*Internet download speeds may vary and are not guaranteed. Observed speeds may vary based on device, connection and other factors outside of RCN's control. Certain equipment may be required to receive gigabit speeds—with speeds up to 940 Mbps. Monthly modem rental fee and/or wireless gateway may be additional. Not all speeds available in all areas. Offer valid only for new residential RCN customers or customers with accounts in good standing who have not had RCN service within the last 60 days. Offer expires February 15, 2021. RCN's promotional offer extends defined, set pricing for the period of 12 months after installation. Distinct pricing exists for months 1–12. Any additional services, such as equipment, premium channels and other tiers of service are subject to an additional charge and regular increases. Additional fees apply for taxes, surcharges, equipment, activation and installation that are not included as part of the package and are subject to increases. No contract is required to take advantage of the promotional pricing and savings. No early termination fees apply in the event service is terminated in advance of the 12-month duration. Customer is responsible for any accrued service charges in the event service is canceled. Up to 100 Mbps Internet for \$29.99 per month is a promotional rate and is valid for 12 months from the date of installation. Up to 250 Mbps Internet for \$39.99 per month is a promotional rate and is valid for 12 months from the date of installation. Regular monthly retail rates apply thereafter. Price does not include Network Access Maintenance Fee of \$5.57 per month and is subject to change. This fee is neither government-mandated nor a tax, fee or surcharge imposed by the government. Network Access and Maintenance Fee helps to defray costs associated with building and maintaining RCN's fiber-rich broadband network, as well as the costs of expanding network capacity to support the continued increase in customers' average broadband consumption. *Minimum speed of 100 Mbps is required. TV for less than \$20 refers to RCN Limited Basic Cable TV package only. Advertised promotional prices are valid for 12 months from installation date. When promotional period ends standard rates may apply. Any additional services, such as equipment, premium channels and other tiers of service are subject to an additional charge and regular increases. HDMI-capable TV is needed for TV service. Your TV needs an HDMI output. The voice command feature on the remote requires the new TiVo® experience. Compatible TiVo equipment is required to receive the new TiVo experience and voice remote feature. Internet service is required for TiVo service. Up to 75 hours of cloud DVR storage included. Customer must be connected to RCN Wi-Fi network to receive RCN Wi-Fi on smartphone or device. Services and pricing are subject to change. All sales subject to credit check.
