SEPTEMBER 29, 2020

Congratulations!

The Delaware County Daily Times once again thanks our readers and our business community for participating in our Annual Reader's Choice Awards!

We started back in July asking readers to pick their favorites for Best of Delco 2020. We received thousands of votes this year, all online due to the pandemic. This year's list of restaurants, shops and places that make Delaware County so fabulous is one of our best! We love listing so many extraordinary spots you may not know about or those familiar to you.

While the following lists show your winners, we encourage you to support businesses in your neighborhood, around your town and throughout the county. Please continue to support our local economy by shopping local. Shopping local puts revenue back into the community and helps sustain area jobs.

So enjoy this section, mark your favorites, and hold onto this special section highlighting the best of our towns in Delaware County. The Daily Times looks forward to bringing you the best of what Delaware County has to offer each and every day in print and online at www.DelcoTimes.com.

Congratulations to the Winners and thank you again to all that participated.
