Protect the Ones You Love

You start a family ... and learn what it really means to love. But, have you considered what would happen if you were no longer there to take care of your loved ones?

While nothing can replace you, having life insurance means that if something happened to you, your loved ones would be OK financially.

Protect the ones you love with life insurance.

Bronx Community Board #10

Bronx, NY 10461

(718) 892-1161

Bx10@cb.nyc.gov

DISTRICT NEEDS FISCAL YEAR '22

Each year the City of New York requires each Community Board to submit a list of capital and expense requests in its respective district for review. For example, Bronx Community Board #10 can suggest to the city to increase garbage pick-up, increase hiring for parks maintenance and cleaning and to increase resources road repair. If there is a city program that is successful and you wish for it to have its funding increased, please let me know. It is crucial now more than ever to demand the City continue funding popular and successful municipal services. As you know, the City budget was cut drastically just a few moments ago and we are already seeing an increase in complaints as agencies are doing more with less resources. If you are a Bronx Community Board #10 resident that wishes to suggest an item to be placed on our Fiscal Year 22 District Needs Statement please contact me directly at (718) 892-1161 or via e-mail at bx10@cb.nyc.gov. Requests are prioritized. If your request does not make it to our final list in October, my office will still have it on record for future District Needs Statements.

FOOD PROGRAMS

During this unprecedented time, our neighborhood public schools have been food distribution centers. If you need any assistance finding a school, please contact my office as soon as possible. In Community Board #10, P. S. 72 and P.S. 160 are serving grab-and-go meals for people of all ages. In Community Board #11, the Christopher Columbus High School Campus, P.S. 83, P.S. 89 and P.S. 97 are all giving away meals to those in need every day until from 7:30 AM to 1:30 PM. If you are a senior citizen, you may be able to get meals delivered to you each week. Please dial 311, or when in doubt, call my office so we can assist.

DOING OUR PART

I know that in some cases it can be difficult especially during this time when so many of us are leery of going outside. However, our responsibilities to our neighbors remains the same. Kindly curb your pet. If you have a tree pit in front of your home, kindly cut the weeds and remove litter. Sidewalk sweeping and removal of litter is the property owner's responsibility. Also, let's not litter in our own community. Let's help ourselves and respect the great work the Department of Sanitation does in keeping our community clean.

PELHAM ART CENTER ANNOUNCES UPCOMING Community Art Day began in 2019 as an all-day celebration of art. In light of the COVID crisis and community feedback, Pelham Art Center will hold multiple Community Art Days this year according to physical distancing guidelines.* On first Sundays this summer, Pelham Art Center teachers will be present in the Pelham Art Center Courtyard at 155 Fifth Avenue doing live painting demos. Come speak with an artist, watch an artist create, and join in on our new community art project! **Sunday, August 2nd 1:00-3:00pm (rain date Sunday, August 9th)** Pelham Art Rocks! Part of the upcoming Community Art

Days is "Pelham Art Rocks!"--a collaborative public art installation consisting of individual rocks painted by our community members. Come take a rock, paint a rock, and leave a rock under the Pelham Art Center red arch! Visitors can create a rock during any of the three Community Art Days, or paint their rock at home and return it under the arch later. Pelham Art Center invites everyone to contribute a colorful design to build an Art Rock Garden as a tribute to the strength and beauty of our community. For those painting from home, suggested paints are acrylic and details can be added using paint markers. Consider mandala rocks, patterned rocks, inspirational words, spirals, shapes and patterns for your design. It is recommended to add a top coat clear acrylic sealer on top of your painted rocks. Pelham Art Center will soon announce details for the following exhibitions: Beginning in July, the Pelham Art Center Courtyard will hold an installation of playful sculptural works by Don Porcaro. A Short Story: Childhood's End & Nomads will be on view through Fall 2020.
