After 12 years of service, Thorn 'retiring' from FMO

John Pilati
Franklin Free Press

Pete Thorn has retired three times during his lifetime. He's also 'un-retired' three times.

So when the 86-year-old announced he was retiring from his volunteer work with Faith Mission Outreach, his family and fellow volunteers took the news with a grain of salt.

But just to be safe, they held a reception Thursday afternoon to honor their friend's 12 years of faithful service to the Russellville-based mission.

After Thorn retired (for a third time) from a career that included stints at Brown and Root and Robbins, he volunteered to help remodel the former Faith Mission Outreach building

Russellville City Council approves \$10.1 million budget for FY 2020-21

John Pilati
Franklin Free Press

Thanks to a heavy dose of grants for law enforcement and fire protection, the Russellville City Council approved the first budget to surpass \$10 million.

The council unanimously approved the 2020-21 fiscal year budget in the amount of \$10.1 million at the council's September 21, 2020, meeting.

Anticipated revenue for FY 20-21 includes more than \$504,000 in grants, including \$338,000 in Homeland Security grants and \$100,000 in police overtime grants.

"This is the largest general fund budget in my time with the city," said Russellville Mayor David Grissom. "I want to thank (City Clerk) Belinda

Miller. She worked on this several months and we've undergone several changes."

One of those changes came last week when Blue Cross/Blue Shield of Alabama hit the city with a \$69,000 increase in premiums for city employee health insurance in the coming year.

"We were finished with the budget and prepared to approve it when we got word about that increase," Grissom said.

Grissom also expressed his appreciation to city employee Shirley McSpadden for her work in preparing the payroll portion of the new budget.

The largest budget by department for FY 20-21 is the Russellville Police

to complete, and Thorn honored his commitment to see it through. "It was finally time to open up and I just stayed. Now, we moved again, so I wanted to help with the new building," Thorn said.

Faith Mission Outreach relocated recently to a building at the intersection of Marion Street and Coffee Avenue. The non-profit mission provides food and clothing to Franklin County residents. While clothing distribution has been halted during the COVID-19 pandemic, food boxes are given out every Thursday afternoon.

The only requirements are to have Franklin County residency and each family is limited to one visit per month.

Thorn, who serves on the mission's Board of Directors, is in charge of keeping inventory of all food, something he will continue after his 'retirement.' But gone are the days of heavy lifting, including the bulky food boxes that are distributed each Thursday.

"I'm having some problems with my rotator cuff and my doctor said I can't be doing any lifting," Thorn said. "I'll still be on the board though and do our monthly inventory for the USDA."

Thorn and Ramona, his wife of 64 years, have three children, seven grandchildren and eight great-grandchildren.

Thorn describes his 12 years of service to FMO as a 'blessing,' and he says that blessing comes through the many people he's met.

"There's a human side of the story. It's more than just giving food or clothes away," Thorn said. "I've met elderly people whose homes have burned and they lost everything. We've taken furniture and clothing to families who were sleeping on the floor with their kids."

"Helping our friends and neighbors makes me feel good. When you give someone something and tears run down their eyes as they thank you, that's a blessing and that's what this mission does," he added.

Wade Wallace, Pastor of Calvary Baptist Church, one of FMO's primary supporters, described Thorn's efforts as tireless.

"From the beginning, Pete has shown he has the heart for helping people. Most weeks he's here seven days, and that speaks to his tireless efforts to help others," Wallace said. "He's someone who wants to stay busy doing something profitable for others."

Faith Mission Outreach distributes between 400-500 food boxes each week.

My take on this... don't sweat the small stuff!

As I was thinking about my article
for this week, my thoughts went
crazier than my personality. I didn't
have any idea that my mind was
capable of obtaining so many differ-
ent topics.

I knew I wanted it to be fun and
uplifting because life is an "over-
load-of-serious" going on right now.
Besides, I prefer the funnier side of life. As most
of you know, I don't take life very seriously. I've
even been told I don't take it seriously enough.
Well, I'm told a lot of stuff! I'll just have to leave
the serious side of life to the ones who do it bet-
ter than me.

My life is based on laughter, fun, spontaneity,
common sense and lots and lots of smiles. I'm
always serious about two things. That is my faith
in God and protection of my family.

So on to my article...

There are a few things that come to mind about
a job I now have. Of all the crazy things I do in life,
this one is the most recent, so, I will just go with
that.

I only work two days a week because I tire easi-
ly and that's all I want to work. Hey, I'm 65 and I've
put in my time.

