T&I Credit Union was founded in 1955 by Ford Tractor Employees in Birmingham. In 1987, we relocated to our current location in Clawson. However, our goal of serving our members and communities has always remained the same. We do so by remaining competitive with low interest rates on loans, special offers/deals, and constant involvement in schools and the communities we reside in.

We are consistently focused on improving our members overall experience. In the past year, we experienced our largest growth in recent memory that carried over into the start of this year. Our continued growth can truly be contributed to our membership and communities' input. By continually taking the information our members and community provide us with, we have been able to make changes and improvements that truly make a difference in the lives of others.

What makes us the best?

Our Unwavering Commitment to Our Members and the Community

In normal times, we do as much as we can to help out everyone that comes to our doors. However, throughout the Covid-19 pandemic, our staff went above and beyond when it came to helping those in need. From day one, we created a relief loan for those financially affected by the outbreak who were unable to work. This loan could be used to pay bills, grocery money, whatever was needed. Additionally, our staff stepped up by coming into the office every day, short-staffed, to keep daily operations going so that when people needed our help, we were here to meet the call. The selflessness of our staff during this uncertain time is just one example of many that represents the dedication we have to our members and the community.

Summer of Cars Deal!

With summer finally here and the idea of getting out of our homes on everyone's mind, there is no better time than now to get that car you have been eyeing. With rates as low as 1.99%, now is as good a time as ever to finance a new car or save money by refinancing your car with T&I Credit Union!

Additionally, when you purchase or refinance your new/used car with T&I Credit Union, you will receive:

- A \$50.00 gas card upon closing*
- An entry to win a Fully Stocked Yeti Cooler from T&I Credit Union*

Ultimate College Package

We are also focused on helping students prepare for the future. In doing so, we have created the Ultimate College Package for high school seniors going into college. Students will receive:

- Savings Account
- Checking Account
- Debit Card
- Credit card**
- \$25 Gift Card to Staples

In addition, we are offering scholarships to any T&I Credit Union members that are seniors in high school (Graduating Class of 2021). Please call our office for more information on the scholarships and how to apply. Applications are due April 31st, 2021.

Small enough to know you, big enough to help

Unlike large banks, we take the time to get to know all of our members. Going above and beyond for our members to help meet their needs is a goal for everyone on our staff. However, just because we are small enough to know all of our members does not mean we are unable to help with larger financial needs. T&I Credit Union is a full-service financial institution and we are ready to help you handle any of your biggest financial decisions. On the off chance we cannot help with something or meet a need, we will send you to someone who can. We do this because we truly believe in doing what is best for our members.

Thank you!!!

To begin, we would like to thank all of our members for their continued support. Everything we do is for the betterment of the lives of our members and the community, and without the continued involvement and feedback we would not be meeting the needs of others like we do. Your input, trust, and most importantly friendship is something we truly cherish and appreciate.

Secondly, we would like to thank Leonard, Martell, and Morse Elementary and the excellent teachers/staff that run the schools for allowing us to come in and begin to teach kids about the importance of savings as they opened their first savings account with us. We have enjoyed connecting with the students during lunchtime as they made their deposit, as well as all of the families we have had the pleasure of talking to at various events. We appreciate your continued support of us and while the upcoming year may be different than usual, we are excited to be of use in any way we can.

Thank you to our staff. You all come in and work hard every day to provide every member with the best possible experience, regardless of the situation. This especially goes for all of our brave and wonderful staff who continued to come in every single day throughout the Covid-19 Pandemic. While some people may just think of you as tellers, you are nothing short of superheroes for the work you put in during this unprecedented time. The lives of those we were able to help financially through this time will never forget what you have done for them. Just as our members, we could not have gotten to where we are today if it wasn't for all of your hard work, dedication, and commitment to your job and our members. All of your work is greatly appreciated inside and outside of the office.

Last but not least, we would like to thank our dedicated Board of Directors for their continued support. New programs and offerings would not be available without the willingness and enthusiasm of our board members to continue to move our credit union forward.

*Some restrictions may apply. See T&I Credit Union for more information.
