***SEPTEMBER 15-16-17: Mount Morris Healthy Food Pantry**, 102 Main Street, Mount Morris - **OPEN** Tuesday, 9 AM-12 Noon; Wednesday 1-3 PM; Thursday 9 AM-12 Noon. Prepackaged Food Only. Some deliveries possible, Dansville area too. Call 658-4466 or visit our website: www.aboutcllc.org/services/emergency-assistance/food-pantry/

SEPTEMBER 14 & 15: Three Community Blood Drives! Monday, 2-7 PM at *Livingston County Government Center*, 6 Courty Street, Geneseo; Tuesday, 11 AM-4 PM at the *Interfaith Center*, 11 Franklin Street, SUNY Geneseo AND Tuesdsay, 11 AM-4 PM at *MacVittie Student Union Ballroom*, 1 College Circle, SUNY Geneseo. Donors must be at least 16 years old, weigh at least 110 pounds, be in good health, and have not donated within the past 56 days. Call 1-800-RED-CROSS, email: holly.miller2@redcross.org or visit: www.redcrossblood.org.

TUESDAY, SEPT. 15: Free Rabies Clinic, 5-7 PM at *Livonia Town Barns*, Commercial Street, Livonia. For dogs, cats & ferrets of **Livingston County residents only**. Dogs, cats & ferrets must be at least 3 months of age to be vaccinated. Ferrets must be vaccinated yearly. Cats and ferrets **MUST BE** in a carrier. Dogs **MUST BE** on a leash. Bring proof of any prior rabies shot to receive a 3-year certificate; without proof, a 1-year certificate will be issued. • All human attendees are required to wear a mask. • Pre-registration is required for all participants either online www.health.ny.gov/gotoclinic/26 or by calling either 243-7280 or 335-1717 or emailing: sbennett@co.livingston.ny.us. • Special arrangements must be made if you are brining more than 5 pets by calling or emailing. Donations kindly accepted due to rising costs.

***WEDNESDAY, SEPT. 16: Pastor Eric Scott's Mid-Week Encouraging Message**. Join Celebrate! Family Church of Leicester, 10 AM, each Wednesday live on Facebook at facebook.com/celebr8church/.

FRIDAY, SEPT. 18: Free Food Giveaway, 12 noon til gone at *Nunda Kiwanis Park*, Route 436, Nunda. Sponsored by the Village of Nunda and Trinity Church of Nunda.

***FRIDAY, SEPT. 18: Dansville Farmers Market**, 11 AM 4 PM every Friday through October at *Dansville Airport Parking Lot*, Maple Street, Dansville. Amish baked goods, fresh vegetables, peaches, Jim's meats. Support our local vendors!

***SATURDAY, SEPT. 19: Mount Morris Community Dinner**, featuring **Spaghetti with Marinara & Sausage, Italian Bread, Pelligrino Drinks** served 5-7 PM at the former *Questa Lasagna*, 55 Main Street, Mount Morris. Pick Up Only! Limit 2 dinners per person on a first come, first serve basis. No call aheads. Masks must be worn. No one will be served without a mask. Saturdays in September, different meal each week. Donations are gratefully accepted.

SATURDAY, SEPT. 19: Drive-Thru BBQ Chicken or Pulled Pork Dinner, 1-4 PM (or until gone) at *Garwoods United Methodist Church*, 10524 County Route 15B, Canaseraga, (just off Rte 70). Full dinner \$10. Stay in your car service! Chicken BBQ by Steve Mehlenbacher.

***SATURDAY, SEPT. 19:** Do you have a problem with another persons drinking? **Alanon Can Help!** meets Saturday evenings, 8 PM at *Trinity Church of Nunda*, red brick church at the corner of Church and East Streets, Nunda.

