Dutch Heritage Boosters

Annual Fundraiser & Membership Drive

Dear Community:

Since 1986, the Dutch Heritage Boosters have been striving to preserve our authentic Dutch heritage by promoting Orange City and the annual Tulip Festival. Each year, visitors and residents have the opportunity to experience Dutch culture through the many events hosted by the Dutch Heritage Boosters.

We live in a world today that is constantly changing. We tend to focus on where we are going instead of realizing the importance of from where we have come. We are asking for your help in preserving our rich heritage for generations to come. We rely on the generosity of community-minded donors and the assistance of businesses to successfully serve our community and visitors each year.

Unfortunately, we were unable to sell poffertjes this year due to COVID. Poffertjes sales are our main source of income. Therefore, your donation of any size is greatly appreciated this year. Would you consider donating the dollar amount of poffertjes that you would have normally purchased and enjoyed in 2020? Donations will help maintain and improve The Century Home and the Little White Store, two important landmarks of our history. Your donations will also benefit Sinterklaas Dag and the Heritage Walk in the Annual Tulip Festival as we educate others about our Dutch traditions.

Even though we were not able to sell poffertjes this year, that does not mean we were idle. If you drive past the Century Home or visit the courtyard of the Little White Store, you will see the new landscaping projects that we completed this fall.

Maybe you are unable to financially support us this year. That is okay—we understand! Would you consider joining our team? We always have need of more board members and volunteers.

The Dutch Heritage Boosters would like to thank you for your time and consideration.

We eagerly look forward to serving you poffertjes and entertaining you during Tulip Festival in 2021!

What does the Dutch Heritage Boosters do?

We own/manage/upkeep:
 Century Home
 Little White Store
 Puppet Theatre

Yearly activities/events:

- Poffertjes Mix Day (one Sat. morning in April)
- Century Home tours (Tulip Festival)
- Heritage Walk (Tulip Festival)
- Sell poffertjes (Little White Store; Tulip Festival and select summer Wednesday evenings)
- Sinterklaas Dag (first Saturday in December)
- Puppet Theater (Tulip Festival and Sinterklaas Dag)
- Social Media historical and educational posts
- Parade of Flags (Tulip Festival)

Are you interested in being a volunteer?

I am not very talented. What are you looking for?
 We have things for all types of people! Here are just a few things our board members help with:

- | | | |
|--------------------|--------------------|------------------------------|
| yardwork | gardening | housekeeping |
| carpentry | Poffertje sales | talking with visitors |
| giving tours | walk in the parade | Assist with Sinterklaas Dag, |
| fundraising | advertising | social media |
| finding volunteers | brain-storming | promotional planning |

We need you!

Are you interested in being a board member or a volunteer?

Is this a huge time commitment?

No, not at all. We meet 8 times a year (the first Monday of each month but not in January, February, July, and August). Meetings run 60-90 minutes. You can plug into any of the above areas/activities and put in as much time that fits your schedule.

Do I need a Dutch costume?

No; only those who participate in the Heritage Walk or Parade of Flags need to wear a Dutch costume.

Do I have to be Dutch?

Absolutely not! Orange City and the Tulip Festival—and the Dutch Heritage Boosters—welcome people from all backgrounds and ethnicities. As long as you like the community, you will fit right in!

FAST TURNAROUNDS

The market for printing has been undergoing changes in recent years. A DEMAND FOR FAST TURNAROUNDS is one of those changes. Digital printing gives the ability to have next day printing - there is little setup, no plating and no dry time.

SHORT RUN - FULL COLOR

Small quantities at an affordable price. Difficult to believe, but true! With no setup costs, there is no more overprinting. HOW MANY YOU NEED, IS HOW MANY YOU GET. Need a reprint? Even easier and very affordable. Convenience at its best.

COLOR Digital Printing

EXTREMELY EFFICIENT

The efficiency and convenience of Digital Printing BENEFITS ANY COMPANY WHETHER LARGE OR SMALL. The capability of full color short runs, direct marketing, and fast turnarounds is breaking down printing barriers.

DIRECT MARKETING

Need an edge? Digital printing creates a scenario where each PIECE PRINTED CAN BE DIFFERENT. The use of variable data, such as a customer data base, can be used to personalize each piece printed.

Sale to be Held at Feedlot: 2130 380th St., Sioux Center, Iowa 51250

GENERAL DESCRIPTION: Cattleman, here is truly an opportunity to own an ultra modern, extremely well thought out and designed cattle feeding set up. The Brennemans really thought this through and made an operation most of us only dream about. This will make an excellent addition to any existing cattle feeding operation or a great stand alone unit for someone who wants to feed cattle and not spend a few million to get an operation like this set up. Efficiencies, Rate of Gain, Lower Stress, Working Ease, Easy Loading and Unloading, No Mud!! Manure Management, Commodity Quality and Reduce Equipment Maintenance Costs. All of the industry buzz words jump out at us as we look at all of the pluses this property offers.

- 2 - 40' x 320' covered feed buildings with cement bunks and aprons also Johnson cement watering systems.
- The West building has 2 - 160'x275' completely cemented pens and the East building has 2 - 160'x 310' completely cemented pens. This lot includes a current DNR (AFO) Compliance Inspection for 999 head.
- There is a 3,360 square foot indoor cattle processing / indoor vet facility which measures 42' x 80' that is completely cemented out. There are outside working pens for working cattle before entering the building. The facility features a 38' Daniels Runway with hydraulic working chute that provides all of the following: Neck Stretcher for tagging, dehorning, checking teeth, doctoring eyes, etc., Sternum Support so cattle can't go down (Adjustable and Removable), Built in Palpation Cage with gas springs on gates Mounting Brackets for attachment of scales and Special Traction floor with offset 1 1/4" solid round to avoid slipping. The building also has a concrete loading chute and a heated and cooled medicine room for organizing everything you would need when working cattle. For handling ease and low stress, these are located next to the feed pens.
- A completely cemented out 60' x 120' 7,200 square foot metal machine shed which features at 14' x 24' overhead door making storing bigger machinery and equipment easy.

All of these have been designed to increase your rate of gain (the name of the game) as well as making your feed efficiencies better and feed utilization better, make working your calves easier with less animal stress and doctoring will be a snap. Lots of feed storage with the 42' x 140' cement bunker silage pit and a 60' x 120' cement equipment building that has a 14' x 24' door for the big stuff. If you want to feed cattle one of the right ways, you want to consider this property. It is turn key ready!

A Beautiful 5 Bedroom Gorgeous 2,131 Square Foot Home. The spacious and bright layout is something you can only dream of. Accompanying the hardwood floors in the kitchen and dining room are updated appliances and an open setting perfect for hosting family and friends. Right off of the kitchen is a tasteful living room with endless natural light along with a den area and office which also has beautiful hardwood flooring. The master bedroom and bathroom are located on the main floor where there are 3 extra bedrooms on the upstairs level. The basement includes a comfortable family room and a cozy craft room which could also be a bedroom as well. The home has a 2 stall garage with a warming station perfect for all of the outdoor working clothes. Words cannot begin to describe how wonderful this home looks inside and out. You have to see it to believe it.

ADMINISTRATIVE WEB PROGRAMMER

Northwestern College seeks an administrative web programmer. This position reports to the director of computing services and is an integral part of the college's highly skilled, team-oriented computing services department. Responsibilities include developing, managing, updating, evaluating and increasing the effectiveness of Northwestern's internal websites; overseeing the sites' structure, navigation, text/photo content and graphic design; programming the core of the webpages; and providing setup and programming for all databases linked to the website. The ideal candidate should be able to organize, prioritize and multitask.

Preferred qualifications:

- Bachelor's degree in computer science or related field
- Knowledge of full stack web development in, but not limited to, C#, Asp.Net, HTML, JavaScript and SQL
- 3-5 years related experience with a good understanding of database management systems and programming languages

The successful candidate will have an authentic Christian faith and support the college's mission (www.nwciowa.edu/mission) and identity as expressed in our Vision for Learning (www.nwciowa.edu/vision), Vision for Diversity (www.nwciowa.edu/vision4diversity) and Statement of Christian Identity (www.nwciowa.edu/Christian-identity).

Northwestern College is affiliated with the Reformed Church in America and seeks to more fully reflect the cultural and ethnic diversity of the body of Christ in its faculty, staff, administration and students. Women and candidates from historically underrepresented groups are enthusiastically encouraged to apply. Review of applications will begin immediately and continue until the position is filled. To apply, send letter of application, resumé and Northwestern College application form to:

Director of Human Resources • Northwestern College
