TRUMP
Was the Election Legitimate?

There is evidence of mail-in voter fraud and "glitches" in the ballot counting software. Is this widespread enough? Is there enough provable evidence to change the outcome of the election? If there is, will judges and certifying legislators be brave enough to follow the rule of law?

Many in Orange City are discouraged. The legitimacy of our system is in question. With a Biden/Harris administration we may get the Green New Deal, socialized medicine, federal lockdowns, and mask mandates. The Equality Act will put the rights of sexual revolutionaries above the religious liberty of our churches and schools. What do the good people of this area do when faced with such a mess? Riot, loot, smash windows?... No we PRAY to the God of the universe who sets up rulers and brings them down! State representative Skyler Wheeler and several others will speak.

A Prayer Service this Friday Nov. 20 at 7pm
Sponsored by the New Grace Reformed Church
Committed to addressing political topics that effect the church, Pro-Life, creation/not evolution, Gods design for marriage and sexuality.
