I've had issues with back pain ever since I can remember. I've tried to ignore the pain in my back. I wanted natural treatment rather than be put on harsh medications. I tried other things, but it didn't correct the cause of the pain. Since seeing Dr. Kanan I've regained feeling in my hands, my legs don't go numb, I've returned to yoga and my strength and flexibility are improving!

-Shalene S.

When I came to Dr. Kanan, I could barely walk. The pain was so severe it made me sick to my stomach! Dr. Kanan and his staff are true professionals. Dr. Kanan told me what was wrong with my back and the preventative measures I needed to take to fix it. Dr. Kanan and his staff took me from hardly walking to running and exercising again. My quality of life is much better!

-Health L.

I had trouble moving comfortably and breathing normally for about a year! Ever since my adjustments I feel like new! I now have full movement without pain and more energy throughout the day. I finally feel relaxed and calm again! I definitely recommend Dr. Kanan he helped me tremendously!

-Justin R.

BEFORE YOU VOTE

President Trump has colluded with foreign countries to help him get elected. He has let Putin put bounties on our soldiers. He caused Iran to attack several of our military bases, causing injuries to our soldiers, with no repercussions. He dodged the Vietnam draft claiming he suffered from bone spurs. How can anyone, especially a veteran, think of supporting this ignorant, lying, narcissistic traitor? He has been fact checked and has lied over 20,000 times. He has bragged about getting out of going to Vietnam. Called those who went stupid and losers and suckers. He has insulted gold star families. All of this is on record with video and/or audio for anyone to see or hear for themselves. He is a total failure and has bankrupted most every business he has started. He has tried to do away with healthcare, trade, put children in cages and given unnecessary hysterectomies to immigrant women. He has not built but a few miles of his wall and Mexico is not paying for it. He has continued to deny climate change against nearly unanimous scientific evidence. He is afraid to show his taxes because they will show he is not a billionaire and has lied about it. He has been accused of sexual assault by over twenty-five women and one was a thirteen year old child at the time. All of this is public record. He claims to be innocent but refuses to give any DNA evidence that could clear him. Yet people, even veterans, are placing his signs in their yards & plan to vote for him. Think about all of this before you vote for him. I can hear all of the "Trumpers" saying this is based on "fake news" perpetuated by politics, that it's just the Democrats trying to steal an election. That COVID-19 will miraculously go away after the election because it is merely a stunt perpetrated by the Democrats. He knew how dangerous the virus was in January but decided to down play it to prevent panic. He has no problem "panicking" people with migrant caravans and claiming that peaceful protesters are rioters. He is on record saying he tried to downplay the virus and even Fox News has verified the derogatory comments about veterans and those currently serving. Almost 40% of the country believes everything Trump says is true because he said it, even though fact-checkers, not to mention his own statements, prove him wrong just about every time he opens his mouth. You should sit down, do some honest research and ask yourself if you are okay having a person like this as your president. If Trump is re-elected this could be the end of our Republic. Are you really okay doing this to your children and grandchildren? If you say yes, you have deluded yourself and are out of touch with what it means to be an American. It is time to wake up. We are the laughing stock of the world because of one man. We can not allow this idiot to be re-elected. Please think hard about this before you cast your vote for the November election. AVOIDING CASHIER'S CHECK AND MONEY ORDER FRAUD. Be extremely cautious about accepting a cashier's check or money order for payment. Never accept a check or money order that is more than your selling price. Don't accept cashier's checks, money orders or any checks for that matter, for payment from buyers you do not know. If you are willing to take a cashier's check or money order in payment, insist on one drawn from a local bank or a bank that has a local branch and have it checked by someone at a bank before depositing/cashing.
