# SPEAK OUT

Dear "Speakout,"

This is the final article on the "Declaration of Independence". Lord willing, we will study the 56 founding fathers in July 2021.

The king stirred up domestic turmoil by involving the Indians: "He has excited domestic insurrections amongst us, and has endeavored to bring on the inhabitants of our frontiers, the merciless Indian savages, whose known rule of warfare, is undistinguished destruction of all ages, sexes and conditions."

The colonists petitioned the king for an answer to their conditions and decided that the king was unfit to rule them: "In every stage of these Oppressions We have Petitioned for Redress in the most humble terms: Our repeated Petitions have been answered only by repeated injury. A Prince whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free people."

We repeatedly warned England of a possible separation: "Nor have we been wanting in attention to our British brethren. We have warned them from time to time of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpations, which, would inevitably interrupt our connections and correspondence. We must, therefore, acquiesce in the necessity, which denounces our separation, and hold them, as we hold the rest of mankind, enemies in war, in peace friends."

Our founding fathers finally stated that it was time to separate from England and that they had the blessing of the colonists and that our connection with Great Britain was broken. They called unto God for His blessing in their efforts and knew that they could lose both their lives and their possession as a result: "We, therefore, the Representatives of the United States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States; that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor. Our founding fathers believed that each future generation should leave America better upon our passing than when we arrived. Our past several generations have destroyed many of the precepts upon which the United States of America was founded.

In keeping with my positive outlook, I believe that God is giving us a small window of time to reverse the decline of America. The following scripture is crucial: 2 Chronicles 7:14 "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

This Saturday, July 25, the Mount Morris Kiwanis Club had planned to hold a Drive-Thru Italian Sausage Dinner. It was to be the only fund-raising event that the club could sponsor due to all the COVID-19 restrictions and regulations. All of the food was to be prepared in the Health Department inspected kitchen at our Bellamy Park pavilion, and served as people either drove through a pick-up line or walked up and purchased a dinner in the parking lot. The funds raised would have been used to help cover student scholarships, awards and other projects that directly benefit the children of the Mount Morris School District. However, just days before the event was scheduled to take place, the club was informed that the Village Board has not officially opened Bellamy Park and therefore, no events can be held on the property. After considering the very few, limited options available, the club voted to cancel the event. Anyone who has purchased a ticket, will receive their money back. We are very sorry to have to cancel this fund-raiser. We do hope that the next event, a Drive-Through Spaghetti Dinner at the Mount Morris VFW in September, will be a success so we can continue to support the children of Mount Morris. Thank you for your understanding.

**RADON** is a cancer-causing radioactive gas that you cannot see, smell or taste. Radon is produced in the soil and moves upward to enter your home through the foundation or with groundwater from a well. The only way to know if you are at risk is to have your home tested for the presence of radon. The Livingston County Department of Health recommends that all households be tested for radon levels, and can provide free radon test kits to Livingston County residents who own a home. For more information on radon or to request a radon test kit, please call 243-7280.