PLANNING AHEAD

TUESDAY, SEPT. 22: Outdoor Job Fair, 4:30-6:00 PM at *Al Lorenz Park*, Al Lorenz Drive, Mount Morris. (Rain date: September 29). A unique, outdoor experience to the residents of Livingston County. As many of our employers emerge from the NYS PAUSE, they are eager to recover and rebuild their workforces. This event will enable them to connect with the historically high number of unemployed workers in the region. While the job fair will be an in-person event, it will be necessary for both employers and job seekers to keep a safe distance and wear masks at all times," stated Ryan Snyder, Director of Workforce Development. To learn more about the outdoor job fair or to register your business, please contact the Livingston County Office of Workforce Development at 585-243-7047.

WEDNESDAY, SEPT. 23: Mount Morris Community Foodlink Distribution (Meat, Produce, Dairy), 4-5:30 PM at *Mount Morris Central School*, 30 Bonadonna Avenue, Mount Morris. Brought to you in partnership with Catholic Charities.

SATURDAY, SEPT. 26: Chicken BBQ, 12 Noon-2 PM at *Tuscarora First Presbyterian Church*, 8082 Main Street, Tuscarora. Take-out only. \$10 tickets. Available at the door until sold out. Reserve yours today! Call: (595) 281-6413 or (585) 750-1351. Proceeds benefit Thanksgiving and Christmas Programs for Dansville Rotary, Nunda Rotary and Kiwanis, Mount Morris Kiwanis, Livingston County Sheriff's Association and Overseas Soldiers.

This page is donated as a public service by the Mount Morris Shopper for use by various organizations and groups to announce at no charge, non-profit coming events in the Mount Morris area.

SPEAK OUT!!!

The Mount Morris Shopper feels that everyone has a right to be heard (or read, in this case) so we are offering this page each week (space permitting) for our readers to share their ideas, views, feelings or whatever. Realizing that everyone cannot AFFORD to pay for this privilege, the Mount Morris Shopper is offering this page as a FREE Public Service for articles or letters sent in for publication. All letters submitted must be signed with the name, address and phone number of the author. Please make letters as brief as possible.

Dear "Speak Out,"

September 2nd marked the 75th Anniversary of the end of World War II. This would prove to be the biggest war in history.

Germany began with its invasion of Czechoslovakia on March 15th, 1939, and continued with its invasion of Poland on August 31st, 1939. France and Great Britain honored their treaty with Poland and entered the war against Germany on September 3, 1939. The United States of America assisted both France and Great Britain with supplies but remained out of the war until December 7th, 1941, when Japan attacked Pearl Harbor.

We declared war against Japan on December 8th, 1941, and both Germany and Italy declared war against the United States three days later on December 11th, 1941. World War II was fought in two theaters of conflict both in Europe and on the Pacific Ocean.

German U-boats sank eight unarmed vessels off the shore of New York City in Mid-January 1942. Bataan fell in April 1942. B-25 bombers crews led by Lt. Colonel James Doolittle bombed Japan on April 1st, 1942. Corregidor fell on May 6th, 1942. The Battle of the Coral Sea took place on May 7th and 8th, 1942. The Battle of Midway took place from June 4th through 7th, 1942. A Japanese submarine shelled Fort Stevens, Oregon, on June 22nd, 1942. Operation Torch took place in North Africa in November 1942. 35,000 American troops were confirmed to have died in 1942. The Battle for North Africa took place in February 1943, the Aleutian Islands in May 1943, Sicily in July 1943, the Battle of Tarawa in November 1943, Anzio in May 1944, D-Day on June 6, 1944, and Saipan in mid-June 1944. Germany retreated and Paris was freed in August 1944. The Battle of Peleliu took place in September 1944. General Mac Arthur retook the Philippines in October 1944. The Battle of the Bulge took place in December 1944 and the Battle of Iwo Jima in February 1945. Intense bombing of Japan took place in March 1945. The Battle of Okinawa took place in April 1945. Germany surrendered on May 9th, 1945 (VE-DAY).

