First Commerce Bank Is Switching To CHIP BASED CARDS

Chip cards are being issued to our customers as their current debit card(s) expire. The new card will have an embedded chip that offers you advanced security. The good news for our cardholders is that the initial cards will have a chip and a magnetic stripe to accommodate any situation. If the merchant or ATM does not have an EMV/chip reader, you can complete your transaction with a magnetic stripe like before. Learn more at:

www.emv-connection.com/consumers

If the terminal is chip-enabled:

- ◆ It will prompt you to insert your card
- ◆ Follow the terminal prompts
- ◆ Leave the card in the reader until prompted to remove it

Growth Opportunity

Job Description

We have helped businesses develop marketing concepts for 37 years. Our new division, allySites, carries our traditional background and beliefs into the digital age. allySites has over 125 customers benefiting from its services in only a few years. allySites will be a market leader in the southeast for website and reputation management. You will help build a company within an established organization. This provides an exciting growth opportunity combined with the stability of a successful company.

Small, medium and large businesses need direction when it comes to website development. They don't have time to worry about changes in technology. They need the ability to quickly update their website on a regular basis. Our software, which is SaaS, allows them to accomplish those tasks at a very low cost. Our customers depend on us to simplify the constant digital changes associated with website and review management.

A background in marketing and sales will benefit you in this job. allySites initial full team will consist of 9 sales representatives, 3 customer care members, 1 technical specialist and 1 manager. Contact us if you would enjoy a fast pace environment helping businesses succeed online. We value great customer service and a relentless pursuit to achieve a higher level of success.
