## Wheelchair Van for Lilyana Faith Chicken BBQ Benefit • August 30<sup>th</sup>

Lilyana is an incredible 8 year old girl that has inspired so many people and has touched so many hearts in her 8 years of being on this earth. She lights up a room with her big beautiful smile and always puts everyone else's feeling before hers even though she's the one with the disability. she loves playing with her friends, going on adventures, most of all she loves being independently mobile.

Lilyana was diagnosed with Quadriplegic Spastic Cerebral Palsy when she was a year old and hip dysplasia when she was 3. She has undergone 5 surgeries from 2015-2019 to correct hip dislocations and a deformed femur. Due to Lilyana's disability she is wheelchair bound and has very limited use of her legs she does use a walker but not very well and for only short periods of time. She has had a hard life in just a short time of living but she continues to do it all with a smile on her face and so much drive and determination.

Why am I telling you all this well Lilyana loves being in her electric wheelchair it gives her a feeling of independence she can go for walks, play with her sister outside in the yard driving around but when we take outings, go to doctor appointments, etc. due to transportation reasons we are unable to take her electric wheelchair and the one thing that gives her independence is taken away. we currently found a handicap wheelchair van that will allow Lilyana to drive her wheelchair up into it and she will be able to sit right in the van securely strapped in. We are asking for your help in purchasing this vehicle so she can have independence everywhere she goes. Making this purchase for her would give her so much more she would be able to go to friends house and play outside with them, go to doctor appointments, go to a store, go to a park, go anywhere she would like without having me pushing her in her manual chair.

*Thank you for your time and donation.*

# SPEAK OUT!!!

The Mount Morris Shopper feels that everyone has a right to be heard (or read, in this case) so we are offering this page each week (space permitting) for our readers to share their ideas, views, feelings or whatever. Realizing that everyone cannot AFFORD to pay for this privilege, the Mount Morris Shopper is offering this page as a FREE Public Service for articles or letters sent in for publication. All letters submitted must be signed with the name, address and phone number of the author. Please make letters as brief as possible.

Dear "Speakout,"

I want to congratulate all women on the 100th Anniversary of your right to vote. August 2020 is "**Women's Suffrage Centennial**" and "**National Women's History**" month.

The 19th Amendment to the United States Constitution was ratified on Wednesday, August 18, 1920, and prohibited the states and federal governments from prohibiting the right to vote to any citizen of the United States of America on the basis of sex.

I will attempt to include all the women who were prominent in Livingston County in alphabetical order.

**Mary Jemison** (1743-1833) She and her family were attacked by French soldiers and Shawnee Indians on April 5, 1758, in the Buchanan Valley near Gettysburg, Pennsylvania. Her family was murdered and she was taken captive to Fort Duquesne, now Pittsburg. She was adopted by two Seneca women and later married a Delaware Indian named "Sheinga" and moved into the area which is today Letchworth State Park. She was given the Seneca name Deh-ge-wa-nus meaning TWO VOICES. She was later called the White Woman of the Genesee by white settlers.

**Mary Kennedy** (1825-1905) She was born at Squawkie Hill and her people were sent to the Buffalo Creek Reservation and a few years later to the Cattaraugus Reservation. She was the last of the full-blood Squawkia Indian tribe.

**Sara Jane McBride** (1844-?) She grew up along the banks of Caledonia Creek which is now known as Spring Creek. Sarah's father made and sold lures for fly fisherman and Mary succeeded her father in the business when he died in 1875. She wrote "Beside the Singing Stream" and the "Etymology of Fly Fisherman".

**Eleanor Shaw Smith Fraser** (1868-1948) She lived with her sister at 22 Main Street in Geneseo in the first half of the 20th century. Both were involved in the highest levels of the state, national and international suffrage and temperance organizations. They were inspired by their aunt the Reverend Dr. Anna Howard Shaw who took her two nieces under her wing after their mother died.

