Lorain Veteran Council for Civic Improvement

The Council of Lorain Veteran Organizations for Civic Improvement, known simply as Lorain veterans Council was formed over 70 years ago to recognize that service to community, state and nation is important in both peace time and in time of war.

The Council consists of 9 Veterans organizations with the goal to coordinate and harmonize activities to promote the interest of all citizens of the community by inaugurating, encouraging and assisting in civic improvement.

In addition to its service to Veterans and the community, the Council recognizes a deserving Veteran each year as its "Veteran of the Year." Lorain County has a rich heritage of Veterans serving their country. With over 20,000 Veterans residing in Lorain County, the level of selfless service to country and community is well recognized. The charge of the Lorain Veterans Council is to continue that mission in the spirit of selfless service to all citizens.

The Valor Home of Lorain County

Valor Home was funded in 2010 by grants and donations. Navy Cross Veteran Sam Felton along with Veterans Dan Gillotti, Don Attie and others had a huge part in making Valor home a reality. On December 22, 2014 we opened our doors. Since our opening we have had 325 residents stay with us.

The Valor Home of Lorain County is a transitional housing program for homeless male veterans. We help our residents through structured and engaging therapies such as art, music and life skills therapy on-site four days a week. Our support workers offer advocacy and encouragement to our residents.

Valor Home Lorain is a drug-free, alcohol-free, and smoke-free facility. Valor Home provides support services to residents both on-site and in the community. Each resident is assigned a support worker. Daily routine includes self-improvement activities, exercises in self-sufficiency and personal time.

Aging Veterans or Their Surviving Spouses Benefit with In-Home Assistance

As a veteran — or surviving spouse of a veteran — it may feel bothersome for you to depend on family for assistance in your home. You don't want to feel like a burden, you want to do things on your own terms, and on your own schedule. There are local resources, like Seniors Helping Seniors® care services, to help aging veterans in their own homes.

And there is also the Veterans Administration Aid and Attendance Pension Benefit, an assistance program for qualified aging veterans or their surviving spouses. This program assists with in-home care expenses. Any veteran who has served at least 90 days, with one day during a period of war, and has health needs that require some level of assistance may qualify for the pension benefit.

For the veterans or their widows who meet the right criteria, the Aid and Attendance Benefit can provide

financial assistance toward the cost of in-home care services such as medication reminders, meal preparation, mobility assistance, personal care assistance with dressing, bathing and eating, running errands, escort to appointments, and other activities of daily living.

One of the most important criteria to qualify for the Aid and Attendance Benefit is that the veteran must be receiving home care services at the time of the application.

Please take a moment to talk with someone at the Veterans Affairs office, the Office of Aging or your local Seniors Helping Seniors® organization about affordable, quality care for aging veterans or their spouses so that they can continue to live in the comfort of their own home. Seniors Helping Seniors® In-Home Services can be reached at 440-935-3848 or visit www.SeniorCareLorain.com.

The difference between Memorial Day and Veterans Day

Many people confuse Memorial Day and Veterans Day. Both holidays were established to recognize and honor the men and women who have worn the uniform of the United States Armed Forces. But Memorial Day, which is observed on the last Monday in May, was originally set aside as a day for remembering and honoring military personnel who died in the service of their country, particularly those who died in battle or as a result of wounds sustained in battle.

While those who died are also remembered on Veterans Day, which is observed on November 11, Veterans Day is intended to thank and honor all those who served honorably in the military -in wartime or peacetime. In fact, Veterans Day is largely intended to thank living Veterans for their service, to acknowledge that their contributions to our national security are appreciated, and to underscore the fact that all those who served – not only those who died – have sacrificed and done their duty.

HISTORY OF VETERANS DAY

World War I – known at the time as “The Great War” – officially ended when the Treaty of Versailles was signed on June 28, 1919, in the Palace of Versailles outside the town of Versailles, France. However, fighting ceased seven months earlier when an armistice, or temporary cessation of hostilities, between the Allied nations and Germany went into effect on the eleventh hour of the eleventh day of the eleventh month. For that reason, November 11, 1918, is generally regarded as the end of “the war to end all wars.”

In November 1919, President Wilson proclaimed November 11 as the first commemoration of Armistice Day with the following words: “To us in America, the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country’s service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations...”

The original concept for the celebration was for a day observed with parades and public meetings and a brief suspension of

business beginning at 11:00 a.m.

The United States Congress officially recognized the end of World War I when it passed a concurrent resolution on June 4, 1926.

