PRESENTS

TALK OF THE TOWN 2020

CONGRATULATIONS TO ALL!

CONGRATULATIONS

Our readers have honored and elected the businesses and people listed on these pages as their Talk of the Town favorites in Delaware County.

During this past June and July, our readers voted for their favorite places to shop and dine. They voted for their favorite retail stores, service businesses, medical providers, entertainment venues and much more. Readers voted entirely online this year as we continued to work around the pandemic.

It is important to keep in mind that more than one business can be elected in a category. This method recognizes this is not just a 'best of' election. Our readers have told us that more than one business has demonstrated that they deserve the recognition of being a Talk of the Town Honoree.

The favorites listed on these pages served our readers in an exemplary manner, distinguishing themselves from their competitors by their excellence. Being chosen a Talk of the Town choice is the highest compliment a business can be paid.
