GOOD NEWS FROM DEBBY

*"As cold water is to a weary soul,
so is good news from a far country."*
Proverbs 25:25

There seems to be so much bad news lately. How about some good news?
One day Penny was in a Geneseo store and heard an employee say "oh, that hurts so bad." Debby (not her real name) was lifting boxes (part of her job), and her shoulder was hurting severely. Penny asked her if she could pray for her. Debby said yes. When done praying, the pain was totally gone. When Penny saw her weeks later, the pain was still gone and Debby was able to play ball with her son, which she'd not been able to do for some time. Debby was very happy with what God had done for her, and her son.

What can we learn from this good news?

1. God even cares about the 'little things' in our lives. God loves us, even when we are not aware of it.
2. Don't think that if God really wanted to heal you, He would have done it already. Most healings happen when we come to Him and ask.

We have seen many healed who were sick when we prayed for them. We love praying for the sick and those in need of a touch from Him. Give us a call and we'll come and pray for you.

SPEAK OUT!!!

The Mount Morris Shopper feels that everyone has a right to be heard (or read, in this case) so we are offering this page each week (space permitting) for our readers to share their ideas, views, feelings or whatever. Realizing that everyone cannot AFFORD to pay for this privilege, the Mount Morris Shopper is offering this page as a FREE Public Service for articles or letters sent in for publication. All letters submitted must be signed with the name, address and phone number of the author. Please make letters as brief as possible.

Dear "Speak Out,"

We have heard much about making America great again in the past few months from Washington. I want to emphasize that this article does not promote or criticize anyone or any political party but rather will express my opinions regarding this concept.

To begin with I believe that this slogan needs to be renamed "With God's Help We Will Make America Great Again".

The Israelites in the Old Testament had turned away from God and Assyria was allowed to attack them. They even said in Isaiah 9:10 "The bricks are fallen down, but we will build with hewn stones: the sycomores are cut down, but we will change them into cedars." This was an act of defiance against God by saying that their buildings and trees had been destroyed but they still would not change their ways and turn back to Him. Circumstances only worsened for them and eventually they were invaded and taken as slaves.

America has turned away from God and terrorists from the Mid-East were allowed to attack America on September 11, 2001. The day after 911, on September 12, 2001, the United States Senate Majority Leader presented a speech to a joint session of Congress in which he quoted Isaiah 9:10. On the third anniversary of 911, September 11, 2004, another United States Senator presented a speech to a Congressional Caucus at which he again quoted Isaiah 9:10.

On June 15, 2012, the President of the United States wrote the following words on a beam of the newly erected One World Trade Center building in New York City: "We remember – We rebuild – We come back stronger!" All three men spoke vows of defiance against God. It seems that we as Americans are looking at the rebuilding of our wonderful country in the same way as the Israelites did.

We Americans should be reestablishing our country on the same principles upon which our founding fathers did. I believe if we are truly honest with ourselves that we must admit that conditions in our wonderful country have worsened since 911 with the Iraq War, the 2001, 2008 and 2020 stock market crashes and now the terrible Coronavirus COVID-19. Until we get our priorities and focus right, we will not succeed in our endeavors. So I believe that we need to first examine how we are planning to make America great again.

Is it in our own strength or with the help of God who blest us with our country in the first place? The Bible in 2 Chronicles 7:14 reads "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." This verse says that God will heal our land if we first ask Him for His assistance – not an elected official in Washington.

Next we must humble ourselves and admit that we cannot accomplish this endeavor ourselves. Praying to God for His blessing is very important. Seeking God face to face, admitting our inadequacies and turning from our wicked ways will be very difficult for us because we want to continue doing things which are not pleasing to Him. God will forgive us and will make America great again.

Next week, Lord willing, we will look at what our government can and should do to make America great again. Then we will look at our responsibilities.

Ron Powell
Nunda

Dear "Speak Out,"

A big Thank You to all who made it out for the first Mount Morris Village Vigil Walks for Black Lives on Sunday.

We collected \$117 for the GoFundMe for Daniel Prude's family and, seeing as it was Daniel's birthday, it was a very poignant and special walk.

We will be continuing village walks to come together in mourning and solidarity and welcome all others in those spirits to join us.

Finally, to those who continue to berate me about bringing "riots and destruction" to our town: please turn off the cable news and open your window-shades--we have had two village events now without a single instance of unpleasantness. The only way we will ever move forward is when we are willing to listen to each other, and extend a hand rather than clench our fists.

