Dave, right, was presented with a commemorative certificate and ruby lapel pin by President, Brad Sanderson.

2015 marked Dave’s 40 year anniversary of membership to the National Association of REALTORS® and service to the real estate industry. Dave’s Emeritus status was approved by the National Association of REALTORS® at the organization’s National Convention & Trade Expo held in San Diego, California in November.

The Jessie James And The Outlaws Band

The Jessie James and The Outlaws Band will be playing at Table 316 in Arnolds Park Wednesday, February 24, 2016. The band is noted for playing classic country music tunes and their music is great for dancing, as they play a mixture of country swing, jitterbug, two-step, waltzes, and polkas. You can go out for the evening for dinner and then dance to some good old country music. Dinner starts at 6:00pm, and the dancing goes from 7:00 – 9:00pm.

There is no cover charge and the band plays for tips from the audience. What a reasonable “Night Out.” Check out Table 316 and Northwest Iowa’s “Most Wanted” country band – *Jessie James And The Outlaws*.

HAPPY BIRTHDAY

Celebrate Ma Umbriet's 94th Birthday!

Saturday, Feb. 27 at 6:30pm

Umbriet's U-Turn Bar & Museum

Faye is letting her off of bartending for one hour... what a nice son!

Birthday Announcement

Howard Wilson, of Milford, celebrated his 92nd birthday on February 24, 2016. Greetings can be sent to him at 1401 H Avenue, Apartment 108, Milford, Iowa 51351.

Tales Of Tails

The "tale" this week is of Hank, a large four-year old male American Staffordshire black and brown dog Whose master left the area and could not take his pet with him. Accustomed to having a loving master, Hank would be a perfect pet to fill the need of an owner wanting the health benefits of pet ownership.

The American Heart Association has linked the ownership of pets, especially dogs, with a reduced risk for heart disease and greater longevity. Plus pet owners over age 65 have 30% fewer doctor visits per year. Dog owners not only enjoy the love, playfulness, and joy dogs can bring to their lives, but also reap the following benefits:

- Dogs motivate owners to exercise.
- Dogs can improve overall health. Owners have less stress, anxiety, and depression with a greater sense of safety - all contributing to lower blood pressure.
- Dogs increase social interaction and reduce isolation.
- Dogs add structure, routine to your day.

When considering dog ownership simply remember the dog will be dependent on your devotion to his needs just as he is devoted to you for rescuing him!

Hank is a non-aggressive dog who was once well-loved. He may at first seem a little standoffish, for he misses his previous owner, but he soon warms up and, despite his size, loves to cuddle on the couch while watching TV. He also loves to play ball being very high-energy. He would keep a new owner active and involved - fulfilling the role of a dog providing health benefits for the owner who has rescued him!

Remember... "In a perfect world every animal would have a home, and every home would have a pet."

Call the Northwest Iowa Humane Society at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford - open Thursday through Sunday, noon to 6:00pm.

Okoboji heading to Jazz Championships

West Lyon and Okoboji high schools' jazz bands will be representing Northwest Iowa in Class 2A competition at the April 5th *Iowa Jazz Championships* after finishing first and second in the class in last week's district competition.

Okoboji placed second in last year's state competition.

Along with the 2A schools, the region will be represented by bands from South O'Brien and Kingsley - Pierson in Class 1A, Storm Lake and Le Mars, in Class 3A, and Sioux City's North and West high schools, in Class 4A.

Central Lyon is eligible for a wild card berth in Class 1A, as is Spirit Lake High School alum Corbet Butler's Alta - Aurelia, in Class 2A, and Harlan and Spencer, in Class 3A. Wild cards are based on other competitions.

While Spirit Lake's jazz band finished out of the running for this year's IJC, two SLHS musicians, alto saxophonist Brittany Lende and trumpet player Paige Pearson, earned Outstanding Musicianship awards in the district meet.

And two days after all the hullabaloo in Le Mars, Okoboji High School's *Boji Voices* earned a Division I rating at the Iowa High School Music Association Festival...

While we believe that Windom's Maria Schneider had three previous Grammy awards to her credit before last week's ceremonies, we know for sure that she and her band, *The Maria Schneider Orchestra*, earned two more for their late 2015 release of *The Thompson Fields* album, which recalls memories of her hometown.

