Jeepers Creepers Peepers, and The Blob Soap. For extra chills check out the disturbing playlist and book recommendations. Top off the activity with a grotesque recipe. They're here starting on Tuesday, July 21, at 10:00am, and ending on Friday, August 7, at 5:00pm. When you sign up, please tell us how you want to receive your box. Your choices are the following: pick up at Milford Memorial Library, Arnolds Park Public Library, or have it delivered to your home.

Join Milford Memorial Library's Summer Reading Program: QuaranTEENed Edition. During the summer, Young Adults will need to earn 5,000 points to complete the YA Summer Reading Program. They are able to earn points by reading, finding secret codes, and completing activities. Young Adults (4th-12th grade) can sign up by going online to bookpoints.milfordlibrary.net, through paper logs available at the library, by calling 712-338-4643, or emailing milfordlibrary51351@gmail.com.

Join us on Zoom at 7:00pm on Tuesday, July 28, for a Paint by Number Night. Contact the library to pre-register. The cost is \$5.00. Pick up your Paint by Number kit on Friday, July 24, Monday, July 27, or Tuesday, July 28, from 10:00am - 5:00pm, and you can pay when you pick up your kit. All kits include an 8 x 10" numbered canvas, paint, paintbrush, and instructions. You can do this kit on your own or you can join us on Zoom on Tuesday, July 28, from 7:00 - 8:00pm, to participate as a group or ask any questions.

The Milford Memorial Library has an Adult Summer Reading Program again this year. All you have to do is pick up a bookmark at the library and fill it out throughout the summer or participate on bookpoints.milfordlibrary.net. You can bring the bookmark back to the library or log your reading online anytime between June 1 and Labor Day (September 7) for prizes.

If you have materials to print, please email us at milford-library51351@gmail.com. We are currently not copying or sending faxes.

Check out MML's drive-up window hours. Reserves may be picked-up on Monday, Tuesday, Thursday, and Friday from 10:00am until 5:00pm and Wednesday from 10:00am until 6:30pm. You may reserve materials by using MML's online catalog, calling 712-338-4643, or emailing milfordlibrary51351@gmail.com.

View From The Bench

by John Adams, Jr.

The one thing that we know about the current COVID-19 pandemic is that things change daily and we are not in control of very much. It was great to have a small sense of our old “normal” this summer with high school baseball and softball returning to action for shortened seasons. The Iowa High School Athletic Association and the Iowa Girls High School Athletic Union took a chance with moving forward with the seasons and I would say they were very successful. There were 20 or so teams that did not get to finish their seasons due to a positive COVID-19 test on their team, and that was terrible for those teams, but 95% of teams, which is thousands of players, were able to complete their season and create memories that will last a lifetime.

We were blessed that our son and his friends were a part of the 95% that played the entire season. Pictured above are the group of seniors (Jay Swygman, Kyle Martin, Tyler Adams, David Greiner and Jake Halbur) for Okoboji who were able to wear the maroon and white one last time this summer when many of us thought that would not happen. A HUGE thank you to our athletic director, Justin Bouse and our coaches Rory Marra, Troy Greiner and Todd Gonnerman for working their way through new protocols that were very fluid, and doing everything in their power to make sure our boys got to play ball. This pandemic has definitely made us all long for our old “normal” and not take things for granted, and I know that these boys enjoyed every opportunity they got to play baseball with their friends and represent the Okoboji community. The memories made on the field, the big conference wins or the two big post-season victories, were great, as were the memories that these boys and their parents got with the off the field moments. From the suburban rides to and from games, to the late-night grill outs after big victories, it was great to spend time with our baseball family and to see these boys have so much fun after what has been a hard spring/summer for everyone. As I have written many times, one thing I love about sports is that they teach our kids and parents so many life lessons, and sometimes you get more out of sports with the lessons learned and memories created off the field than even the ones on the field. As a parent, I am so thankful that Tyler got to play 14 more baseball games as a Pioneer, and that he got to spend the month and a half with his teammates and coaches. I’m also selfishly glad that we got to hang out for the season with our baseball family, as one of the hard things with this pandemic has been the social isolation that came with the lockdown. It’s hard to believe that our kids are now done going to school and playing sports for Okoboji, and there is no doubt that it makes me very sad, but I am so thankful for the special moments and relationships my kids have had through their Okoboji careers, and that definitely includes the gift of 14 baseball games this summer!

THE NEW AND IMPROVED

STATE PIER

The State Pier renovation connects the recently renovated boardwalk and creates a focal point at the end of the Promenade. The pier itself mimics a compass, oriented North/South, with a North Arrow and a map of the Iowa Great Lakes as decorative elements in the paving. Captain Steve rests back in his original home on the State Pier as do the many families' donor pavers from

the Save The Park campaign. We hope that visitors will enjoy the sights and sounds of this newly renovated outdoor space!

Imagine Iowa Great Lakes would like to thank the HAPI Board of Directors, Jeff Vierkant, and the Iowa DNR for their support and cooperation in the successful completion of this project.

Chicken Caprese Quesadillas ~ Serves 4 at 530 calories/person

Quesadillas
1 large tomato, thinly sliced
2 tablespoons balsamic vinegar
4 large whole wheat tortillas
1/2 cup jarred basil pesto
2 cups shredded mozzarella cheese
1/2 pound boneless chicken breasts, baked and sliced

Salad
4 cups salad greens
1/4 cup salad dressing of choice

Place tomato in a shallow dish. Pour balsamic vinegar over top, then turn tomatoes to coat. Set aside. Spread one side of each tortilla with 2 tablespoons pesto. On one half of each tortilla, add 1/4 cup cheese and 2 ounces sliced chicken. Let excess vinegar drip off tomato slices, then add 2 slices to each tortilla. Top with remaining 1/4 cup cheese and fold tortilla in half. Heat a large skillet or griddle to medium heat. Spray liberally with cooking spray, then place quesadillas in the hot pan. Spray the tops with cooking spray. Cook for 2-3 minutes per side until tortilla is golden-brown, chicken is hot and cheese is melted. Serve with side salad.
