ARIES (March 21 to April 19) Your moodier side might emerge this week. But the dark period should pass in time for the party-loving Lamb to go on a happy gambol with some very special people this weekend.

TAURUS (April 20 to May 20) Yet again, you show your skill at being able to indulge in your love of the arts this week while still taking care of practical matters, including some still-unfinished business matters.

GEMINI (May 21 to June 20) A potential change might appear to be what you've been looking for. In any event, consider both the negative as well as the positive possibilities before making any sort of decision.

CANCER (June 21 to July 22) Relationships continue to dominate your aspect this week on a mostly positive level, with just a few problem areas you can smooth over. Also, try to be flexible about travel plans.

LEO (July 23 to August 22) You love being on center stage, and while you absolutely purr at the sound of all that praise, be careful not to take on too many commitments at the expense of time spent with loved ones.

VIRGO (August 23 to September 22) You might feel that you need to get involved in a matter concerning a friend or relative. But while the issues appear to be cut and dried, they might not be. Get more facts before you act.

LIBRA (September 23 to October 22) A suggestion about a policy change could create heated reactions. Keep your mind open and resist joining in with naysayers unless they can show a real basis for their position.

SCORPIO (October 23 to November 21) While potential career changes warrant your interest, don't ignore current job responsibilities. A personal relationship also can benefit from more of your attention.

SAGITTARIUS (November 22 to December 21) Don't guess at what the facts might be if you hope to make the best decision possible. The wise course is to ask direct questions and act on the answers you get.

CAPRICORN (December 22 to January 19) Your efforts involving that pesky problem should soon show positive signs of being resolved. This would allow you to shift some of your focus in another direction.

AQUARIUS (January 20 to February 18) While you enjoy well-deserved praise for getting a difficult job done, there's no time to relax. A new challenge looms. Expect more support from a once-strong critic.

PISCES (February 19 to March 20) You might still have explaining to do about your decision, but support grows as you continue to make your case. You also might want to start making plans for the upcoming holidays.

BORN THIS WEEK: You insist on making decisions based on facts, not on popular opinions. Have you considered a career in science?

Hearing Request

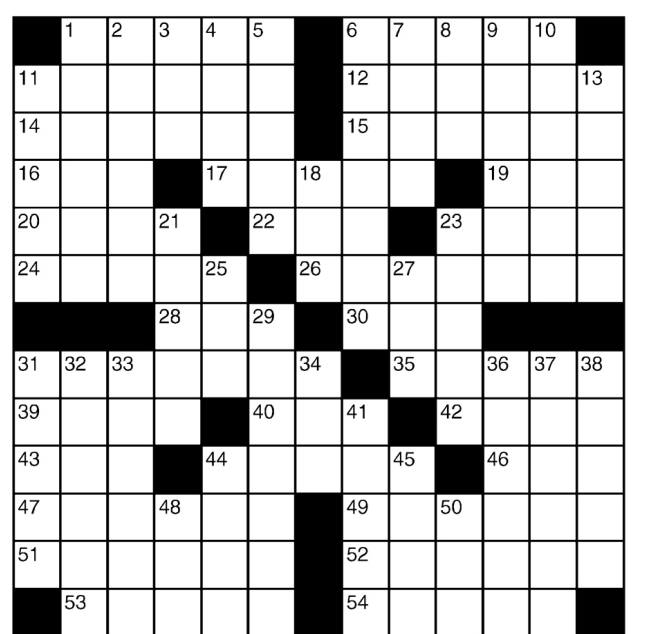

During a revival meeting, an evangelist asked the people in line what they needed.

One man's request was for his hearing. The evangelist spit on his finger, put it in the man's ear, prayed for him and then asked him, "How's your hearing now?"

He said, "I don't know - it's next Tuesday."

PIEDMONT PETS
October 8, 2020
By Paulette Dean

Not being able to afford the basic care of an animal is one of the top reasons that people decide to relinquish a pet to a shelter. Through the years, we have given pet food to people with a need to buy food until they receive a paycheck or help from a family member. The food was always taken from the supply for shelter animals and decisions were made on a case-by-case basis, even though we never turned anyone away. No matter the circumstances, it was not the pet's fault. Hard economic times for humans result in the same hard times for their pets.

In April of this year, Mary Dean's family sought to honor her on her 88th birthday by establishing a pet food bank. Mary is my mother and she also worked at the shelter's front desk for about 18 years.

The Mary Dean Pet Food Bank is sustained by donations of money and pet food. It is an ongoing program that, hopefully, will result in at least some pets remaining in their homes.

