WISHING YOU AND YOURS A HAPPY NEW YEAR!

Are you looking for an alternative to Total Knee Replacement?

The ZUK Uni Knee implant may be able to help you preserve more of your natural joint.

Because the ZUK Unicompartmental (Uni) implant only replaces the damaged portion of your knee, it preserves more bone than a total knee replacement, which replaces all three compartments of the knee. It also preserves the anterior cruciate ligament (ACL) and posterior cruciate ligament (PCL) - key to the stability and natural motion in your stride.

Backed by a long history of clinical success, the ZUK Uni can be implanted using minimally invasive techniques, which means a smaller incision and the potential for a quicker recovery.

This treatment is not appropriate for everyone; only your orthopedic surgeon can tell if you are a candidate for unicompartmental knee replacement.

Call 248-673-0500 for an appointment today!

**Thanks for supporting
Sands Barber Shop and
small businesses.
We are doing everything to
keep everyone safe.**

Featuring a rich history in Royal Oak since 1944, Sands Barber Shop has provided generations of loyal customers with the best haircuts, and friendly conversations.

Specializing in children's hair cuts, our barbers cater to the youngest members of your family. Our first time hair cut customers receive a wonderful family keepsake, a special certificate with a lock of their baby hair. A golf set, suckers and a penny bubble gum machine keep our youngest customers busy while the rest of the family gets their hair cut.

We also love and respect our fabulous senior customers who enrich our lives with their words of wisdom. Sands Barber Shop has had the privilege of donating to the WWII Honor Flight Program allowing our veterans to visit the WWII Memorial in Washington, DC. Many of our customers have participated in this program.
