Tract 2: 2 Rental Homes on 3.5 Acres (Per Original Government Survey)

LIVE PUBLIC AUCTION AND ONLINE BIDDING
Online Bidding @ BrockAuction.com & Click on HiBid
Monday, November 9, 2020 @ 10:30 AM
Sale Held at Willow Creek Golf Course - 935 Park Ln., Le Mars, IA

METHOD OF SALE: Tract 1 will be offered first followed immediately by Tract 2. The tracts will be sold individually, they will not be combined and offered as one unit.

LAND LOCATION: Adjacent to North City Limits of Le Mars, Iowa on Mahogany Ave. Across the road from North Greenview Estates and Willow Creek Golf Course.

GENERAL DESCRIPTION: Brock Auction Co. Inc. is proud to be working with Koley Land Co. Inc. in offering one of the most widely known, diverse farms in Plymouth County. This great farm located on the Northern City Limits of Le Mars, Iowa holds the key to great untold and untapped opportunities. Undoubtedly excellent, high indexing farmland forms the backbone of the farm. Unlike most farms, however, this land offers opportunities for a multitude of diverse interests. Farming, Sand/Gravel Pit, Outdoor Recreation/Hunting and Fishing and Possible Development, to name just a few on Tract I. Tract II offers rental homes on 3.5 acres. Less than a 1/4 of a mile from the Le Mars city limits.

Farming: Tract 1 will sell as approx. 319.57 acres M/L per the Original Government Survey. The Plymouth Co. FSA Office shows approx. 265.43 Cropland acres w/ approx. 138.76 acre cornbase w/a 172bu. PLC Yield Index, and approx. a 119.06 acre soybean base w/a 48bu. PLC Yield Index, and there is approx. 7.96 CRP acres as well. The Plymouth County Assessors & NCRS Office shows the main soil types to be Kennebec and Galva with smaller amounts of Radford, Ida and Primghar. The farm carries a very nice weighted average CSRII of 81. Here is the real kicker, approx. 75.8% of this farm carries a CSRII rating from 91 to 95 WOW!! If you are looking for great river bottom farmland with great high indexing soils and wonderful potential, so close to Le Mars' great marketing operations as well as close surrounding towns and livestock facilities really close by, I don't think you'll find a better opportunity anywhere within a wide range of this farm.

Let's Talk Diversity & Potential Opportunity!

- * Sand/Gravel Opportunity: Potential Extra Income!
- * Potential Development Opportunity: Country Estates
- * Hunting/Fishing & Outdoor Recreation: Make your own memories that will last forever!

Tract II: Rental potential or your own home with an extra house to help with the payments. This 3.5 acre tract has a beautiful tree lined lane leading to the two homes situated discretely back from Mahogany Ave. less than 1/4 of a mile from the city limits of Le Mars. There is a 1 story home and a 2 story home with a couple of other outbuildings as well. Whether you are wanting to invest in rental property or buy a nice home with additional rental income, this is a piece of property to give really close examination. Good Luck to You All!

-ATLAS-
Christmas Store

The ATLAS Board and Staff are excited for some changes being made to the Christmas Store this year. After many years of hosting the store for one morning at Town Hall in Orange City, this year ATLAS will be hosting the store for four weeks, by appointment, at our office. Our hope and prayer is that this change will not only allow people to shop safely, but also to allow shopping in a more private setting. The office will allow people to come in and shop for all the regular items in our ATLAS board room.

OFFERED: Monday-Thursday, 9:00-5:00 p.m.
November 30- December 23. OPEN TO PUBLIC: December 21, 22 & 23

We will be open to the public for shopping from 10:00-2:00 on December 21, 22 & 23. The limit per household will still be \$50 and anyone interested in shopping should call the office first in order to limit the number of shoppers at one time.

Please spread the word about this opportunity to any families or individuals you think may need some assistance this holiday season. If you would like to shop for a family in need, we encourage that also.

As in other years, gifts and monetary donations are greatly appreciated to help the store be a blessing to many families. Household/kitchen items, men's and women's items, and kid's toys are always appreciated. Please contact Elsa at the ATLAS office if you would like to volunteer with the store or if you have questions about anything.

All donations for the store can be dropped off at the ATLAS office.

“PUBLIC ROAD RIGHT-OF-WAY” ORDINANCE AND “SNOW ORDINANCE”

To: Property Owners, Tenants, and Residents of Sioux County. Sioux County’s “Public Road Right-of-Way Ordinance” and “Snow Ordinance” prohibits the obstruction of public road right-of-way which includes the road ditch and road shoulder.

Property owners, tenants, and residents in violation of this ordinance are asked to remove and refrain from placing the following items considered an obstruction in the public road right-of-way which includes the road ditch and road shoulder.

1. Fences of any kind placed within the right-of-way and road shoulder
2. Debris, trash, burn piles, garbage, etc. placed on road right-of-way which includes the road ditch and road shoulder.
3. Snow: From private driveways placed on the roadway which includes the road shoulder.

The placing of these items within and along the road right-of-way including the road ditch and road shoulder may hinder snow removal, create snow drifts, and increase snow removal cost along with causing danger for those traveling the roadway and liability for those in violation of Sioux County’s Public Road Right-of-Way Ordinance.

The Ordinance does provide for a penalty which will be enforced against those who remain in violation of this “Public Road Right-of-Way Ordinance” and “Snow Ordinance”. Those who are found guilty of violating these ordinances can receive a fine up to \$100.00 per violation.

Your time, efforts and cooperation in removing and refraining from placing obstructions in Sioux County right-of-way including road ditches and road shoulders will be greatly appreciated.

Road Edge Cutting

Property owners, tenants and residents are asked to cut or otherwise destroy excessive vegetation on the road shoulder adjacent to their property. The removal of excessive vegetation on road shoulders will help with snow removal, prevent the formation of snow drifts, and help reduce snow removal cost. Each property owner or tenant’s time, efforts and cooperation will be greatly appreciated. Thank You.
