We have studied the investment and retail markets for decades, and in the past during times of economic uncertainty (which is deepening now), there have been dramatic price declines in many areas of the jewelry, gold and retail markets. Which is why this may be the best lime in decades for you to sell for some of the highest prices ever.</p>

CONSIDER BRINGING EVERYTHING

We have surprised many people who thought their items were not valuable enough to consider. The expert evaluators we have gathered together offer you a wealth of knowledge and experience. We are accustomed to paying thousands of dollars for valuable items. Don't miss this opportunity. Perhaps we'll help you find a real treasure in those hidden away pieces. There's never a charge for our consultation or services.

YOU MAY HAVE THOUSANDS OF DOLLARS WORTH OF ITEMS GATHERING DUST

Almost everyone has something of value they no longer need or want: Inherited items, jewelry that doesn't fit your style, watches that are old or even broken, silver pieces. Several items that might be useless to YOU.. may be considered treasures by the collectors from our vast international network.

- REASONS TO SELL**
1. Midwest Gold Buyers specializes in evaluation and buying New and Antique jewelry. Our generations of experience qualify us to evaluate everything from small pieces to the finest and most valuable estate jewelry.
 2. Midwest Gold Buyers has an undisputed reputation. We work in compliance with your Local and State Government.
 3. This is an ideal opportunity to have your valuables evaluated (especially if you inherited them) by experts right here in this area. Come in for a free appraisal and cash offer - **NO APPOINTMENT NECESSARY.**
 4. If you are not wearing or enjoying the items that you have, then this is a great chance for you to convert them to **CASH.** This is much better than just holding hard to sell diamonds, jewelry & coins.