Also Thank You to the Mount Morris Police Department who kept us safe the entire route!

Thank you,

Lauren Berger

September is Fall Prevention Awareness Month

Each year, thousands of older Americans fall at home. Some simple fall prevention tips include getting your vision and hearing checked regularly, working out an exercise routine with your physician, making sure medications are appropriate, and making sure that there are no trip hazards around the home. Help protect yourself or a loved one. For more information on fall prevention call the Livingston County Department of Health at 243-7299.

VFW Post #26 Donation to Assist Veteran Suicide Prevention Efforts

The Kenneth B. Keating VFW Post #26, located in the Town of Lima, recently provided a direct contribution of \$500 to Livingston County Veteran Services (LCVS) to help sustain veteran suicide prevention efforts, focusing mainly on the promotion of wellness and self-care activities.

These types of activities include horseback riding, canoeing and kayaking, fishing, arts and crafts, coffee hours, sports tournaments and picnics with veterans and their families.

Jason Skinner, LCVS Director, stated, "I would like to thank the VFW Post #26 for its generous contribution toward suicide prevention efforts that serve our Veteran community. Post #26, like so many posts, does so much for its community by raising awareness of some of the most pressing issues facing our Veterans."

"I urge all Veterans to join a Veterans club. It will strengthen our Veteran community and promote a sense of belonging," continued Skinner. "It is often the case that when people are part of a group, they are more resilient. As a Veteran, being an active member of a club and doing great things for your community can, in and of itself, promote wellness and self-care."

For more information on LCVS, please call 585-243-7960. Learn more about the Kenneth B. Keating VFW Post #26 here.

Finding Your Path
Understanding yourself is one of the most essential components of life, yet it is often the most overlooked area. Individuals who invest their time to self-development find more motivation and purpose in achieving their goals. Through discussion, analysis and self-exploration, students of this class move toward understanding their personal limitations and break through their conditioned selves and discover what their path truly is.

Intro to Holistic Health and Homeopathy
This seminar will provide an overview of the natural remedies offered through homeopathy; what it is, how it works, where and when it was developed as well as the history of its use. In addition, basic homeopathy applications for common illnesses and injuries will be covered, where to purchase remedies, and when it would be practical and appropriate to incorporate homeopathy for self-care and home healing. The student will leave with an understanding and appreciation of homeopathy, and a deeper understanding of wellness in terms of physical, mental emotional and spiritual levels.

Build a Disaster Kit Today!

National Preparedness Month is recognized each September to promote family and community disaster planning now and throughout the year. As our nation continues to respond to COVID-19, there is no better time to be involved this September. As part of the Annual Emergency Preparedness Month, this week the Livingston County Department of Health and the Livingston County Office of Emergency Management are sharing information to help you "Build a Kit."

After an emergency, you may need to survive on your own for several days. Since you do not know where you will be when an emergency occurs, prepare supply kits for home, work and vehicles. Make sure all family members know where the kits are kept.

A disaster supplies kit for your home is a collection of basic items your household may need in the event of an emergency. Visit <https://www.livingstoncounty.us/902/Emergency-Preparedness> for a preparedness checklist.

After gathering basic items consider what unique needs your family might have, such as supplies for pets or seniors. Don't forget to include additional items to help prevent the spread of COVID-19, flu, or other viruses such as cloth face coverings (for everyone ages 2 and above), soap, hand sanitizer, and disinfecting wipes to disinfect surfaces.

To assemble your home kit, store items in airtight plastic bags and put your entire disaster supplies kit in one or two easy-to-carry containers such as plastic bins or duffel bags. Remember it is important to maintain your kit so it is ready when needed.

Below are some helpful tips:

- Keep canned food in a cool, dry place
- Store boxed food in tightly closed plastic or metal containers
- Replace expired items as needed and re-think your needs every year and update your kit as your family's needs change.

A Work Kit should be stored in a "grab and go" case with items that you will need for at least 24 hours. Items include food, water and other necessities like medicines, as well as comfortable walking shoes. In case you are stranded, keep a Car Kit of emergency supplies in your car.

For more information please visit <https://www.ready.gov/kit>. If you have any questions about emergency preparedness, please contact the Livingston County Department of Health at 585-243-7524, Office of Emergency Management at 585-243-7160 or visit our website at www.livingstoncounty.us/doh.htm.

