*COVID UPDATE*** Just

like everyone else, we anxiously await to have Covid behind us. Unfortunately, it appears that may take a while. Currently, for may take a while. Currently, for the protection of our staff and customers, we require every-one in our building to wear a face mask. This is NOT a politi-cal statement and we under-stand not everyone wants to wear a mask, but we simply want everyone to be as safe as possible, especially those that may be high risk. If you choose possible, especially those that may be high risk. If you choose not to wear a mask, we understand, and we hope to see you after this pandemic is over. If you are afraid to go out and you feel cooped up, throw on a mask and come on by and do some holiday shopping. We'd love to see you. We will have our masks on and we frequently clean for your protection. The world is a weird place right now and we must rely on everyone's compassion and empathy this holiday season. We WILL get through this together. Sincerely, the crew at The Shops at Main and McGrew. In Shelbyville's historic post office. Closed Mondays and Tuesdays. (931)536-1626.

The last job you'll ever love!

We are looking to fill a full-time position on our sales team. You'll receive the training you need to be successful in this role. And you'll have the ability to earn more income every month!

- Sandra Thomas

I was apprehensive before applying for the position. I only had experience working in gift sales. I knew nothing about advertising. EMG put me through paid training and let me watch other sales reps. That was 10 years ago! When a business tells me "working with you is a blessing," I can't help but smile every time.

- Lance Carter

Before working at Exchange Media Group, I thought they only worked in print. Come to find out, they help hundreds of digital clients, too! I love showing businesses how well our advertising works. I've seen countless businesses grow from working with us.

- Sissy Smith

When I first started working with Exchange Media Group, the extensive training was the most impressive part. It allows everyone on the team, no matter where we came from, to be the best we can be. As an employee, I love that our customers become our family. We're local, so we can really make a connection with them.
