# Spiced Butternut Squash Soup

## Directions

### STEP 1

Preheat the oven to 375 degrees F (190 degrees C). Pour a thin layer of water in a baking dish, or a cookie sheet with sides. Place the squash halves cut side down on the dish. Bake for about 40 minutes, or until a fork can easily pierce the flesh. Cool slightly, then remove the peel. Set aside.

## Ingredients

3 lbs butternut squash,  
halved & seeded  
2 tbs butter  
1 medium onion, sliced  
1 leek, sliced  
2 cloves garlic, sliced  
2 (49.5 fluid ounce) cans  
chicken broth  
2 large russet potatoes,  
peeled & quartered  
1/8 tsp cayenne pepper  
1/8 tsp ground allspice  
1/8 tsp ground nutmeg  
1/8 tsp ground ginger  
Salt & Pepper  
1/2 cup sherry wine  
1 cup half-and-half cream  
1/2 cup sour cream

### STEP 2

Melt the butter in a large pot over medium heat. Add the onion, leek and garlic, and saute for a few minutes, until tender. Pour the chicken broth into the pot. Add the potatoes, and bring to a boil. Cook for about 20 minutes, or until soft. Add the squash, and mash with the potatoes until chunks are small. Use an immersible hand blender to puree the soup, or transfer to a blender or food processor in batches, and puree until smooth. Return to the pot.

### STEP 3

Season the soup with cayenne pepper, allspice, nutmeg, ginger, salt and pepper, then stir in the sherry and half-and-half cream. Heat through, but do not boil. Ladle into bowls, and top with a dollop of sour cream.

### GET YOUR FLU SHOT!

Receiving your flu shot has never been more important as we await the upcoming fall and winter seasons. Local convenient stores such as Walgreens and CVS offer free flu vaccinations. We do not want to overwhelm our heroic healthcare workers by having them treat patients with the flu in addition to patients that contracted COVID-19. If you can, please consider taking someone you know with you when you go for the flu vaccination. If you need a face covering, please stop by our office to pick one up.

### FOOD PROGRAMS

During this unprecedented time, our neighborhood public schools have been food distribution centers. If you need any assistance finding a school, please contact my office as soon as possible. In Community Board #10, P.S. 72 and P.S. 160 are serving grab-and-go meals for people of all ages. In Community Board #11, the Christopher Columbus High School Campus, P.S. 83, P.S. 89 and P.S. 97 are all giving away meals to those in need every day from 3PM to 5PM as schools reopen for in-person classes. If you are a senior citizen, you may be able to get meals delivered to you each week. Please dial 311, or when in doubt, call my office so we can assist.

### DOING OUR PART

I know that in some cases it can be difficult especially during this time when so many of us are leery of going outside. However, our responsibilities to our neighbors remains the same. Kindly curb your pet. If you have a tree pit in front of your home, kindly cut the weeds and remove litter. Sidewalk sweeping and removal of litter is the property owner's responsibility. Also, let's not litter in our own community. Let's help ourselves and respect the great work the Department of Sanitation does in keeping our community clean.

**NYC COUNCILMAN MARK GJONAJ:** Dear Friends, I hope that you and your families are continuing to be strong as we move forward, and our office continues to help so many in our District and beyond with legislation, funding, constituent affairs, informative townhalls, food, hand sanitizer, bookbag and mask giveaways, park clean ups, graffiti removals and much more. The COVID-19 pandemic is impacting so many, including our Veterans, in District 13. I am proud that today I co-hosted a Veterans Resources Tele-Townhall with NYS and NYC Veterans' Services representatives as well as Veteran groups in our District to discuss ways we can help, whether it be food insecurities, unemployment, the inability to pay rents, mortgages, water and sewer billings, small businesses and much more. We owe a great deal to our Veterans and we need to do everything to assist them. New York City public schools have announced a new phased-in in-person learning schedule across the next two weeks. The City should continue to work with teachers and parents to collectively act in the best interests of our city's schoolchildren and we must have an in-person learning plan that keeps children and teachers safe while providing the most constructive learning environment possible. This week, the NYC Council passed legislation to allow struggling NYC restaurants to charge a surcharge on on-premise dining to help cover costs during the pandemic. This will not be enough to save our city's 27K eateries. The Administration must act to put a comprehensive and reasonable plan on the table to rescue local restaurants and the jobs that come with them before it's too late. Tonight marks the start of Rosh Hashanah. Although this year's holiday may not look the same and many will be celebrating together in spirit, I wish all who celebrate a healthy, happy and sweet New Year. Please remember that we have been with you along this pandemic and we are here for you. Please contact my office at 718-931-1721 or email us at [MGjonaj@council.nyc.gov](mailto:MGjonaj@council.nyc.gov) with any issues or concerns. Sincerely, NYC Councilman Mark Gjonaj District 13, Bronx