An atomic bomb was dropped on Hiroshima on August 6th, 1945, and a second on Nagasaki on August 9th, 1945. Japan accepted unconditional terms of surrender on August 14th, 1945. The Japanese surrendered on board the U. S. S. Missouri on September 2nd, 1945, and the war ended (VJ-DAY). The War Department announced that 407,316 American troops were killed and 671,278 were wounded during World War II. While our troops were fighting the war on two fronts, Americans were sacrificing. First of all they sacrificed their husbands, fathers, sons and daughters. They also sacrificed by doing without the items such as sugar, tires, fresh fruits, new automobiles and many other items which we take for granted in today's society.

We refer to these Americans who lived through the 1930s & 1940s as "The Greatest Generation". How true that really is! I don't think there ever will be another like them!

A young high school senior south of Rochester asked me "What is the big deal with this Pearl Harbor and the Jewish Holocaust?" He told me that his high school history teacher taught him that these events never happened. This is historical revisionism!

I wonder if we Americans today would be as patriotic and sacrifice to the same extent as our forefathers did so long ago?

Ron Powell
Nunda

Dear "Speak Out,"

I'm writing as a resident and taxpayer regarding my informed opinion on the proposed Fire District. I believe the formation of a Mount Morris Fire District would be a benefit to our community.

I know some taxpayers may be concerned about the addition of a new taxing entity, but in reality, this could actually create a decrease in your local taxes.

The Town is currently experiencing rapid growth with 6 projects under development. If a Fire District is created, these projects will all be required to pay Fire District taxes on the assessed values of their properties, which is not the case with the Village and Town taxes that currently contribute to the fire budget. These projects will negotiate a Payment In Lieu Of Taxes (PILOT) with the County, Town and School District. Since most of these projects are outside the Village limits, they will not be paying a PILOT to the Village that currently owns and operates the Fire Department. In fact, with the creation of a Fire District, most tax exempt property in the Town and Village will be required to pay for fire protection which currently is not the case. This increased tax base has the potential to lower the overall tax burden on the remainder of the community.

As the local Town & County Tax Collector, I can tell you from experience that this Fire District can ease the tax burden for the average property owner in our community.

A Fire District with elected commissioners trained for the job, will work to provide improved equipment and protection which also has the potential to lower the cost of your homeowner's or other property insurance.

Feel free to contact me if you need further clarification on my comments

Need Help Paying for Medicare?

The Medicare Savings Programs can help with Medicare costs, like your monthly Part B premiums and sometimes also Part A and Part B coinsurance and deductibles.

The Extra Help Program helps pay some of your Medicare Part D drug plan costs.

If your gross monthly income is less than \$1,615 for an individual or \$2,175 for a couple, you may be eligible for one or both of these programs. These figures are based on the 2020 federal poverty limits and are subject to change.

If you think you may be eligible, please contact NY Connects at the Livingston County Office for the Aging at 585.243.7520 for more information or to schedule an appointment for assistance with applying.

GOOD NEWS FROM DEBBY

*"As cold water is to a weary soul,
so is good news from a far country."*

Proverbs 25:25

There seems to be so much bad news lately. How about some good news?

One day Penny was in a Geneseo store and heard an employee say "oh, that hurts so bad." Debby (not her real name) was lifting boxes (part of her job), and her shoulder was hurting severely. Penny asked her if she could pray for her. Debby said yes. When done praying, the pain was totally gone. When Penny saw her weeks later, the pain was still gone and Debby was able to play ball with her son, which she'd not been able to do for some time. Debby was very happy with what God had done for her, and her son.

What can we learn from this good news?

1. God even cares about the 'little things' in our lives. God loves us, even when we are not aware of it.
2. Don't think that if God really wanted to heal you, He would have done it already. Most healings happen when we come to Him and ask.

We have seen many healed who were sick when we prayed for them. We love praying for the sick and those in need of a touch from Him. Give us a call and we'll come and pray for you.

With school back in session, parents all wonder what can be done to keep children healthy. Packing children's lunches is a great way to save money, and can make lunchtime more fun. However, parents need to be sure that they prepare and pack food properly to prevent food-borne illnesses.