**Harriet Lee Saltonstall Gratwick** (1907-1999) She moved to Linwood Gardens in 1934 which was her husband Bill Gratwick's family summer home. Both she and Bill were active in community theater and music productions through the Linwood Grange. Harriet attended the Eastman School of Music for conducting and later opened the Linwood Music School in 1948. The summer programs operated on the Gratwick property until 1963. Harriet also helped establish the York Opera Company in 1948 and the Rochester Zen Center in 1966.

**Mary Seymour Howell** (1844-1913) She was born in Mount Morris and grew up at 2 State Street. She was educated at the Genesee Wesleyan Seminary and taught at the Mount Morris Academy as a young woman. She became well known in literary and social circles and for her involvement in woman suffrage. She continued to be at the forefront of the women's suffrage movement until her death in 1913 only four years before the passage of woman's suffrage in New York State in 1917.

**PLEASE REGISTER AND VOTE!!!**

Please don't neglect your right to vote as your vote could be the decisive vote that determines our next President. Lord willing we will study many more wonderful women next week.

Ron Powell  
Nunda

Dear "Speakout,"

On late Tuesday afternoon, August fourth, I was walking home from work. As usual, I stopped in front of the Mount Morris Library to cross the street. Cars in both lanes (left hand side of road) stopped and waited for me to pass. (Please note that there is a pylon standing in the street that reads: "State Law - stop for pedestrians within crosswalk)."

In back of the first vehicle in the right hand lane was a Mount Morris police car. As this flotilla of cars waited, a huge truck came barreling down the road from the opposite direction. The driver did not stop; he kept hurling ahead. The officer quickly turned the patrol car around, engaged flashing lights and pursued the truck driver. I extend thanks to this officer, whose identity I don't know.

I cross this street daily; on countless occasions cars and trucks have whooshed by carelessly, oblivious to the presence of the woman standing on the curb.

All residents of Mount Morris must be aware that **cars/trucks will not automatically stop for pedestrians, pylon or no pylon.** Some will. Many won't.

**PLEASE!** Don't step into the road unless you're certain that drivers have come to a full halt to allow you to walk safely across the street. **Your life is at stake!**

Installation of a traffic light in front of the Mount Morris Library would protect vulnerable pedestrians. As a taxpayer, I believe this is a project well worth funding.

Victoria Adonnino  
Mount Morris

# Positively Keshequa

## KPTSA Window Decorating Contest #2

One of the main goals of the Keshequa PTSA (Parent Teacher Student Association) is to make every child's potential a reality. During the 2019-2020 school year, some of the events we hosted highlighted this belief. These events included the Fall Trunk or Treat, which drew over 250 children and their families, a Book Fair to get books in the hands of students and classrooms, and a Wellness Fair/Family Fun Night to provide kids activities while connecting community members with local wellness providers/programs. Promoting community connection is part of our effort to support the children of our school district.

Keshequa PTSA (Parent Teacher Student Association) recently held a door/window decorating contest for Keshequa students in Grades PreK through 11 from May 31-June 5, 2020. We asked students to decorate their door/window with Keshequa symbols, gear, any extracurriculars, hobbies, etc., then send pictures to the PTSA Facebook page ([https://www.facebook.com/pg/Keshequa-Central-School-PTSA-2094474044198934/posts/?ref=page\\_internal](https://www.facebook.com/pg/Keshequa-Central-School-PTSA-2094474044198934/posts/?ref=page_internal)).

The Keshequa PTSA was able to give gift cards for 1st (\$80 from the Whistling Farmer Farmer Pub), 2nd (\$50 from Charcoal Corral), 3rd (\$30 from Doughboys), and 4th place (\$20 from Ciraulos Deli) in categories of Most Likes.

The PTSA Committee members also voted on a winner for Most Creative for a Gift Certificate for Kish-a-wa Creamery. The doors and windows that were submitted were amazingly creative, and showed a lot of school spirit.

