Re-Elect JOHNNY COOK

CULLMAN CITY COUNCIL - PLACE 3

PD POL AD BY COOK FOR COUNCIL 1806 WAYNE AV NW, CULLMAN, AL 35055

The safety and security of Cullman's roads and infrastructure are always on my mind, and we've made some great changes

Over the past 4 years... instead of contracting out of town companies to fix roads and sewers, we invested in the equipment needed to do it ourselves, saving money and employing people who live in Cullman.

We recently bought a horizontal boring and pipe bursting machine to help us keep from having to dig up roads when pipe crossings go under roads.

We also purchased a milling machine and paving machine, so not only will our employees be trained to use this equipment, we're going to save this town a lot of money in the long run.

I'm happy to report that Cullman's Street, Sanitation and Water & Sewer facilities are current and up to date and constructed that much needed Fire Station #3.

Please adhere to social distancing guidelines. For everyone's safety. Thank you.

"Nearly \$30 million generated in sales and property tax for the City Schools. The lowest unemployment rate in Cullman's history. Over \$425 million in capital investment from new and expanding industry. 1800 NEW jobs created in the last four years. More paved City streets in the last four years than ever before and the HWY 157 expansion. Sound like a successful town? That's because it is; that's because it's Cullman. These are just a few notable achievements under Mayor Woody Jacobs. Let's keep the progress train rolling. Let's keep winning with Woody."
