# **Is Healing For All?**

One of the greatest barriers to the faith of many who need a healing in their physical body, is the uncertainty in their minds about the will of God to heal all who are sick. In John 6:38, Jesus said "For I have come down from heaven not to do My own will, but the will of Him who sent me." So what did Jesus do while living upon the earth? He healed all who came to him.

In fact, 6 times in the gospels we see Jesus healing all who needed healing. One example of this is Matthew 8:16, "When evening had come, they brought to Him many who were demon-possessed. And He cast out the spirits with a word, and healed all who were sick."

Not once in the accounts of the life of Jesus do we see Him refusing to heal anyone who came to Him to be healed. And God does not discriminate. If you are sick, it is God's will to see you healed.

We encourage you to look up and read all the following scriptures that say Jesus healed all who came to Him: Matt 4:23-25; Matt 12:15; Matt 14:34-36; Luke 4:40; and Luke 6:19. Let faith touch your heart as you read. Believe what His word tells you. If Jesus healed all who came to Him, then come to Him for your healing.

If you would like to talk about the above, or would like us to pray with you, let us know.

# SPEAK OUT

Dear "Speakout",

I would like to encourage every eligible voter to **Vote on November 3rd.**

This week, we will study the differences between a "democracy" and a "federal constitutional republic". It is not my purpose to promote any candidate or political party, but to explain the differences between these two forms of government.

I hear people in Albany and Washington and people from Western New York refer to our form of government as a "democracy". They are seriously mistaken!

We are a "Federal Constitutional Republic"! They either do not know their constitution or they wish we were a "democracy" rather than a "federal constitutional republic".

Article IV - Section 4 of the United States Constitution reads "The United States shall guarantee to every State in this Union a Republican Form of Government, and shall protect each of them against Invasion; and on Application of the Legislature, or of the Executive (when the Legislature cannot be convened) against Domestic Violence."

In a "federal constitutional republic" whatever the Bible said thousands of years ago are the same moral absolutes now as they were then. The Ten Commandments said that we are not to murder, not commit adultery, not steal, not covet another's possessions, honor our parents, respect those in authority and not bear false witness against another person.

If we are truly honest with ourselves, our lifestyles as Americans are falling far short of keeping the Ten Commandments. In a "democracy" whatever seems right at that point in time is acceptable to the people as there are no moral absolutes. I have to be honest in saying that our country is leaning more and more toward a "democratic" form of government.

I believe we need to see what some of our founding fathers thought of a "democracy":

Thomas Jefferson wrote "A democracy is nothing more than mob rule, where 51 per cent of the people may take away the rights of the other 49 percent."

John Adams wrote "Democracy never lasts long. It soon wastes, exhausts, and murders itself. There was never a democracy that did not commit suicide."

Benjamin Franklin wrote "The government set up by James Madison and the other Founders requires a virtuous public and virtuous leaders or the whole system will fail." We need to be virtuous and elect virtuous candidates to office if we wish our country to continue to exist.

Franklin also wrote "Democracy is two wolves and a lamb voting on what they are going to have for lunch." He also wrote "When the people find that they can vote themselves money, that will herald the end of the republic." How true this is when most Americans are still looking for another stimulus check!

Is this a sign of the end of our country? Franklin was asked "What do we have, a republic or a monarchy? Franklin replied "A republic, if you can keep it." My question to everyone who reads this article is, can we keep our republic or are we going to allow it to go the way of other nations of the past?

So what direction do we wish our wonderful country to go in the next four years and in the next few decades. The decisions we make on Tuesday will determine the answer to that question. Every eligible voter has the freedom to vote for the candidate of their choice. I leave you to reflect upon what I have written and ask you to vote your conscience on Tuesday. Lord willing, we will elect leaders on Tuesday who will lead our country back to the strong country which our founding fathers gave to us so long ago. Remember, it is our responsibility to leave America a better place to live than when we arrived. Lord willing, I will see you again next week with a new topic.

### Attention Hunters

The Wildlife Management Units (WMUs) that will be available starting November 1st will be: 1C (bowhunting only), 3M, 3R, 3S (bowhunting only), 4J (bowhunting only), 6P, 7F, 7H, 7J, 7R, 8A, 8C (bowhunting only), 8F, 8G, 8H, 8J, 8M, 8N, 8R, 9A, 9F, and 9G.

I will be in my office Noon - 2:00 p.m. Sunday November 1st in order to process requests for these extra DMPs.

Please read the following information from DEC:

-Hunters may apply for and receive up to two additional DMPs in these WMUs.

-Applicants with licenses that are exempt from paying a DMP application fee or hunters who have previously applied for DMPs this license year will not be charged any additional fees during the extended application period. Otherwise, there is a non-refundable \$10 application fee for leftover DMPs.

-Leftover DMPs are issued on a first-come / first-serve basis. DEC will continue to issue permits in these WMUs until sufficient numbers of DMPs are issued to achieve optimum management in each unit. When a unit is open, it will remain open at least until close of business on that day. At the end of the business day, any units that have reached the desired number of permits will be closed.

-Applications for leftover DMPs will not affect any preference points held by the applicant.

-DMPs are only valid for antlerless deer in the WMU for which they are issued.

### THANK YOU

A HUGE THANK YOU goes out to Tim Knowles, owner and chef of Questa Lasagna in Mount Morris. Tim hosted "Community Dinners" for six consecutive Saturdays, providing free meals to many residents during the pandemic. COVID restrictions forced his restaurant to close, at least temporarily. We appreciate your generosity to our community at this and always, and we sincerely hope to see you reopen in the future. Questa Lasagna is a local treasure on Main Street, and is currently missed by many.