The idea for the door/window decorating contest started with the Keshequa PTSA discussing ways to help students and the community while being isolated due to Covid-19. As the weeks of isolation continued, we wanted to do something to provide entertainment and encourage community connection and camaraderie.

We started with sponsoring a door/window decorating contest honoring the Seniors specifically as an opportunity to recognize their achievements, then wanted to offer the same opportunity to the younger students as well.

We wanted community members to see the pictures and look for the doors and windows while driving around the district in an effort to encourage community engagement. This worked so well that we had a total of 760 votes!

There was a lot of creativity in these projects and it was great to see so much community support!

Keshequa PTSA is grateful to The Whistling Farmer Pub, Doughboys, and Kish-a-wa Creamery for their donations, and to all of the community members who helped to get the word out and encourage the students of Keshequa School District. Many people took the time to leave encouraging and supportive comments for the students who decorated, further establishing the community connection.

*We are blessed to be part of this community where people see the importance of encouraging our children's potential. Anyone interested in joining Keshequa PTSA can learn more by emailing [KeshequaPTSA@gmail.com](mailto:KeshequaPTSA@gmail.com) or visiting us on Facebook at Keshequa Central School PTSA.*

### GRAVEL FOR SALE:

Crushed gravel, bank run gravel, field stone. Trucking available. Wilson Dairy Farms, Canaseraga Road, Dansville. Call 607-382-3342.

**Call 811:** We work diligently to meet the needs of our communities while keeping everyone safe. However, every year, there are dozens of incidents involving third-party damage to our underground natural gas and electric facilities. These incidents can put people's lives in danger, are costly and can interrupt essential utility services. If you're planning an outdoor project that involves digging, please be sure to call 811 to have all underground utilities marked. The marking service is free, and requesting it is only a phone call away. You can also enter a request for this free service online. Contact Dig Safely New York by calling 811 or entering a ticket online at least two (but not more than 10) working days before you start your digging project. Remember, it's free, it's easy, and it's the law!

**RADON** is a cancer-causing radioactive gas that you cannot see, smell or taste. Radon is produced in the soil and moves upward to enter your home through the foundation or with groundwater from a well. The only way to know if you are at risk is to have your home tested for the presence of radon. The Livingston County Department of Health recommends that all households be tested for radon levels, and can provide free radon test kits to Livingston County residents who own a home. For more information on radon or to request a radon test kit, please call 243-7280.

## Nothing is Hopeless for Jesus

(see Matt 8:2,3)

One day a man with leprosy came to Jesus. He knew the chances of the leprosy just going away were slim to none. That kind of thing just never happened. He had heard about how Jesus had healed many, and so he came to Jesus, figuring this to be his last chance for healing. As he approached Jesus, he wasn't sure Jesus would do anything. The leper bowed down, worshipping Jesus and said to Him "if You are willing, You can cleanse me by curing me." Jesus was moved with compassion, reached out and touched the leper and said, "I am willing; be cleansed by being cured."

If your hope of getting well is gone; if the doctors have done all they can do and you are no better, come to Jesus. He is your healer.

We want to bring the love and power of Jesus to you in your time of need. **Give us a call.**

Jump start your career or find a new one! Visit our website [careertraining.ed2go.com/bestcenter.org](http://careertraining.ed2go.com/bestcenter.org) for program details!

## DRIVING PROGRAMS

**Driver Pre-Licensing**

The BEST Center has a limited number of Driver Pre-Licensing dates available! Our Driver Pre-Licensing program is the New York State required 5-hour course mandatory for anyone signing up for a NYS road test. It will include defensive driving techniques, safety belt requirements and new laws affecting drivers who drink. Students will receive the MV-278 certificate upon completion. Students must have a valid NYS driver's permit. Space is LIMITED! Pre-Registration and full payment is required to attend this course. No walk-ins will be permitted. Register online or by calling 585-345-6868.