Pet food banks are similar to human food banks; they are not designed to provide lifelong care. They are a bridge to help animals get the nutrition they need for a few to several days. We generally are not able to guarantee that special needs in food will be able to be filled.

If you need temporary assistance, please call us at 799-0843. If you would like to donate to the Mary Dean Pet Food Bank, you may send a check to Danville Area Humane Society, P.O. Box 3352, Danville, VA 24543 or pay through the PayPal link on our website, dahsinc.com

Averett University Renames its North Campus, Namesake of Mrs. E. Stuart James Grant

Presenters from today's ceremony, from left to right: Averett student-athlete Owen Story; Averett Athletics Director Meg Stevens; Averett Chaplain Rev. Skyler Daniel; President & CEO of American National Bank and Trust Co. Jeff Haley; Averett Vice President for Philanthropy; Averett President Dr. Tiffany Franks

DANVILLE, Va. (Oct. 6, 2020) –Averett University today announced that it has renamed its North Campus to the Averett University E. Stuart James Grant North Campus. The Mount Cross Road campus is home to Averett Athletics.

The E. Stuart James Grant Charitable Trust, established in 1992 and administered by American National Bank and Trust Co., has provided the University with a combined \$18.5 million over the past 27 years. The late E. Stuart James Grant, the former owner and publisher of the Danville Register & Bee, willed her estate to eight organizations across the region upon her death in 1990.

"The immense contributions of Mrs. Grant have impacted Averett students, faculty, staff and visitors for almost three decades," said Averett University President Dr. Tiffany M. Franks. "We are most grateful to this very generous and remarkable woman whose donations can be realized across Averett's campuses, especially here on our North Campus."

The Grant Trust has funded many capital and programmatic projects at Averett, including:

- Frank R. Campbell Stadium construction
- E. Stuart James Grant Center
- North Campus Capital Fund
- Main Hall renovations
- Bachelor of Science in nursing program start-up funding
- Student Center construction
- Faculty technology training and faculty recruitment

"Our most used facility on this campus is named the E. Stuart James Grant Center, but with the gracious amount of donations from the Grant Trust to support Averett's mission, it was only fitting that we find a grander way to honor Mrs. Grant's generosity," said Franks.

"American National Bank & Trust Company has had the pleasure to administer the Grant Trust since inception. It has been particularly rewarding to see the generosity of Mrs. Grant's lasting gift be recognized in such a meaningful way by Averett University," said Jeffrey V. Haley, president & CEO of American National Bank and Trust Co.

The renaming project has been underway for some time, and was awaiting the completing of city road construction on Mount Cross. The University's new digital sign now bears the namesake of Grant.

THREE WAYS TO VOTE IN NOV. 3 GENERAL ELECTION

The general registrar for the city of Danville is reminding voters that there are three ways to vote in the Nov. 3 General Election and Danville's special elections.

Voters in Danville will cast ballots in elections for president, the U. S. Senate, the Fifth District House of Representatives, and Danville City Council. Also, there are ballot measures for casino gaming and two proposed state constitutional amendments. A sample ballot is available on the local voter registration/registrar website.

Voters can cast their ballots at the polls, by mail or early in-person, said General Registrar Peggy Petty on Tuesday.

Voting at the polls

Voting will occur from 6 a.m. to 7 p.m. on Election Day, Nov. 3, in the precinct where a voter is assigned.

Voting by mail

Voting by mail is an option due to a new state law allowing registered voters to request an absentee ballot without needing a reason or excuse.

Voters must first complete a "Vote by Mail" application, and then their ballot would be mailed to them. The deadline for the application to be received in the Danville voter registration/registrar's office is by 5 p.m. Friday, Oct. 23. The office is located at 530 Main St., first floor, suite 100.

Voters also may use the Virginia Department of Elections online portal to submit an application for a ballot.

Voters may return their ballot by mail in the postage-paid envelope provided or use the drop-off location inside the voter registration/registrar's office during office hours.

Voting early in person

Early voting in person began on Sept. 18. It requires no reason or excuse. Early voting is available at the voter registration/registrar's office during office hours through Oct. 31. The hours are 9 a.m. to 5 p.m. on Monday through Friday. Also, early voting will be available at the voter registration/registrar's office from 9 a.m. to 5 p.m. on Saturday, Oct. 24, and Saturday, Oct. 31. The office will be closed on Monday, Oct. 12.

Other important dates

The deadline for new voter registrations or changes of address is Tuesday, Oct. 13.

For more information, contact the voter registration/registrar's office at govote@danvilleva.gov or 434-799-6560.
