What Gift Can You Bring To Jesus This Christmas?

Wise men brought Jesus gifts to celebrate His birth. Christmas is about His birthday, yet for Christmas, we buy gifts for others. How would you feel, if on your birthday, all the gifts at your party were for others?

Jesus wants a gift from you this year. But what gift can you bring Him?

Jn 3:16 (tPt) says "For this is how much God loved the world - he gave his one and only unique Son as a gift . . . God did not send his Son into the world to judge or condemn the world, but to be its Savior and rescue it."

He gave Himself as a gift for you, that you would give yourself to Him. Give Him your life, your heart, yourself.

If you would like to talk about this, or would like us to pray with you, let us know.

SENIOR CITIZENS EXEMPTION (RP-467) AND PERSONS WITH DISABILITIES AND LIMITED INCOMES (RP-459-c)

Pursuant to an executive order signed by Governor Andrew M. Cuomo on December 18, 2020, the requirement for filing an annual renewal form for the 2021 assessment roll year has been waived and permits the assessor to grant these exemptions to all property owners that received the senior citizens and persons with disabilities & limited incomes exemptions on the 2020 assessment roll. However, renewal applications will still be required when the assessor has reason to believe that a significant change in ownership has occurred since the 2020 assessment roll. Contact your local town assessor for further information.

Obituary Notice

JoAnne M. Holdridge

FORESTVILLE: JoAnne M. Holdridge, 67, of Rt. 39 Forestville, passed away Monday, December 14th, 2020 at Strong Memorial Hospital, Rochester. JoAnne was born in Dansville, NY on September 10, 1953, the daughter of the late Pasquale D. and Anna (Oschip) Muscarella.

She was a graduate of Mt. Morris High School, Class of 1971 and received Vocational Food Service Training through BOCES in Livingston County. JoAnne was the owner of the former Jo's Bake Shop Forestville, for 18 years and was a member of Forestville United Methodist Church, Forestville. She enjoyed cooking, baking, crocheting and cross-stitching.

Survivors include her husband Fred Holdridge, of Forestville, whom she married on August 25, 1984, in the former Nashville United Methodist Church, three daughters,

Lona Holdridge, of Farnham; Amanda "Red" Holdridge, of Chicago, IL; Beth Holdridge, of Buffalo; and a brother, Pat (Diane) Muscarella, of Victor.

Also surviving are a sister-in-law Kathy Muscarella of Castile and two grandchildren Alivia Martin and John W.F. Weider. Besides her parents she was predeceased by a brother Anthony Muscarella.

A Memorial Service will be held at a later date, time and place to be announced. The family suggests memorials may be made to Any United Methodist Church.

Arrangements are by Riles & Woolley Funeral Home, Forestville.

To post condolences or memories go to www.rilesandwoolleyfuneralhome.com.

SPEAK OUT

Dear "Speakout,"

As we approach the end of the year 2020, we should reflect back upon this year and what has occurred to enable each of us to make 2021 a better year for ourselves. Most of us would agree that 2020 has been a very trying and eventful year in our lives.

The advent of the Corona Virus COVID-19 and later the economic downturn and subsequent collapse of Wall Street along with civil unrest in our cities will forever be remembered in the history of America. More importantly, the question is, what have we learned from these experiences. We, as humans, are suppose to learn from the past so that we will not make the same mistakes in the future. That was the central premise which my high school history teacher attempted to instill into our minds as students.

He said that was the primary purpose of history. So, exactly what have we learned and how will these things assist us in making our lives better in the future?

Please allow me to share what I have learned during 2020 and then you determine what you have learned.

The first lesson I learned in 2020 is that I need to begin relying more and more on God for wisdom in my decision making and for His guidance in my life.