# Positively Mount Morris

## Giving From The Heart

Mount Morris is the 'Best Town by a Dam Site!' Maybe it's been a while since you heard that slogan, but it still rings true today.

In spite of the difficult times we've all had to endure, it's the love and support of a tight-knit community that makes getting through every day a little easier.

Why am I telling you this? To give you hope and to shed light on someone who went above and beyond the call to not only give back but to serve his community.

During this unimaginable season, many people have lost their jobs, their livelihoods and some have even been forced to close the doors to their businesses. Questa Lasagna in Mount Morris was one of those casualties.

Not only was it devastating for owner Tim Knowles and his family, but for the many patrons of Questa Lasagna both near and far who frequented his establishment on a consistent basis.

Tim Knowles had devoted his entire life to his passion for owning a restaurant and serving delicious food. He was able to realize his dream in 2010 when he opened his doors on Main Street in Mount Morris. Since that time, he has been hugely successful due to the quality of food and the service his staff provides. What you found were amazing, fresh ingredients and delicious meals!!!

After being forced to shut down due to the pandemic, with food remaining in his restaurant and not wanting it to go to waste, Tim decided to hold two free Spaghetti Dinners for the community. Not only would he be able to use up the remaining food, but it was his way of saying 'Thank You' to all those who patronized his business for so many years.

On the last two Saturdays of August, anyone needing a meal, was invited to come to Questa Lasagna from 5-7 PM and get a Spaghetti Dinner, free of charge. Tim's hope was to feed as many people as possible on a first come, first serve basis...and that he did! Each weekend, in a very short time, he sold out. End of story? Not by a long shot!

Seeing the need of so many people firsthand, Tim decided to go a little bit further. With the remaining food gone from his restaurant, Tim then reached into his own pocket and purchased enough extra food to hold four additional Community Dinners.

Each Saturday in September, folks were again invited to show up from 5-7 PM and take home two free meals at no charge. Different meals were served each week, but each time, he quickly sold out. After all was said and done, several hundred community members were fed.

"It was an opportunity to respond to your community when the community was in need," shared Knowles.

Thank you Tim Knowles for your unparalleled generosity, for giving so freely to your community and for setting a wonderful example for all to follow!!!

### Protect Yourself from Diseases While Hunting

If you hunt, be aware that it can put you at risk for two common diseases that can be prevented. These two diseases are Lyme disease and Rabies.

The Livingston County Department of Health offers information and tips about each disease below.

Lyme disease is transmitted to humans by the bite of an infected tick. Typical symptoms include fever, headache, fatigue, and a circular skin rash with a target-like appearance. Tips to stay safe from Lyme disease while hunting include:

- ✘ Wear insect repellent or use odorless permethrin on clothing
- ✘ Tuck your pants into socks, and shirt into pants
- ✘ Check for ticks daily
- ✘ Shower soon after being outdoors

Rabies is transmitted through direct contact such as broken skin or mucous membranes in the eyes, nose, or mouth of an infected animal. Symptoms can include general weakness or discomfort, fever, or headache.

Tips to stay safe from rabies while hunting include:

- ✘ Staying clear of animals that have trouble walking, is drooling, or has an appearance of "drunkenness," aggression or even tameness
- ✘ Wear gloves when dressing or butchering game
- ✘ Wash hands thoroughly afterward

For more information on Lyme disease and rabies, please visit [www.livingstoncounty.us/eh](http://www.livingstoncounty.us/eh) or call the Livingston County Department of Health at 243-7280.

**REAL ID DEADLINE EXTENDED TO OCTOBER 2021:** The Department of Homeland Security recently announced that President Donald Trump ordered the deadline for the REAL ID program to be extended by a year due to the COVID-19 crisis. The program requires U.S. travelers to obtain REAL ID-complaint driver's licenses in order to board domestic and international flights. According to a statement from Chad Wolf, Acting Secretary of Homeland Security, "Due to circumstances resulting from the COVID-19 pandemic and the national emergency declaration, the Department of Homeland Security, as directed by President Donald J. Trump, is extending the REAL ID enforcement deadline beyond the current October 1, 2020 deadline. I have determined that states require a twelve-month delay and that the new deadline for REAL ID enforcement is October 1, 2021. DHS will publish a notice of the new deadline in the Federal Register in the coming days."

**One Small Ask:  
Please Wear a Mask**

Mount Morris, NY - As we enter into cold and flu season and begin to plan for the holidays, the Livingston County Department of Health would like to remind residents to stay diligent and disciplined. It is still recommended that everyone over the age of two, unless you have a medical condition, cover your nose and mouth with a mask or cloth face covering when in public spaces and when you are not able to maintain a distance of six feet from others.

Each and every resident is encouraged to continue the fight against spreading COVID-19.

Unfortunately, we are not out of the woods yet. We continue to receive notice of positive cases, and our numbers have slowly increased over the last few weeks. The increase was expected as part of reopening businesses and schools, but as a whole, the County numbers remain low because of residents following the guidance of health professionals.

Working together is what we do best, so let's continue in our efforts to stop the spread. It really is a small ask: please wear a mask! For more information, visit the Livingston County COVID-19 webpage or call the Livingston County Department of Health at 585-243-7299.

To keep up to date on County happenings and COVID-19, follow us on Facebook and Twitter.

**As a matter of Fax,  
We are open  
and we do  
FAX!**

**~ Please call ahead ~  
658-3520**

and don't forget to  
wear your mask!
