Meet... Miles & Mae

Miles and Mae are the old bonded "puppies" here at the Tullahoma Animal Shelter. We have a tendency to dress up like we did back in the disco days, it brings out the youthfulness in us. We used to get down and groovy every weekend but old age has caught up to us and sadly we don't have that spunk and young bones anymore. We can't move the way we used to so now we just like to sit at home on the couch and get up here and there to go outside and sniff around. We have been through the good and bad together so we would love to keep it that way. You wont even know we are there, we just like chilling and watching Twilight Zone or Andy Griffith! We will make it easy for you we promise. Mae is spayed but Miles is not neutered. If you are interested in us please feel free to call 931-454-9580 to come and see us!

NO EXPERIENCE PREFERRED

The last job you'll ever love!

We are looking to fill a full-time position on our sales team. You'll receive the training you need to be successful in this role. And you'll have the ability to earn more income every month!

“ - Sandra Thomas

I was apprehensive before applying for the position. I only had experience working in gift sales. I knew nothing about advertising. EMG put me through paid training and let me watch other sales reps. That was 10 years ago! When a business tells me “working with you is a blessing,” I can't help but smile every time.

“ - Lance Carter

Before working at Exchange Media Group, I thought they only worked in print. Come to find out, they help hundreds of digital clients, too! I love showing businesses how well our advertising works. I've seen countless businesses grow from working with us.

“ - Sissy Smith

When I first started working with Exchange Media Group, the extensive training was the most impressive part. It allows everyone on the team, no matter where we came from, to be the best we can be. As an employee, I love that our customers become our family. We're local, so we can really make a connection with them.