The first award named *The Thompson Fields* the "Best Large Jazz Ensemble Album." The second was for "Best Arrangement, Instruments and Vocal," for the cut *Sue (Or in a Season of Crime)* recorded with the late David Bowie, who passed away shortly after the album was released. Maria said she, "will always deeply treasure working with David Bowie."

All the "I's are dotted and the "T's are crossed for the Jackson's *Rhythm of the River* FUNdraiser, Friday night, April 8, at the Little Swan Lake Winery. *Sounds of Spring* will feature the music of the South 71 Trio, from 7 - 10:00 that night, along with what we're told will be a delicious bison meal. More information, including tickets, should be available from Hanna Rossow, hrrfrossow@gmail.com

The *Rhythm of the River Music Festival*, in Jackson's Ashley Park, is July 8 and 9. Admission is free.

This week will see *Jessie James and the Outlaws* Table 316, in Arnolds Park, Wednesday night, from 7 - 9:00, and Debbie Ankeny and Mike Springer, *Beyond Blue*, at the Little Swan Lake Winery, just north of Superior, from 4 - 6:00, Sunday afternoon...

The Pearson Lakes Art Center has a special children's matinee set for 2:00, Saturday, when *Skippyjon Jones Snow What* will be staged in the Lauridsen Performing Arts Theatre. This is a musical featuring Jones as a Siamese cat who thinks he's a Mexican Chihuahua. The show is based on the book of the same name by Judy Schachner — and something of a twist on *Snow White*...

The PLAC will be hosting *Visual Melody* this Thursday night, from 5 - 9:00, in the Monte Pearson Gallery. This is a bit of a twist on the regular Thursday night open jam sessions, as it takes place amidst the work of artists Frederick Brown and Larry Rivers in a setting even more informal than Pomerantz Hall. All are invited to the free night, with or without your instruments...

Stagerat Stan tells us the PLAC is also considering an addition to it's April performance schedule, with a small — but fun — musical group from Minnesota. You might want to hold Thursday night, April 8, open on your calendar pending arrangements...

While mentioning anything to do with snow or cold is against our better judgment, research director RD has come up with the fact that Saturday is National Chili Day — a time to enjoy a bowl (or two) of an American staple while the weather is still cool.

RD also noted that Wednesday is Single-Tasking Day, as multi-tasking reduces productivity and increases stress. It's a day you can do only one thing at a time and not feel guilty when you tell your boss to "chill-out!" Here's hoping it works for you...

All the news that fits we print.

SHS Art And Literature Exhibit

It's that time of year again. Time to share the artistic talents of Spencer High School students with the citizens of Spencer and the surrounding area. The Spencer High School Art and Literature Exhibit runs from February 16 to March 26, and will be followed by an exhibit featuring students from Sioux Central, Clay Central Everly, and Okoboji High Schools.

This year's exhibit includes a colored pencil work by Natalie Jacobson, a Grant Wood Legacy Prize winner, one of three high-school aged, visual artists.. The Grant Wood Art Colony established the Grant Wood Legacy Prize in honor of Iowa's most famous artist's 125th birthday.

Another feature of the 2016 exhibit is some of the literary work of Spencer High School students: Lauren Hansen, Zoe Zahrt, Jack Winburn, Sophie Burger, Isabell Rydell. These writers were encouraged to enter their work in the Scholastic Writers competition by their teacher, Jan Myers.

The public reception for the Spencer High School Art and Literature Exhibit will be Tuesday, February 23, at Arts on Grand from 5:30pm to 7:30pm. The event is free and open to the public. Pizza and punch will be served.

Arts on Grand thanks the Farmers Trust and Savings Bank of Spencer for sponsoring the exhibit. The Farmers Bank has been very generous to support school art exhibits for many years. It is a great way to support the art and culture of Spencer.

Obituaries

A funeral service for **Ron “Boots” Booton**, age 78, of Arnolds Park, was held Thursday, February 18, 2016, at Good News Community Church in Okoboji. Burial will be at Lakeview Gardens at a later date.

Ronald Dean Booton, the son of Leslie Albertus Booton, Sr. and Leona Mae Webber, was born June 11, 1937, in Spirit Lake, Iowa. After Ron graduated from Spirit Lake High School in 1955, he enlisted in the United States Army and was honorably discharged in 1958.

