RE-ELECT

Woody JACOBS

MAYOR

**Vote for Woody on
Tuesday, August 25th**

My beliefs have always been compassion and hard work. That is how success is grown, nurtured, and cultivated. I will run on my character and my record - for in the end, that is all we have to stand on. The last four years can speak for themselves. I have been blessed to have been a part of this community for all of my 64 years on this Earth. God has given me this opportunity to use as I will. My daily prayer is that I never waste such a precious opportunity because we can never have yesterday back. I will strive to continue to serve the people of Cullman in making the community better each day I serve - to do less would be a failure, and I will not accept failure. To have your vote, your support, and your input thereafter is what I humbly ask for. You are my reason to serve. You are my reason to work harder. And, you are the reason Cullman is special. On this coming Tuesday, August 25th, I am asking for your vote. Choose EXPERIENCE. Choose RESULTS. Choose CULLMAN.

Re-Elect Charles Wilson

Hanceville City Council • PLACE #4

Serving You For Hanceville's Future

I am Charles Wilson and ask for your support to re-elect me to Hanceville City Council, Place #4. I am currently serving a third term on the City Council and I am on the board of directors of Hanceville Volunteer Fire and Rescue, Hanceville Quarterback Club, Hanceville Historic Preservation Group and Hanceville Water and Sewer Board. I am also a member of Hanceville Historic Commission.

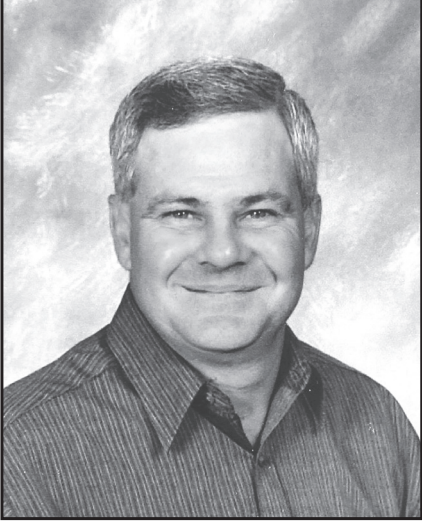

I have completed 30 credit hours in planning and zoning at UNA and I am an Advanced Certified Municipal Official awarded by the Alabama League of Municipalities.

While serving on the water and sewer board we were able to lift a consent decree and moratorium as imposed by ADEM thereby enabling more customers to be added to the system. The Hanceville sewer system is the only plant in the state of Alabama to install solar panels which saves the system approximately 50% in electrical cost. Through conservative spending efforts of the board, the citizens of Hanceville have the least expensive water and sewer rates in Cullman County.

I have been a resident of Hanceville 29 years and retired from Burlington-Northern, Sante Fe Railroad after 41 years of service. I served in the U.S. Army.

I respectfully ask for your vote on August 25th for the Hanceville City Council, Place #4. If you have questions. I am always available at - (256) 590-7558.

★★★ CURTIS JOHNSON
MAYOR
Town of Colony

My name is Curtis Johnson.

I am a candidate seeking the office of Mayor in the town of Colony, Alabama. I am a lifelong resident of the town of Colony. I graduated from high school, then served in the military. I am a Vietnam veteran.

On September 21, 2020 it will be 39 years since Colony was incorporated. Our town has accomplished many projects since 1981.

If I am elected as your Mayor, I will talk to, and LISTEN to the citizens of Colony, both old and young. My goal is to be on good terms with the younger generation and encourage them to be involved in our community. They should begin to prepare to be our future leaders.

If I am elected, I will work to get the equipment that our town needs to take care of some things ourselves. Yes, it is true that our town needs more revenue. If elected, I will look into all the businesses to find the right ones that will be beneficial to our town.

SHOP TODAY'S LOW PRICE TAGS: We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

NO LIMITS: Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.
