SPEAK OUT

Dear "Speak Out,"

I really enjoy seeing the mural at the southwest corner of Main and Chapel Streets in the Village of Mount Morris that reads "one nation indivisible". This is part of the original Pledge of Allegiance written by Francis Julius Bellamy of Mount Morris.

As an extremely patriotic American that is what I want most. During deliberations in the Second Continental Congress in the summer of 1787, the representatives from each state struggled to arrive at the content and the wording of our wonderful United States Constitution. Each state representative proposed wording which would best benefit the citizens of their individual states. After many days it was apparent that they were at an impasse. The wise elder statesman, Benjamin Franklin, addressed the convention on Thursday, June 28, 1787, with a suggestion: "I have lived, Sir, a long time and the longer I live, the more convincing proofs I see of this truth -- that God governs in the affairs of men... We shall be divided by our little partial local interests; our projects will be confounded, and we ourselves shall become a reproach and a bye word down to future age... I therefore beg leave to move -- that henceforth prayers imploring the assistance of Heaven, and its blessings on our deliberations, be held in this Assembly every morning before we proceed to business." This is just an excerpt of this significant speech.

The convention was adjourned to provide a time for the members to reflect and pray to God. When the members returned, the President of the Convention, George Washington, commented that the change in the members was nothing short of a miracle. As prayer was offered to God each day before any deliberations were undertaken, the members began to agree.

We owe their prayers to God for our wonderful constitution. Because some issues, such as slavery, were not addressed, it was eventually necessary to fight our terrible and bloody Civil War. Before the Civil War began, Abraham Lincoln, stated in his speech on Wednesday, June 16, 1858, "A house divided against itself, cannot stand." He recognized that a country in which severe divisions exist at its core cannot continue indefinitely.

You are probably asking what does this have to do with us now. As I have watched the impasse between the White House, the United States House of Representatives and the United States Senate on the passing of legislation so important to our country, I was reminded of Benjamin Franklin's call to prayer back then. I write letters very frequently to our local, county, state and federal elected officials expressing concerns which I have.

I have written letters recently to the President, Vice-President, both our United States Senators, our United States Congressman, the Majority Leader of the United States Senate, the Speaker of the House of Representatives, the White House Chief of Staff, the Secretary of the Treasury and both the Chaplain of the United States Senate and the Chaplain of the House of Representatives expressing my concerns about these divisions. I would encourage each and every citizen of the United States of America to become involved in the direction in which our wonderful country is headed while we still have a free republic.

GOOD NEWS

*"As cold water is to a weary soul,
so is good news from a far country."*

Proverbs 25:25

Over 2,000 years ago, Jesus came to earth, into a world much like ours today – protests, violence, murders, crime, discrimination of various kinds, and all manner of illness and sickness. Jesus brought good news to a world that cried out for it. Matt 9:35 says, "Jesus went throughout all the towns and villages, teaching . . . and proclaiming the good news of the kingdom and healing every disease and sickness."

At Healing Rooms on the Genesee, we bring that same good news to those in need. We follow Jesus' direction in Mark 16, to "Go into all the world and preach the good news . . . and these signs shall follow those who believe . . . they will lay hands on the sick and they will recover."

We have seen many healed who were sick when we obeyed Jesus. We love praying for the sick and bringing the good news of the kingdom to those in need. Give us a call and we will come and pray for you.

Childhood Obesity affects about 1 in 5 children in the United States. Many things can play a role in childhood obesity rates. Getting 60 minutes of physical activity, eating healthy foods like fruits and vegetables, drinking water instead of sugary beverages, and getting adequate sleep can help keep your child at a healthy weight. On Tuesday, Sept. 15th
VOTE YES
to put
SAFETY 1st

On Tuesday, September 15th, residents of the Town and Village of Mount Morris will vote to decide whether to create the Mount Morris Fire District. This new Fire District would be responsible for handling all fire protection services in the Town and Village.

Currently, the Mount Morris Fire Department is responsible for fire protection services. The Village Government operates the Fire Department (funded by Village taxpayers) and then contracts with Town Government (funded by Town taxpayers) to pay for the service between both municipalities. The cost split between the Town and Village varies significantly from year to year. That means that Town and Village taxpayers aren't paying the same amount for the same service, which just isn't fair.

The current year-to-year fluctuations can create the need for the Town and Village to make significant changes to your property tax rate. It just doesn't make sense to continue in this haphazard way when it comes to something as essential as protecting our communities' families.

If we **VOTE YES** to create the new Fire District, there will be more stability and the tax rate will be fair for all Town and Village taxpayers. The Town and Village will be able to reduce taxes because they won't have to contract for fire protection services anymore, and the new Fire District will be able to implement smart and fiscally responsible long-range planning for capital items (like fire trucks and other needed equipment).