On November 28, 1959, Ron was united in marriage to Lorene (Enie) Faye Harmelink. They made their home in Milford until moving to Arnolds Park, Iowa in 1998. Ron worked as a printer at the Spirit Lake Beacon and Milford Mail, then went to the Lakes News Shopper as an advertising salesman. In his spare time Boots enjoyed working as a volunteer dishwasher at O’Farrell Sisters Restaurant. After retiring in 1999, Ron was employed by the Dickinson County Conservation District. He was a member of the Milford City Council, Milford Fire Department, American Legion, and Arnolds Park Zoning Commission.

Ron was a passionate golf ball hunter collecting over 30,000 golf balls, hand washing each one. He was a lifetime supporter of Milford/Okoboji athletics. Ron and Enie were honored as Grand Marshals in the 2006 Pioneer Days Parade. Ron was an avid bicyclist, riding in three RAGBRAIs. Boots also enjoyed going to many different casinos with his wife, Enie. Papa Ron’s greatest joy was watching his grandchildren’s activities and spending time with his family.

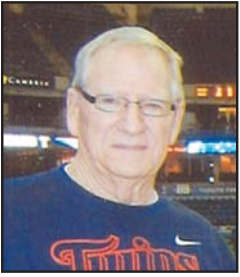

Ron passed away February 13, 2016, at Spencer Municipal Hospital at seventy-eight years of age.

He is survived by his wife, Lorene (Enie) Booton of Arnolds Park; son, Kirby (Angie) Booton of Mt. Pleasant; daughter, Kristi (Jim) O’Neill of Delano, Minnesota; six grandchildren, Natalie and Haley Booton, Riley Larson, Keegan, Terron and Kallon O’Neill; three great-grandchildren, Cayden, Nolen and Grayson; brother, Leslie Junior Booton of Milford; sister, Barb Dickinson of Spirit Lake and numerous nieces and nephews.

Ron was preceded in death by his parents; sister, JoAnne Booton Hansen and brother-in-law, Wayne Hansen.

Boots had a gift of gab and never said a bad word about anyone. With Boots there were no strangers, just friends he hadn’t yet met. Memorials will be given to Okoboji Wrestling Program, Okoboji Cycling Classic Campus Ride, Dickinson County Nature Center and Spencer Municipal Hospice.

Turner Jenness Funeral Home was in charge of arrangements.

Obituaries

James William Eckard, the son of Ralph Lester Eckard and Mamie Bell (Shockey) Eckard, was born on August 19, 1925, at their home in rural Milford. He passed away February 14, 2016, at Avera Holy Family Hospital at the age of 90.

Jim attended school in a one-room country school house in Westport Township by Milford (now a museum on display at Kenue Park in Okoboji, Iowa. He served in the United States Navy from August 1943 through March 1946 during WWII. He was a Third Class Petty Officer on the USS Kadashan Bay CVE76 Aircraft Carrier, which luckily survived a kamikaze hit in 1945. Jim spent 26 months aboard the Kadashan Bay, grounded only when it was being patched from the attack. After the war ended and Jim had received his honorable discharge papers, he worked part-time as a hired hand for multiple farmers in Dickinson County. He was later hired by Bill Ramsey, where he worked for 3 years. Jim was united in marriage to Betty Lou Rausch on February 12, 1949, in Estherville, Iowa. They farmed from 1950 to 1988, and moved in to the town of Estherville in October 2011.

He was a member of the United Methodist Church in Estherville. Jim served as a school board member of the last rural school near Estherville - Emmet Consolidated School; served as president of the Estherville Rural Electric Company later taken over by DEK Rural Electric. He also served many years as a board member of the Estherville Saddle Club.

When asked about his favorite lifetime activities, he listed farming first! He had a passion for horses and mules, and enjoyed dancing and roller skating in his early years, traveling with Betty (in those rare moments when he took time to go) and working on jigsaw puzzles in his later years. Jim was a kind, honest, gentle man who loved to reminisce and spend time with his family. When he wasn’t actively farming he enjoyed watching the fields being tilled, the crops grow and the harvesting. After retirement in 1989, he worked for Melvin and Jane Hermesen getting the crops planted and harvested. He thoroughly enjoyed those long spring and fall days, in which he said “I am having all the fun of farming with none of the stress.” His last harvest was at age 85 years old. Jim continued to live in his own home and drove his car to visit family and friends right up until the end of his life. It was not uncommon to see him attempting to mow his lawn with the neighbors gathered around him talking and joking.