- Wash hands often, including before preparing food
- Keep kitchen areas clean
- Return food items to the refrigerator promptly after use.
- Keep hot foods hot and cold foods cold. Use a thermos or an ice pack.

For more information or questions on lunchbox safety, please call the Livingston County Department of Health at 243-7299.

IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

The Town of Mt. Morris Public Water Supply Has Levels of Haloacetic Acids (HAA) Above Drinking Water Standards

Our water system recently violated a drinking water standard. Although this is not an emergency, as our customers, you have a right to know what happened, what you should do, and what we are doing to correct this situation. We routinely monitor for the presence of drinking water contaminants. Sample results taken on August 4, 2020 show that our system exceeded the standard, or maximum contaminant level (MCL), for Haloacetic Acids (HAAs). The standard for HAA's is 60 micrograms per liter. The average level of HAA's over the last year was 63.25 micrograms per liter. It is important to note that the sampling location for HAAs represents the location where the highest levels are thought to occur, and may not be representative of the entire system.

What are haloacetic acids (HAAs)?

HAAs are formed in drinking water during treatment by chlorine (the most commonly used disinfectant in New York State), which reacts with certain acids that are in naturally-occurring organic material (e.g., decomposing vegetation such as tree leaves, algae or other aquatic plants) in surface water sources such as rivers and lakes. The amount of HAAs in drinking water can change from day to day, depending on the temperature, the amount of organic material in the water, the amount of chlorine added, and a variety of other factors. Drinking water is disinfected by public water suppliers to kill bacteria and viruses that could cause serious illnesses. For this reason, disinfection of drinking water by chlorination is beneficial to public health.

Some studies suggest that people who drank chlorinated drinking water containing disinfection by-products (possibly including HAAs) for long periods of time (e.g., 20 to 30 years) have an increased risk for certain health effects. These include an increased risk for cancer. However, how long and how frequently people actually drank the water as well as how much HAAs the water contained is not known for certain. Therefore, the evidence from these studies is not strong enough to conclude that the observed increased risk for cancer is due to HAAs, other disinfection by-products, or some other factor. Studies of laboratory animals show that the individual HAAs, dichloroacetic acid and trichloroacetic acid, can cause cancer following exposure to high levels over their lifetimes. Dichloroacetic acid and trichloroacetic acid are also known to cause other effects in laboratory animals after high levels of exposure, primarily on the liver, kidney, and nervous system and on their ability to bear healthy offspring. The effects reported in studies of laboratory animals occur at exposures much higher than exposures that could result through normal use of the water. The risks for adverse health effects from HAAs in drinking water are small compared to the risk for illness from drinking inadequately disinfected water.

What does this mean for you?

At present, the water is suitable to drink, cook with, and bath in. Some people may wish to take additional practical measures to reduce their exposure. We do not consider these measures necessary to avoid health effects, but they are provided as options. These include using bottled water for drinking and cooking purposes, or using water pitchers containing an activated carbon filter or a tap-mounted activated carbon filter. These filters are readily available in many grocery and home improvement stores. Ventilating bathroom areas (e.g., using exhaust fans or opening windows) when showering or bathing can also help reduce exposures from chemicals released into the air.

What happened? What is being done?

The Town of Mt. Morris is working diligently with the Village of Mt. Morris to improve the quality of water delivered to consumers, including a flushing program to help maintain fresh water in the system. For more information, please contact Ed Haefner, water operator for the Town of Mt. Morris at (585) 658-3375 or the Livingston County Department of Health. To reach the Livingston County Department of Health call (585) 243-7280 Monday through Friday from 8:00am to 4:00pm or by email: dept-of-health@co.livingston.ny.us. For emergencies, you may also reach the Department of Health after business hours or on weekends by calling the Livingston County Sheriff's Department at (585) 243-7100.

This notice is being sent to you by the Town of Mt. Morris; State Water System ID#: NY2500703.
Date distributed: 9/11/2020