If we **VOTE YES**, we will vote to directly elect volunteer (unpaid) Fire Commissioners to manage the Fire District. If they do a good job, we re-elect them. If they do a bad job, we can vote them out. The important thing is that **WE THE VOTERS** have the final say in directly holding them accountable.

Most importantly, if you VOTE YES, you will help ensure that our community is safe and protected in the event of an emergency.

September is National Childhood Obesity Month

Mount Morris, NY, September 1, 2020 – Did you know that about 1 in 5 children in the United States are obese? National Childhood Obesity Month provides tips for all of us to learn more about this serious health condition. While the solution is not simple, there are many ways that we can support children with their journey to good health.

Many things play a role in childhood obesity, including eating, physical activity, genetics, metabolism, family and home environment, and community and social factors. For some children and families, obesity may be influenced by the following:

- Too much time spent being inactive
- Lack of sleep.
- Lack of places to go in the community to get physical activity.
- Easy access to inexpensive, high calorie foods and sugary beverages.
- Lack of access to affordable, healthier foods. Parents and caregivers can help prevent obesity and support healthy growth by doing a few things:
- Be aware of your child's growth.
- Provide healthful foods like fruits & vegetables.
- Promote water as the best drink choice and always have it available.
- Be sure children are active and get at least 60 minutes of physical activity each day.
- Teach your child healthy sleep habits like regular bed times, removing electronic devices from the bedroom, and keeping the bedroom dark and cool.
- Be a role model to your child by showing them you care about your health.

We all have an important part in the effort to reduce childhood obesity. For more information on what you can do, or how to help in the community, please contact the Livingston County Department of Health at 243-7299 or click here: <http://bit.ly/LivCountyDOH>.

For more information regarding the Be Well in Livingston initiative, please visit www.gvhp.org.

Suicide and Overdose Awareness

Virtual Candlelight Vigil

The Livingston County Suicide Prevention Task Force and CASA-Trinity, Inc. are hosting a virtual candlelight vigil via Zoom to coincide with two global events – World Suicide Prevention Day and International Overdose Awareness Day. The virtual event will honor loved ones lost to suicide and overdose. It will include conversation, guest speakers, testimonials and more. Details are provided below:

6th Annual Candlelight Vigil Thursday, September 10, 2020 6:30–7:30PM

****we ask that you turn your porch lights on at 7:30PM in remembrance of those lost to suicide and overdose****

The virtual event will be posted to Facebook Live to help show and promote awareness around a cause that impacts so many. Please be sure to “like” the Livingston County NY Suicide Prevention Task Force on Facebook so you do not miss a thing.

Lynne Mignemi, Director of the Livingston County Probation Department and Chairperson of the Livingston County Suicide Prevention Task Force, said, “We want the community to know that we care deeply about the loss of loved ones to suicide and overdose. Those left behind often suffer in silence. They need support, an opportunity to openly mourn, and hope. The vigil provides a way to do that without stigma.”

The Livingston County Suicide Prevention Task Force remains concerned and focused on the impact of the current pandemic on the mental health of children and adults. If you are struggling, please reach out to NY Project HOPE at 1-844-863-9314 between 8AM and 10PM, 7 days per week. This emotional support line is free, confidential and anonymous.

Heroism - Bravery - Professionalism

At the Board of Supervisors meeting on August 26, 2020, the Livingston County Sheriff's Office was recognized for its heroism, bravery and professionalism during a perilous incident in late May 2020.

On May 27th, a tractor trailer driver was stopped for speeding in the Village of LeRoy, Genesee County. During the stop, the driver refused to follow directions from law enforcement and pulled away, sparking a multi-county police chase. In the course of the incident, the driver, later found to be an "anti-police extremist," fired at least twenty-four rounds at law enforcement and rammed at least four police cars. Four police cars were struck with gunfire, including a Livingston County Sheriff's car that was hit with nine bullets.

Nearly an hour and fifteen minutes after the traffic stop, deputies declared the driver in custody. It is a true miracle – given the chaotic and dangerous circumstances of the pursuit – that there were no injuries to officers or civilians with the exception of the driver. Based upon items recovered during the investigation that followed the chase, including improvised explosive devices and assault rifles, it is clear that this individual was planning a larger, more threatening attack and the intervention of law enforcement undoubtedly saved human life.

During the course of this incident, despite being the target of senseless acts of violence, members of law enforcement, including those from the Livingston County Sheriff's Office, bravely continued to meet the call of duty in order to ensure the safety and security of the general public.

David L. LeFeber, Chairman of the Livingston County Board of Supervisors, stated, "Today, let us recognize each and every member of the Livingston County Sheriff's Office for their courage, bravery and resolve in the face of extreme danger." LeFeber continued, "We commend our law enforcement officers for their dedication to public service and commitment to protecting our community."
