Dear Citizens,

The Orange City Fire Department continues to be grateful for the improved safety that the city's new station brings. In addition to our own meetings and trainings, the new facility allows us to hold county-wide classes in topics like: responding to propane emergencies, grain bin rescue, and environmental hazard response. We also have become a testing site for firefighters seeking official Iowa Fire Certification. We remain grateful for your support!

**Membership** in the department currently has 29 firefighters on call, assisted by 1 student firefighter from local high schools. We continue to look for people that are interested in serving the community if you are interested visit our website at [orangecityfire.com](http://orangecityfire.com) to download an application.

**Late last Fall, we took delivery of our new Engine 65.** The new engine was built by Rosenbauer of Lyons, SD. It has improved safety features, including emergency lights, and seating with harness seatbelts instead of lap belts, along with having the pump controls located in a safer area. It has been a great addition to the OCFD's fleet.

**The focus of our fundraising efforts** this year is the purchase of Bunker gear to keep our firefighter's outfitted in proper PPE. With the year we have had in 2020 proper PPE becomes more and more important. If you would like to support this project send a check to

**Orange City Fire Department** 125 Central Avenue SE Orange City IA 51041

This year's Fire Prevention Week theme is "Serve up fire safety in the kitchen". Unattended cooking is the leading cause of home fires. This year's theme focuses on cooking safety and preventing kitchen fires at home.

As always, Fire Prevention Week is a reminder to **test** home smoke detectors and **replace** weak batteries as well as detectors that are more than 10 years old.

Thanks again for all your support!

Denny Vander Wel

Chief, OCFD

Sale Held at Farm Site

**LAND LOCATION:** From Hinton: go East 1 mile on Main St., South 1.5 miles on K-42, then East 2.5 miles on K-42/310th St.; From Le Mars: Go Southwest 13 miles on Hwy. 75, East 1 mile on Main St., South 1.5 miles on K-42, then East 2.5 miles on K-42/310th St.; From Kingsley: go Southwest 1.5 miles on Hwy. 140, West 10 miles on C-70, North 2 miles on Lake Ave, then West 1.5 miles on 310th St.; From Lawton: go North .7 miles on Easter Ave., East .5 miles on 150th St., North 6 miles on Emmett Ave., West 1 mile on C-70, North 2 miles on Lake Ave., then West 1.5 miles on 310th St.

**GENERAL DESCRIPTION:** In the offering is a super nice unimproved 60 acre piece of Hungerford Township Farmland. This gently sloping farm is just what everyone wants. We are all looking for land that has just enough slopes to drain well, yet has the ability to be farmed with straight rows. A farm that is located in a strong area, with a good location close to great marketing towns like Hinton, Kingsley and Sioux City. Also, in a strong livestock feeding community with lots of hogs and cattle being fed nearby. Ethanol is also available in some local towns. Marketing options and alternatives are a big plus when looking for good land investments and this farm sure fills that bill.