I sit with a dementia patient and we help each
other out. If I forget something, she will remind me.
Her memory is much better than mine. I guess the
biggest difference in us is she wears diapers all
the time and I only wear them sometimes. Well,
she doesn't bite her nails and I bite mine. She can
even stay on one subject longer than I can.

Well... the other morning my alarm sounded and
I responded by turning it off. When I awoke, it was
work time. For those of you without common
sense, that simply means... it's a bad thing! The
place you are at, is not the place you need to be.

Gail Motes

Luckily, I knew the people I worked for and I
worked alone and I had to resolve this dilemma
quickly. And, I did!

My sleep shirt was clean and just and a long shirt
with the word "Crazy" across the front in big let-
ters. I slipped on a pair of capri leggings, put my
hair up with a hair clip without brushing it and ran
out of the door with my toothbrush and toothpaste
in hand.

When I walked in the bedroom, she looked at me
and said, "you look like you just got out of bed!" I
laughed and told her I had. We laugh all the time,
so needless to say, we started our morning off
right. She has mentioned several times how we
have a lot of fun together and she likes me
because I make her laugh.

Anyways, later in the morning, she looked at my
shirt and said "Crazy. You are a crazy lady" and
laughed. I told her that's how my family introduced
me to others and how most of them call me the
crazy lady.

Now, can you see how much smoother that
morning because I don't take life so seriously?

Later on, I brushed my teeth and my hair and we
had a wonderful day! I hope all of you are having
a day of lots of laughter.

I know we all have our "down-days," "sick-days,"
and "almost-unbearable-days," but it doesn't have
to be the worst-day of your life, and you don't have
to make it miserable for those around you.

I find laughter among my tears. Laugh and smile
if I don't feel like it and greet everyone with a smile
except for two people. I'm sorry. I'm not fake,
either!

Overall, I have fun and do what I enjoy every
chance I get. Speaking of which, I appreciate you
allowing me to write stories. If you didn't enjoy it, I
would not be doing it.

So, as always, until later...

On October 6th I would be honored to have your vote for Councilman for District 1. For those of you I have had the privilege of meeting and those that I have yet to meet, I look forward to the opportunity to serve you on the Council and working alongside you as we continue to move Russellville forward together.

Encouraging economic growth and development, *supporting* the Russellville City School System, *providing* resources for all city municipal departments as they continue to serve all citizens, and *improving* the city ordinances that are necessary for our city to be the best it can be are the driving forces behind my desire to serve on the Council.

"Every election is determined by the people who show up."

Please vote on Tuesday, October 6th!

You may vote at City Hall until Thursday, October 1st!

Let's "Nale" Down the Facts About My Accomplishments and Leadership

DISTRICT 2 VOTERS, DUE TO A TIE IN DISTRICT 2 a run-off election will be held Tuesday, October 6.

Let's separate the FACTS from FICTION. I have shown that I CAN GET ALONG WITH OTHERS. I HAVE WORKED WELL WITH TWO DIFFERENT MAYORS, with other council members, with city department heads, with city workers, with our business leaders, WITH YOU AND FOR YOU. That's what a TRUE LEADER DOES!!!

Don't be fooled by Empty promises and lies! I have worked hard to move Russellville forward in the past 12 years. I have also worked hard for District 2 and LIST JUST A FEW ACCOMPLISHMENTS WHICH INCLUDE:

- Helped our city receive an A credit rating allowing us to refinance city bonds at lower interest rates and save our citizens \$600,000.00
- REPAVED 28 miles of 104.5 within the city. The following streets in District 2: * Washington, Waterloo, Jackson, Madison, Duncan Creek, Lawrence, Limestone, Whitten,
- Got 2 of 6 Tornado Shelters in District 2 *
- Worked for equipment and training for Russellville Fire Department (RFD) including a new fire engine valued at \$235,000.00. Currently working on getting a new fire station to be located on the corner of Clay and Duncan Creek.
- Worked with RFD ISO (fire insurance--rating dropped from 4 to 2, which saves homeowners an average of 6% on insurance
- Worked to receive a *\$250,000.00 grant to rebuild Hal Kirby Park
- Worked to receive grant money for * speed bumps and *red light at Russellville Middle School for children to safely cross the road for classes such as band
- Helped our schools get RESOURCE OFFICERS *
- Supported school BUDGET by voting to give them nearly 8 million dollars in 8 years
- Supported infrastructure to successfully attract 1200 new jobs for our city and a new convenience store in District 2 on the corner of Waterloo and Limestone.
- Addressed flooding on Jackson and City Lake, and others when contacted
- Answered your call when you contacted me about our district or city needs
- Appointed board members from District 2 for Civil Service, Gas, Water, Electric, and Library boards
- Made the motion to remove Darren Woodruff from the Electric board because he could not get along with other board members and spent 27,276.63 for his expenses.