An Act (52 Stat. 351; 5 U. S. Code, Sec. 87a) approved May 13, 1938, made the 11th of November in each year a legal holiday—a day to be dedicated to the cause of world peace and to be thereafter celebrated and known as “Armistice Day.” Armistice Day was primarily a day set aside to honor veterans of World War I, but in 1954, after World War II had required the greatest mobilization of soldiers, sailors, Marines and airmen in the Nation’s history; after American forces had fought aggression in Korea, the 83rd Congress, at the urging of the veterans service organizations, amended the Act of 1938 by striking out the word “Armistice” and inserting in its place the word “Veterans.” With the approval of this legislation (Public Law 380) on June 1, 1954, November 11th became a day to honor American veterans of all wars.

In 1958, the White House advised VA’s General Counsel that the 1954 designation of the VA Administrator as Chairman of the Veterans Day National Committee ap-

plied to all subsequent VA Administrators. Since Marc 1989 when VA was elevated to a cabinet level department, the Secretary of Veterans Affairs has served as the committee’s chairman.

The Uniform Holiday Bill (Public Law 90-363 (82 Stat. 250)) was signed on June 28, 1968, and was intended to ensure three-day weekends for Federal employees by celebrating four national holidays on Mondays: Washington’s Birthday, Memorial Day, Veterans Day, and Columbus Day. It was thought that these extended weekends would encourage travel, recreational and cultural activities and stimulate greater industrial and commercial production. Many states did not agree with this decision and continued to celebrate the holidays on their original dates.

The first Veterans Day under the new law was observed with much confusion on October 25, 1971. It was quite apparent that the commemoration of this day was a matter of historic and patriotic significance to a great number of our citizens, and so on September 20th, 1975, President Gerald R. Ford signed Public Law 94-97 (89 Stat. 479), which returned the annual observance of Veterans Day to its original

date of November 11, beginning in 1978. This action supported the desires of the overwhelming majority of state legislatures, all major veterans service organizations and the American people.

Veterans Day continues to be observed on November 11, regardless of what day of the week on which it falls. The restoration of the observance of Veterans Day to November 11 not only preserves the historical significance of the date, but helps focus attention on the important purpose of Veterans Day: A celebration to honor America’s veterans for their patriotism, love of country, and willingness to serve and sacrifice for the common good.

Local and Effective Gutter Protection

Jim Carbone Elyria's Gutter Cover Company Gutter Protection products have many different designs, but the goal has always been the same- Keep the Leaves out and let the rainwater in. Here are some strategic details to look for when choosing a gutter cover and who to call to install it.

A good gutter cover needs to perform in certain areas in order to be successful:

- Must allow debris like small leaves, needles, spinners, seedpods and roof shingle grit to naturally slide off the cover.
 - Must handle heavy amounts of rainwater without overflowing.
 - Must be wind resistant and strong enough not to "cavein" under heavy snow loads.
 - Must not require any trips up the ladder to maintain performance.
 - Cannot have vertical openings like screens or filters that can clog easily.
- Don't be fooled...All screens can clog! The Gutter Cover Company has

been installing Gutter Topper for almost 22 years. Gutter Topper is proudly manufactured right here in Ohio and made to withstand our wicked weather. It is a smooth, solid aluminum cover that has no holes or gaps on top. A sloped, self-shedding design prevents spinners, pine needles, shingle grit or seedpods from clogging the gutter. Gutter Topper can handle heavy downpours of up to 22 inches of rain per hour and 110 mph winds. It also features a lifetime transferable performance warranty. Many competing gutter guards require full replacement of both gutters and downspouts. Gutter Topper installs over your existing gutters, and each installation includes cleaning, tightening, resealing and properly aligning your gutters. New seamless gutters are also available. The Gutter Cover Company also offers a safe and effective way to stop big icicles and ice damming. An optional add-on product called Heater Cap can

be installed with or without Gutter Topper that gently heats the gutter area with a self-regulated heat cable. Heater Cap can be installed on most existing gutter covers. Hiring the right company to install the cover correctly is very important. The Gutter Cover Company has a proven track record of success in Northeast Ohio and the locals have been referring their friends and neighbors for years. "Our company takes pride in solving gutter problems the right way. Our product, experience and attention to detail really make us stand out from the big box stores and other competitors. Free estimates are always punctual and professional, but still friendly and casual." -Jim Carbone, Owner

You can reach The Gutter Cover Company at 440-366-0688 or 1-800-335-4367. View short videos of Gutter Topper and Heater Cap at:
