Thank You

I want to thank everyone that came to see me and/or sent cards for my Birthday. I am both humbled and thrilled to have so many friends, former colleagues and former students who made my day so special. My biggest regret is that I did not have enough time to sit and talk with everyone. So many stories to tell and memories to share and just not enough time. So many faces that I haven't seen in years and each one of you represented the best years of my life. What wonderful memories! Again thank you all for such a special day.

Celebrating Excellence

Congratulations to the Lincoln County School District, who ranked 11th of 107 school systems in Tennessee & 3rd of all county districts in Tennessee for teacher support! Teachers work hard every day and the more support they have, the better they can succeed at inspiring our future. This is why Teachers.org ranked school districts across the nation to designate school districts that excel in supporting teachers inside and outside the classroom.

Congratulations to Renee Pryor on being named as one of 13 'Leaders to Learn From' nationally by Education Week. Lincoln County's Renee Pryor says when it comes down to it, it's all about the kids — the 4,000 students attending our county schools who deserve the very best instruction they can get. Pryor serves as the Lincoln County Department of Education's supervisor of evaluation and professional development.