NYSEG and RG&E Alert Customers of New Scam Attempts

Customers urged to be vigilant of suspicious calls

NYSEG and RG&E are urging customers to be vigilant of scammers posing as representatives of the energy companies. The companies have recently received reports of customers having accepted calls from people who claim to be employees or consultants of NYSEG and RG&E. Customers are urged to never give out personal or account information to unsolicited callers.

The new scam attempts reported involve a call explaining that an overcharge has been made to the customer's account and offers a future bill credit. The caller then asks customers to provide further information. Additionally, customers have reported calls threatening to cut service unless an immediate payment is made over the phone.

Any customer who is uncertain whether a call is genuine or has questions about the status of their account is encouraged to call the phone number provided on their bill. The companies also offered customers some additional helpful tips:

The companies will never demand customers to purchase debit cards such as Green Dot cards to make payments. NYSEG and RG&E accept a variety of payment methods, and Customer Care representatives will work with individual customers to help them pay down outstanding balances and maintain service.

NYSEG and RG&E have temporarily suspended disconnections related to non-payment. Therefore, any call threatening disconnection is a sure sign of a scam.

If unsure of the identity of the caller, ask for the last five digits of the account. If they do not have this information, hang up and alert local authorities. Never give out personal or account information to a caller.

NYSEG and RG&E employees and contractors carry company-issued photo ID with a unique employee number. Ask for ID before providing personal or account information or granting access to your property. If you are not certain, call to confirm using the number on your bill or the company's website.

Be suspicious of unexpected emails from NYSEG or RG&E, especially if you're not an eBill customer, and think twice before clicking links. If you're not certain, you can make credit card payments, check balances and find other information at nyseg.com and rge.com.

When making a payment by phone, always use company phone numbers: NYSEG customers can call 800.600.2275. RG&E customers can call 800.295.7323.

September is Baby Safety Month

Prevent childhood injuries by making your home and vehicle as safe as possible

Injuries are the leading cause of death among children, according to the New York State Department of Health. Unintentional injuries such as motor vehicle accidents, falls, and burns represent the greatest threat to your child's health. Children are more likely to die from injuries than from all other causes combined. Fortunately, many childhood injuries are preventable.

In the home. Childproofing your home is very important, especially if there are infants in the home. Parents should examine every room for potential hazards.

- All stairways should be blocked by a baby gate both at the top and bottom of the stairs.
- Doors that lead to the outside or down steps should be locked.
- Windows are especially dangerous when left opened because babies can fall through the screen from higher heights. If it is necessary for windows to be opened, open them from the top rather than bottom.
- To avoid burns, use a stove's back burners with pot handles facing inward when cooking. Additionally, test bath water temperatures before placing an infant in it.

In the car. According to the National Highway Traffic Safety Administration, using child safety seats reduces the risk of death in a car crash by 71% for infants.

- Make sure you have installed the proper type of child safety seat based on its compatibility with your vehicle and your child's height and weight. Weight and height guidelines can be found on the child safety seat and in the seat's instruction manual. The directions for child safety seats are not always clear, so to be sure that your seat is installed properly, contact the Cornell Cooperative Extension's Traffic Safety Program at 585-991-5420 or 585-335-1752 or visit <http://www.ccelivingstoncounty.org> to locate a child safety seat inspection station near you.

For more information on baby safety, please contact the Livingston County Department of Health at 243-7299 or visit: <http://bit.ly/LivCountyDOH>.

REAL ID DEADLINE EXTENDED TO OCTOBER 2021: The Department of Homeland Security recently announced that President Donald Trump ordered the deadline for the REAL ID program to be extended by a year due to the COVID-19 crisis. The program requires U.S. travelers to obtain REAL ID-complaint driver's licenses in order to board domestic and international flights. According to a statement from Chad Wolf, Acting Secretary of Homeland Security, "Due to circumstances resulting from the COVID-19 pandemic and the national emergency declaration, the Department of Homeland Security, as directed by President Donald J. Trump, is extending the REAL ID enforcement deadline beyond the current October 1, 2020 deadline. I have determined that states require a twelve-month delay and that the new deadline for REAL ID enforcement is October 1, 2021. DHS will publish a notice of the new deadline in the Federal Register in the coming days."
