Tony Cannoli Sweets and Eats just made their entry into the downriver community two short years ago (2018) as they established their roots with their bakery here on West Rd. in Woodhaven. Over these couple short years they have been acknowledged as the talk of the town and have built an unbelievable following with their "homemade Italian pastries" and "gourmet cakes".

Originally from Sicily, the Cangialosi brothers wanted to share their love of food and desserts with people everywhere. Their journey to follow their dreams has led them to owning and operating several restaurants both locally as well as in Florida. The bakery business has been instilled in these 2 men since they were young as their pastries date back 80 years ago when their Grandpa had his own bakery in Borgetto, Sicily (Antonino Cangialosi). The Cangialosi brothers take a lot of pride in their family heritage. The family's secret homemade recipes include nothing but authentic ingredients which is the key for maintaining the high quality their family has always been known for.

Tony Canolli's specializes in many of the favorites you look for at the center of your table:

- Specialty cakes with over 20 different flavors combinations
- French macarons (lemon, raspberry, strawberry, vanilla, chocolate, fruity pebble)
- Cannolis (Ricotta and Cream)
- Eclairs
- Lobster Tails
- Fruit tarts
- Lemon tarts

Tony Canolli Sweets & Eats will be announcing a 2nd downriver location soon as they want to share their love and specialties with all of the downriver community! They truly appreciate each and every one of their loyal customers and will continue to give you the highest quality to show you the love back you deserve. It is the hope of the Cangialosi family to bring authentic Italian desserts into the hearts and homes of all of our visitors, one cannoli at a time. From our family to yours. Welcome to Tony Cannoli Sweets and Eats (EST. 2018).
