1. God wants spiritual fruit, not religious nuts.

2. Dear God, I have a problem, it's me.

Helping Daddy

One day a young boy ran crying to his mother and rubbing his behind

His mother said, "Bobby, why are you crying?"

"Because daddy hit his thumb with the hammer!" little Bobby wailed.

"Why, that's not something to cry over," his mother told him. "That should make you laugh."

Bobby rubbed his behind and said tearfully, "I DID laugh!"

ARIES (March 21 to April 19) Don't gnash those pearly whites because you might have to delay your plans. This could give the Lucky Lamb a better perspective of what's been done, and what still needs doing.

TAURUS (April 20 to May 20) Scoring financial bull's-eyes is easy for the focused Bovine who knows the ins and outs of the marketplace. But even with your success record, caution is still the watchword.

GEMINI (May 21 to June 20) Watch that tendency to over-romanticize a situation that should be given closer scrutiny. Better to be suspicious now and ask for an explanation, rather than face a sad surprise later.

CANCER (June 21 to July 22) Bruised self-confidence can make things difficult unless you accept the fact that you have what it takes. Ignore the critics and concentrate on believing in yourself. Good luck.

LEO (July 23 to August 22) Congratulations on what you've accomplished. But this is no time to curl up for some serious catnapping. Your rivals are probably already working on plans to overtake your lead.

VIRGO (August 23 to September 22) Your adventurous side wants to play a more dominant role this week, and you might want to oblige. Try to arrange for some getaway time with that special person.

LIBRA (September 23 to October 22) Taking logical approaches to pesky workplace issues can help resolve even long-standing problems. A shift in policy might catch you by surprise. Be alert to signs of change.

SCORPIO (October 23 to November 21) Your kindness and compassion are exactly what are needed in dealing with an awkward situation in the early part of the week. Share the weekend fun with family.

SAGITTARIUS (November 22 to December 21) Keeping your focus straight and true is a good way of getting your points across. Save any variations for a later time. The musical arts are important this weekend.

CAPRICORN (December 22 to January 19) Reject advice to cut corners in reaching your goal. Better to take a little more time to do the job as you promised. You'll gain new respect for your honesty and integrity.

AQUARIUS (January 20 to February 18) Don't allow a troublesome situation to grow so big that it will be increasingly difficult to deal with. The sooner you speak up, the sooner everyone will be able to benefit.

PISCES (February 19 to March 20) Confronting someone who is making a lot of mistakes could be the kindest thing you can do both for that person and for anyone who could be adversely affected by the errors.

BORN THIS WEEK: You absolutely glow when you see beautiful things, and everyone around you is warmed by your light.

If you focus on the hurt, you will continue to suffer.  
If you focus on the lesson, you will continue to grow.

WEDNESDAYS  
1 PM - 6 PM  
JULY - AUGUST

The Danville Farmers' Market Wednesday Markets will start on Wednesday July 1 and continue each Wednesday, 1 p.m. to 6 p.m. through the end of August.

All vendors will be located on the Science Center side parking lot due to COVID-19 distancing guidelines. The Wednesday market will offer seasonal produce, meats and baked goods.

DANVILLE – Danville Farmers' Market is now open every Saturday through the end of October and every Wednesday through the end of August following all state, federal, and local health and safety recommendations for both patrons and vendors.

“We are proud to be able to offer this service that is a staple to Downtown Danville as well as local vendors and shoppers in the community,” said Danville Parks and Recreation Department Director Bill Sgrinia. “We do not take safety precautions and health concerns lightly so the market will be modified from its normal setup in order to meet the recommended guidelines. It's a change for all of us, we appreciate everyone's patience and cooperation as we continue to develop and manage a new way to offer this service.”

Patrons should not visit the market if they are ill and maintain six feet of space between other shoppers. Staff are asking that families only send one person per house inside the building to shop at a time.

While visiting the market the following regulations are in place:

- Face Masks are recommended
- Patrons will not be able to handle produce
- No food can be consumed on site

Interested vendors, inside or out, will not be allowed to set up without a reservation made in advance. Spots will be assigned by market management. Spaces can be reserved by calling 434-797-8961.

The Danville Farmers' Market accepts EBT.

## PIEDMONT PETS

July 30, 2020  
By Paulette Dean

Around 7:30 in the evening of July 20th, a woman called to say she had just taken a Yorkie to the shelter. She had witnessed him being thrown out of a car around Ballou Park, but was so traumatized that she could not remember any details of the vehicle.

The Yorkie was obviously elderly and we posted a picture on our Facebook page, offering a reward of up to \$1,000 for information leading to the arrest and conviction of the person or persons responsible. Rewards come from the privately-funded Earl Merricks Stop the Cruelty Fund.

What happened was amazing. Approximately 226,000 people saw the post! We were contacted by people all over the country, inquiring how they could adopt the Yorkie. We were also contacted by several people, desperate for information about him because their Yorkie had been stolen or missing for months.

He was examined by a veterinarian and was found to be relatively healthy for an older guy, and was put on antibiotics for some dental issues.

A couple of days later, a woman called late in the afternoon to ask for more information. She and her family had been

searching for their elderly Yorkie who had been missing from their yard for about two weeks. Max was her father's dog and had come to live with them when her father died in November 2019. She and her children came to the shelter on Thursday, July 23rd, and were reunited with Max. He was happy to be with his family again.

We will never know what really happened to Max. Was he really stolen or did he just wander away? Was he thrown out of the car after his family posted on Facebook that they have cameras? We are just happy that the woman who saw him being thrown out of the car brought him to the shelter!

14 oz pizza or marinara sauce

**INSTRUCTIONS**

Preheat oven to 425°F. Oil 2 baking sheets or line with parchment paper.

Sprinkle flour on a working surface. Unroll pizza dough and spread and roll it flat.

Drizzle the dough with olive oil. Sprinkle with Italian herb seasoning and parmesan cheese.

Cut the dough into 1/2 "strips. Tie the strips into a loose knot and tuck ends. Put knots on the baking sheet and sprinkle with additional parmesan cheese.

Bake for approximately 9 minutes or until the knots are lightly browned, rotating sheet halfway through baking.

Remove from the pan immediately.

Heat pizza or marinara sauce and serve with knots.
