NO EXPERIENCE PREFERRED

The last job you'll ever love!

We are looking to fill a full-time position on our sales team. You'll receive the training you need to be successful in this role. And you'll have the ability to earn more income every month!

“ - Sandra Thomas

I was apprehensive before applying for the position. I only had experience working in gift sales. I knew nothing about advertising. EMG put me through paid training and let me watch other sales reps. That was 10 years ago! When a business tells me “working with you is a blessing,” I can't help but smile every time.

“ - Lance Carter

Before working at Exchange Media Group, I thought they only worked in print. Come to find out, they help hundreds of digital clients, too! I love showing businesses how well our advertising works. I've seen countless businesses grow from working with us.

“ - Sissy Smith

When I first started working with Exchange Media Group, the extensive training was the most impressive part. It allows everyone on the team, no matter where we came from, to be the best we can be. As an employee, I love that our customers become our family. We're local, so we can really make a connection with them.

Meet... **Maple**

Maple is a 8 year old Boxer that was living on the streets, she is such a sweetheart that needs and deserves the best. She was not treated well in the past, she has had multiple litters of puppies and was only being used for a puppy mill and then she was dumped on the streets to fend for herself once she became older. She is older so she will be content with a warm bed right by you watching The Golden Girls and she still has a lot of spunk left and is able to get out and enjoy a nice walk.
