## Ingredient

3 cups shredded potato  
¼ cup grated onion  
2 eggs, beaten  
6 saltine crackers, or as needed, crushed  
1 teaspoon salt  
¼ teaspoon ground black pepper  
½ cup vegetable oil, or as needed

# Mom's Potato Latkes

## Directions

### Step 1

Mix potato, onion, eggs, crackers, salt, and pepper together in a large bowl.

### Step 3

Drop spoonfuls of the potato mixture, first pressing potato mixture against the side of the bowl to remove excess liquid, into the hot oil; slightly flatten the latkes into the oil with the back of your spoon so they are evenly thick.

### Step 2

Pour enough vegetable oil into a skillet to fill about 1/2-inch deep; heat over medium-high heat.

### Step 4

Cook in hot oil until browned and crisp, 3 to 5 minutes per side. Drain latkes on a plate lined with a paper towel.

### **COMMUNITY BOARD MEMBER APPLICATION**

It is my hope everyone is staying warm during this young winter season. Please consider joining your local community boards as the application process is now open! Bronx Community Board #10 and #11 are local representative bodies comprised of fifty volunteer members appointed by the Bronx Borough President with half of its members nominated by the City Council Member. In order to become a member, you must reside, work or have a significant interest in the community. All prospective applicants must attend a meeting of the Full Board in the district you wish to represent. Applications are to be sent directly to the Borough President's office to the e-mail listed on the application by February 5, 2021. Bronx Community Board #10 represents the neighborhoods of City Island, Co-op City, Country Club, Pelham Bay, Throggs Neck, Westchester Square and Zerega. Bronx Community Board #11 represents Allerton, Morris Park, Pelham Garden, Pelham Parkway and can be reached at (718) 892-6262. To learn more about community boards and its functions, please feel free to contact me at (718) 892-1161.

### **SENIOR CITIZEN DISCOUNTS AT AREA COLLEGES**

Did you know that several of our City University schools such as Queens College, Lehman College, Hunter College and private institutions such as St. John's University are some of the many area schools that offer discounted tuition fees to adults over 60-years-old? At my alma mater, CUNY Hunter College, a senior citizen that is over 60 years old and is a resident of New York State can take college courses while only having to pay \$65 for the general fee at time of registration. If you or someone has interest, please feel free to contact me at my office at (718) 892-1161. I know exactly how difficult it might be to decide which courses you want to take and how to register. Please take advantage of this wonderful opportunity to take classes at some of New York City's best higher education institutions! For those who have young ones heading off to college in a few weeks, I am also available to discuss what college is like and what to expect as a student. My role as District Manager, if nothing else, is to convey what I learned to the next generation.

### **SNAP BENEFITS AND GRAB-AND-GOAL MEALS**

In times of need, the Supplemental Nutrition Assistance Program (SNAP) is available to all. No one should go hungry or should struggle to provide for themselves and their loved ones. If you need assistance in applying for SNAP benefits, simply dial 311 or by logging onto <https://a069-access.nyc.gov/accesshra/>. You can still contact my office for any assistance. Please be mindful that many of our neighborhood public schools are providing grab-and-go meals for every person free of charge. Most schools offer the grab-and-go meals in the afternoon. Please contact us if you need more information at (718) 892-1161 or [bx10@cb.nyc.gov](mailto:bx10@cb.nyc.gov).

**NYC COUNCILMAN MARK GJONAJ DISTRICT 13, BRONX:** Dear Friends, I hope you and your families are continuing to be well, as we are bracing for another wave of the coronavirus pandemic, following the guidelines and recommendations as we all do our part to stop the spread. While we must follow the guidelines of public health officials to keep New Yorkers safe, the upcoming NYC indoor dining ban announcement comes with no plan on what the state and/or city would do to help locally-owned restaurants on the verge of closing their doors forever. If we do not take immediate steps, we risk sinking our local economy into a fiscal crisis that could take years, if not generations, to recover from. With a spike in positivity rates in City Island, I am proud to co-sponsor four days of COVID-19 testing,

as well as a food, face masks and hand sanitizer giveaway in City Island to raise awareness about the importance of testing and helping those in need. On the legislative end, this week I co-chaired the NYC Council Small Business Committee with the Committee on Economic Development Hearing. At 17.5%, the Bronx has the highest unemployment rate in the city. While we are understandably coping with challenging times, as a city we must do more to help our most disadvantaged communities. Under my proposed plan, the entire borough of the Bronx would be declared an economic development opportunity zone in order to encourage private investments, development and job creation through tax incentives and other government initiatives. This holiday season we have to part with the tradition to celebrate in ways that will keep us safe and healthy. We are proud that with all the pandemic regulations, we have safely brought the holiday spirit into our neighborhoods with Christmas Tree & Menorah lightings and holiday street lights in our commercial corridors. Remember we have been with you throughout this pandemic and you can count on us with your issues and concerns. It is a difficult and emotional time but we will rise to meet the challenges. Please do not hesitate to contact my office at 718-931-1721 or email: [MGjonaj@council.nyc.gov](mailto:MGjonaj@council.nyc.gov).