*These items were done with no cost to you, the taxpayer.

Now, let's consider his fictitious claims. My opponent says he runs a positive campaign--A LIE! He has concocted a fake "Woodruff" report card,

posted pictures of a house that had already been condemned, and made promises he knows he can't do.

MY OPPONENT CLAIMS I'VE NOT WORKED FOR YOU---Friends, this is ANOTHER LIE!!! The above list proves this false statement. DON'T SELL OUT YOUR CITY OR YOUR VOTE FOR ICE CREAM AND A SAWBUCK! Our CITY DESERVES MORE!!

KEEP WILLIAM NALE--AN HONEST MAN YOU CAN TRUST TO ANSWER YOUR CALL WITH NO PERSONAL AGENDA AND ONLY YOUR BEST INTEREST AT HEART. I'M STILL THE ONE TO CALL.

Department, at more than \$2.2 million. Almost \$1.7 million of that amount is budgeted for payroll, overtime, FICA, FICA Medicare, retirement, unemployment payments and insurance for employees and retirees.

The next largest budget is \$2.06 million for the Russellville Fire Department. The Russellville Street Department is allocated \$1.91 million, followed by \$1.27 million in appropriations. That amount includes the city's \$1.125 million allocation to Russellville City Schools.

The \$937,000 Park and Recreation budget includes a \$775,000 allocation to Russellville City Schools to operate and maintain all city park facilities. The city will pay an estimated \$125,000 in utilities at Park and Recreation facilities.

The city budgeted more than \$53,000 to fund its share of four Russellville City Schools School Resource Officers.

The largest revenue source is \$4.53 million in sales tax revenue. That's followed by \$1.2 million from the 7.8 Mill ad valorem tax. Revenues also include an estimated \$756,000 tax equivalent payment from the Russellville Electric Board, \$200,000 from the Russellville Gas Board and \$296,000 from the Tennessee Valley Authority in-lieu-of taxes.

Privilege license revenue is expected to be \$681,000, and garbage billing revenue is anticipated to be \$650,000.

The city's municipal court system is projected to bring in more than \$145,800 in fines and forfeitures. Alcohol revenue, including application fees, license fees, state beer and wine tax and local liquor tax, is expected to exceed \$211,000.

month, with the help of an average of 10-12 volunteers each Thursday. FMO purchases food from the United States Department of Agriculture at a discounted rate as well as accepting donations. All food is canned, bottled or frozen.

"This is quality food that's not past its expiration date. We always wish to have more but each box is enough to last a family for a while," Wallace said.

While Thursday was Thorn's last 'official' day before his retirement, don't expect him to stay gone long.

"I might unretire again as long as God gives me good health," Thorn said. "But no more lifting boxes. My doctor said I might not have to have surgery if I'll quit picking up those boxes."

Golden Tigers fall to Hartselle, prep for return to region play this week

Brady Petree
Franklin Free Press

RUSSELLVILLE - It was a tale of two halves for Russellville in Friday night's loss to Hartselle. After a first half in which the Golden Tigers jumped out to a 14-7 lead, turnovers and costly penalties would ultimately turn the tide in the second half en route to a 38-14 final in Hartselle's favor.

Of course the good news is for Russellville that the loss won't have an impact on the region standings. It could however have an impact on the Golden Tigers once the playoffs arrive in terms of the quality of opponents Russellville is used to facing and how they make adjustments after tough games and that is a positive that head coach John Ritter took away from Friday night.

"We wanted to play a really good team week five and Hartselle fit all of the characteristics we wanted in a team we wanted to play. If we handle this loss the right way and look at the areas that we need to improve on, we could look back down the road and realize what a good team in Hartselle we played and what it did for our guys. It's going to be all about how we handle things," Ritter said.

With an offensive game plan that was altered due to an arm injury to star running back Airreon "Boots" McCulloch in the first quarter, the Golden Tigers were still able to get off to a solid start on the ground led by Caleb Matthews who scored Russellville's only two touchdowns on the night.

While Matthews certainly wasn't used to the kind of workload he received on Friday night (27 carries), the senior running back was able to tally 157 yards by the time the 4th quarter came to a close.