**Defensive Driving Online**

Our Defensive Driving course provides insurance and point-reduction benefits – in our classroom or online – the choice is yours! You may receive up to a four-point reduction on your driving record and a minimum 10% reduction in the base rate of your automobile and motorcycle liability and collision insurance premiums each year for three years. Points remain on your record but are not counted in determining administrative actions. To receive lower insurance rates, you must be listed as the principal operator of the vehicle. To enroll in our National Safety Council ONLINE course visit [www.bestcenter.org](http://www.bestcenter.org) and click on the Driving Programs tab at the top of the page. Use **Referral Code NY5** to receive a \$5 discount. Point and insurance reduction benefits are also provided through the online program. The National Safety Council is the sponsoring agency for this course.

Genesee Community College is an equal opportunity/affirmative action institution.

## National Immunization Awareness Month

August is National Immunization Awareness Month (NIAM). This annual observance highlights the importance of getting recommended vaccines throughout your life. You have the power to protect yourself and your family against serious diseases like whooping cough, cancers caused by HPV, influenza and pneumonia through on-time vaccination.

Vaccines affect the entire community by breaking down herd immunity. Herd immunity, or community immunity, is when a large percentage of the population is vaccinated and protects the entire community - those who are vaccinated and those who cannot be vaccinated. When a family chooses not to vaccinate, they not only put their children at risk of vaccine preventable disease but they also put others at risk.

During NIAM, the Livingston County Department of Health encourages you talk to your doctor, nurse, or other healthcare professional to ensure your children are up-to-date on recommended vaccines.

We also encourage you to visit CDC's Interactive Vaccine Guide at <https://www.cdc.gov/vaccines/growing/>, which provides information on the vaccines recommended for women during pregnancy and throughout your child's life.

The Livingston County Health Department offers immunizations. Please call the Livingston County Department of Health at 243-7299 to make an appointment. If you have any questions about immunizations please contact your health care provider or call the Department of Health.

## Sun Safety for the Summer Months

Sunburns and tans are a result of too much exposure to ultraviolet (UV) radiation (rays) from the sun. Even when a sunburn or tan fades, the damage caused to skin cells does not, and the effects cannot be reversed. These effects include skin cancer and early aging of the skin (wrinkles, age spots, etc.).

Exposure to the sun's rays happens when you're doing everyday things like biking, gardening, and walking. People who have jobs that require them to work outside are more likely than anybody else to get skin cancer.

There are three skin cancers that are most common and include basal cell, squamous, and melanoma. About 90% of skin cancers are the result of too much exposure to ultraviolet (UV) rays. UV exposure adds up over time, increasing the risk of developing skin cancer, so sun protection should start at an early age. Here are a few ways to stay sun safe:

- ☼ Wear long-sleeved shirts, pants, and a wide-brimmed hat to get the best protection. If you're wearing a baseball cap or short-sleeved shirt, make sure to put sunscreen on your ears, neck, and arms.
- ☼ Stay in the shade as much as possible between 10 a.m. and 4 p.m., which are peak times for sunlight.
- ☼ Use a broad-spectrum sunscreen of at least SPF 15 on any exposed skin. Apply the sunscreen to dry skin 15-30 minutes before going outdoors and re-apply it every two hours, as well as after swimming, sweating, or toweling off.
- ☼ Wear extra sun protective clothing around surfaces like snow, sand, water, and concrete that reflect the sun's rays and could increase your risk of sunburn.
- ☼ If you work outdoors, ask about sun protection at your job, like wearing sun-protective clothing.
- ☼ Follow these tips on cloudy days too! Clouds do not block most UV rays.
- ☼ Avoid indoor tanning.

For questions, or more information about how to stay safe in the sun, please call the Livingston County Department of Health at 243-7299.

# ARE YOU RECEIVING

## your MOUNT MORRIS SHOPPER

### ...Every Week?

Your shopper does not go on vacation. You should have your shopper each and every week.

### ...On Time?