Left to cherish Jim’s memory are: four daughters – Judy Grethen and her husband Roger of Estherville; Diana Olson and her husband Dave of Outing, MN; Donna Lauritsen and her husband Gary of Estherville; Joan Eveleth and her husband Mitch of Estherville; grandchildren – Jennifer Best (Jason) of Davenport, IA; Kristi Rose (Scott) of Pella, IA; Kurtis Moeding (Marilee) of Mason City, IA; Ashley Moeding (Mahon Wise) of West Des Moines; Michael Olson of Emily MN; Matthew Olson (Amanda) of Minnetonka, MN; Marcus Olson (Rachel) of Ashville, NC; Brian Lauritsen of Estherville; Sarah Lauritsen of Barboursville, WV; and great-grandchildren – Tyler Best, Daniel and Katy Rose, Alex Lauritsen, Micah Wise, Mason and Maddie Moeding; step-grandchildren – Angela Mannick (Ryan, Hailey and Cole), of Parker, CO; Christi Eveleth of Chandler, Arizona; and one sister-in-law – Mary Eckard of Roseburg, OR.

He was preceded in death by his parents; wife, Betty; 5 brothers – Earl, Harold, George (in a fire as a child), Raymond, Ralph Jr.; and 2 sisters: Violet (Benzkofer) and Anne May (in a fire as a child).

Farm Market News *By Mike Miller*

Located at Dickinson Co. Fairgrounds
15th Street & Peoria Avenue, Spirit Lake, IA 51360

Sap Runs Up The Trees

Welcome to Farm Market News. Right this second, the maple "sugar bushes" around the country collect the sap for maple syrup. The sap on the maple trees and larger trees in general are beginning to run up the trunks to the branches after a long hibernation. These are the last throes of winter and if you are getting restless, you are not alone. These weeks of winter are the root of "cabin fever" using the idiomatic term for claustrophobic behavior describing extreme irritability and restlessness. A known cure for "cabin fever" is pancakes and maple syrup. Another cure is walking on the trails looking for antlers shed from male deer. Also looking forward and preparing for the spring is as a good way to cure the winter blues as any. I am just now waking up for the spring business that lies ahead.

Farm Market Meeting

Maybe you are interested in joining the farm market, well there will be a meeting on Tuesday evening March 29. It will take place at the Spirit Lake Library and all are welcome. That is the place to come up with a plan and get the advice you need for a successful season. Make no mistake, this is the time to get those plans on track. I am in Arnolds Park Library every Monday morning writing this piece and will be glad to show you the path. Or just contact Mike or Jan Koenecke, because they are the original gurus when it comes to farm marketing. Using the Koeneckes as a resource is the smart play. In closing, the market is there for the using and it is growing yearly. Until next week, *Eat Well!*

EPS Builds Idea Home For Home and Garden Show

Energy Panel Structures (EPS), headquartered in Graettinger, will be manufacturing and building the Idea Home for this year's Minneapolis Home and Garden Show.

The Idea Home project includes two homes. One is the barnHouse which is 26' x 38' and the second is the lightHouse, which is 12' x 25'. Both houses will be built entirely of structural insulated panels (SIPs). Visitors will enjoy seeing the unique features of both homes.

Within the barnHouse is a flexible SmartCore which contains nearly all necessary utilities for the home and can be built as a module within a factory setting. Surrounding this core are the kitchen, storage areas and bedroom. There is also an upper loft for the master bedroom featuring a walk-out balcony. The barnHouse has a projected HERS Index of 47 making it 53 percent more energy efficient than the standard, stick-built home. The HERS Index is a nationally recognized process for calculating the energy performance of a home. The lower the score, the more efficient the home is. It is estimated this home will save \$1713 in energy costs annually compared to an existing home.

The lightHouse represents an opportunity for a 300- square foot cabin retreat, urban accessory dwelling unit, pool house, or guest house that can be used as-is with minimal infrastructure.