Tying up loose ends

As Red Bay cruised to a victory against Belmont on Friday night to avenge the last regular season loss the Tigers had, they'll try to avenge another another loss from three years ago against region-rival Sheffield

Brady Petree
Franklin Free Press

RED BAY - Some wins just have a deeper feeling of satisfaction than others do.

For Red Bay head coach Michael Jackson and the Tigers, Friday's win against Belmont had one of those feelings.

Before last Friday night, the Tigers had won 18 regular season games in a row with Belmont being the last team to best the Tigers in the regular season back in 2018. That streak will live on to see another week as Red Bay rolled to a 22-13 victory over their neighboring state rivals.

For Jackson and the 19 seniors he has on his squad (that still vividly remember that loss back in 2018), this win stands out from the rest during their impressive streak.

"We knew going in that it was going to be a hard-fought ballgame. Everytime we go to Belmont and play it's a really tough game and Friday night was no exception," Jackson said. "We were excited to get out of there with a win because last time we went over there, it turned out differently so it was nice for us to get the win this time around."

One large part in how Red Bay was able to control the game was their efficiency on the defensive front, particularly on third downs. The Tigers held Belmont to just 2 for 11 on third down conversions (an 18 percent conversion rate) and just 137 total yards of offense.

"Our front eight on defense have been together for years and coach Murphy does a great job in getting them where they need to be. The strength of our team is our defense, that's no secret. Those guys did a really good job the other night after we had a couple of turnovers on offense in getting back out there and getting back at it," Jackson said.

From an offensive perspective, Jalen Vinson had a tremendous game which is what one has come to expect out of the dual-threat quarterback for Jackson and the Tigers. However it was Aiden Quinn who stole the show against Belmont, accounting for 199 yards rushing yards and a touchdown on the night as well.

While Quinn certainly wasn't accustomed to the workload he received against Belmont, the junior running back, Jackson was pleased with how Quinn was able to adapt to the situation.

"Aiden is a great inside runner and the game took shape to where we had to power the ball a lot because we couldn't use a couple of our skill guys because they were out. So he (Quinn) had to pick the load up," Jackson said. "Normally we wouldn't want him to carry the ball thirty times. But the other night, combine what the defense was giving us with the fact that the situation dictated that we use our power offense and so the load fell on his shoulders as a result and he stepped up to the challenge."

As the Tigers attempt to continue their regular season winning streak and cross the 20 consecutive win threshold, there is a bit more at stake this week as Red Bay takes on Sheffield at home... besides the region implications of course.

The last home loss the Tigers had in the regular season? That loss came courtesy of the Bulldogs back in 2017.

And don't think for a second that the 2017 loss has been forgotten by Jackson and his seniors.

"The thing is, most of our guys we have playing for us now, were playing back then. Of all the seniors we've got, we probably have seven or eight seniors for us now that started in that game for us three years ago so I'm sure they remember it really well," Jackson said. "We use it as an extra layer of motivation for our guys to get them motivated for Friday night. Plus it's homecoming week and we are unveiling our new jerseys so it's going to be a really big week for us this week."

Vinson finished the night with 14 carries for 138 yards and a touchdown including going for 39 yards through the air.

'GOLDEN TIGERS,' from page 11

"We had worked some three-back stuff throughout the week and that's what we opened the game with and were able to move the ball down the field. Obviously losing "Boots" altered the game plan because we usually rotate touches between him and Caleb so that by the time the fourth quarter comes along, they're both fresh and ready to go," Ritter said. "Caleb ended up getting more carries and some fatigue set in because he hasn't been used to getting that many carries obviously but he did a nice job and stepped up for us when we needed him to."

The Golden Tigers will look to get back on track this Friday night as they make the long trip to Ardmore to resume region play.

One thing the Golden Tigers will have to work on before getting back to action according to Ritter, is fixing some self-inflicting mistakes that cost Russellville in the previous week.

"We have to limit the mistakes whether that be penalties, turnovers, not executing blocks or missing assignments. All of the things that we messed up on, we have to improve on. The good thing is that we saw better results in our pass drops. It's frustrating that we messed up on some things but the good part is that those things are fixable and we are capable of making adjustments moving forward," Ritter said.

Aiden Quinn Running Back, Red Bay Junior

Quinn has seen his role increase with the Tigers over the past few weeks and last Friday night was his best performance yet. Quinn carried the ball 32 times for a total of 199 yards. Quinn also added a key touchdown late in the first half to give Red Bay the lead and the Tigers never looked back en route to their 22-13 win over interstate rival Belmont (MS). Quinn's 199 yards accounted for sixty percent of the Tigers' 337 total rushing yard on the night.