Both homes will use 8-1/4" SIP walls with an R-value of 33 and 10-1/8" SIP roof panels with an R-value of 40 making them extremely energy efficient. For the first time at the convention center, both homes will offer a completely finished room structure. EPS crews will start construction on Sunday prior to the show. Because building with SIPs reduces labor, the structures should be complete by Monday. Finishing work, decorating and landscaping will continue until the show opens Friday, February 26.

"Like all homes manufactured by EPS, these homes will showcase the great performance of a home built with SIPs," said Chris Spaeth, VP of Sales and Marketing. "The show offers a chance for those considering new home construction to view the latest technology in home construction. More and more it is becoming important to consider the long-term performance of a home to take advantage of energy savings throughout the life of the home. This is a good learning opportunity to compare energy performance and to learn about the HERS Index, ENERGY STAR and R-Values."

The Home and Garden Show will be held at the Convention Center in Minneapolis February 26 through 28 and March 4 through 6.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

Iowans are reaping the benefits of low energy costs. Lower costs have been especially beneficial to those with lengthy work commutes and those in the agricultural sector. Likewise, lower fuel costs are particularly beneficial to those with fixed and low incomes. Every dollar saved eases the strain families face when balancing their budget.

Unfortunately, President Obama is seeking to end the benefits resulting from low energy costs. The president recently proposed a \$10 per barrel tax hike on crude oil. This translates to a \$5 increase every time we fill our gas tanks. While the tax will affect all Americans, the lower and working classes will bear the biggest burden. Moreover, agricultural and manufacturing communities will also be hit hard. In Iowa, farm and manufacturing vehicles require a great deal of fuel, and tax surges such as the one being proposed by the White House unfairly target core sectors of the Iowa economy.

We need to reform the tax code. However, pitting critical industries against one another is dangerous to national economic health, and damaging to hardworking Americans. Lawmakers must recognize the counter-productive nature of efforts to increase taxes exclusively on the oil and gas sector. We must work together to create a tax code that treats all sectors fairly.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

In regards to putting Endothall into the lake control the invasive weeds; Mike Hawkins states the herbicide is safe for swimmers and anglers. The content on the container reads do not swallow, do not get into eyes - could cause blindness, do not come into contact with the skin.

Maybe it is safer when diluted with lake water. We have three towns that get their drinking water from the lakes. Lower Gar Lake did not show any overflow at the tubes this summer where the tubes were placed to control the Asian Carp from entering the lakes. We too, had weeds in Lower Gar, some of the residents removed them by hand. There was a crew for hire that would remove them. Mr. Hawkins states these weeds are in the Mississippi River. Possibly the continual flow of the river keeps the weeds from clogging it. My point is: maybe there is a safer way to control this problem. This issue needs to be addressed. There is a meeting Tuesday night at 7:00pm, by the East Lake Okoboji Protective Association.

Thank you,
Judy Halling

TEAM H.E.L.P. (H-I-P-EARLY LITERACY PARTNERSHIP) is a project used to connect beginning readers in 1st grade with a reading buddy from 4th grade. Here first grader, Grady Hodgell, reads a book to his 4th grade buddy, Travis Luitjens. Thanks to a Dickinson County Endowment Grant the First Grade was able to purchase books, so each student can select books at their reading level.

Rankings For Best Online Colleges

Accredited Schools Online, org (ASO), a leading resource for online learning and college accreditation information, has released its annual rankings for the 2015-2016 Best Online Colleges in Minnesota. According to a recent study by the National Center for Education Statistics, 26 percent of students in Minnesota are enrolled in at least one distance learning course. Ranked schools meet a number of criteria and metrics, including: - Must offer an Associate's degree or higher - Must be a public or private, not-for-profit institution - Must offer at least one fully-online associate's degree program "We wanted to recognize schools, like MN West Community & Tech, that have made it a point to ensure the pinnacle of academic quality through accreditation" said Doug Jones, CEO and Founder of Accredited Schools Online. "These schools are not only offering exceptional programs, but they have expanded their program excellence to the much-desired online environment." Minnesota West Community & Technical College is ranked second amongst two-year colleges in the state of Minnesota for 2015-2016.

To the right of the logo is a photograph of a yellow construction vehicle, possibly a backhoe loader, with its bucket raised. Overlaid on the right side of the banner is the text 'BOMGAARS BUILDING CENTER' in white, all-caps, sans-serif font.