The next lesson I learned is that I need to stop relying upon the government (local, state and federal) to assist me out of difficult times in my life. We now are anxiously expecting another stimulus check! We spend out financial incomes as fast as we earn them and then spend our future incomes by borrowing money of which we have not yet earned. We are a very self-centered society with an "I want it now" mentality. To sum it up in just a few words – "we are spoiled". I hate the bumper stick which reads "I am spending my children's inheritance now".

The Bible in Proverbs 13:22a reads "A good person leaves an inheritance for their children's children,..." The more we earn, the more we spend, and then some!

The next thing I learned is that we should look for integrity and character in the lives of those whom we elect to office. It seems that there are no statesmen remaining in our country to whom we can look to for leadership. The problem is that those of us who possess integrity and character are unwilling to run for elected office and we would rather elect someone else to represent us.

I regularly write the President, Vice President, my U. S. Senators and my Congressman along with other governmental officials such as the Speaker of the House of Representatives, the Senate Majority Leader, our Governor, our State Senator, our State Assemblywoman, and several county and local elected officials.

I encourage each of you to do the same to express your views. We cannot expect to see any positive change in our country if we are not willing to become involved in our governmental operations.

The next thing I learned is that we need to begin thinking of others as better than ourselves and help them in their needs. Our selfishness is detestable in the eyes of God and we will pay for it on the day of judgment. Several areas in our lives which we need to examine are: we are willing for sin to abound in our country without standing up for what is right in the eyes of God. Abortion continues to kill millions of our unborn children.

The Biblical concept of a "father" and "mother" raising their children in the "nurture and admonition of the Lord" has become outdated and we wonder why our country is continuing to decline. I challenge each of us to rethink how we live our lives and determine to repent of our sin and see God truly "make America great again".

Have a very Happy New Year.

Winter Safety for Children

Winter is here and that means there will be freezing temperatures, snowstorms, icy roads, and slippery sidewalks. The winter weather comes with a variety of health and safety hazards. Protect your children during the winter months. Follow the tips below to keep your children safe from injury or illness:

1. Layer up! Bitter cold and snow can cause frostbite. Dress your child in several layers, and make sure their head, neck and hands are covered. Dress babies and young children in one more layer than an adult would wear.
2. Play it safe. Even when roads are closed to traffic, it's not safe to play or sled in the street. Visibility may be limited due to snow banks and ice on the roads.
3. Check in on warmth. Before kids head outside, tell them to come inside if they get wet or if they're cold. Then keep watching them and checking in. They may want to continue playing outside even if they are wet or cold.
4. Use sunscreen. Children and adults can still get sunburned in the winter. Sun can reflect off the snow, so apply sunscreen to exposed areas.
5. Use caution around fires. Wood-burning stoves, fireplaces and outdoor fire-pits are cozy but can present danger – especially to small children. Use caution and put up protective gates when possible. If you've lost power or heat and are alternative heating methods like kerosene or electric heaters, be sure smoke detectors and carbon monoxide detectors are working.
6. Get trained and equipped. Children should wear helmets when snowboarding, skiing, sledding or playing ice hockey. And to avoid injuries, teach children how to do the activity safely.
7. Prevent nosebleeds. If your child suffers from minor winter nosebleeds, use a cold-air humidifier in their room. Saline nose drops may keep their nose moist.
8. Keep them hydrated. In drier winter air kids lose more water through their breath. Offer plenty of water, and try giving them warm drinks and soup for extra appeal.
9. Watch for danger signs. Signs of frostbite are pale, grey or blistered skin on the fingers, ears, nose, and toes. If you think your child has frostbite bring the child indoors and put the affected area in warm (not hot) water. Signs of hypothermia are shivering, slurred speech, and unusual clumsiness. If you think your child has hypothermia call 9-1-1 immediately. Sources: Save the Children, American Academy of Pediatrics, University of Michigan.

For any questions regarding winter safety please contact the Livingston County Department of Health at 585-243-7299 or visit www.livingstoncounty.us/doh.htm.

Excerpt from

Elpis Israel

by
John Thomas

But, one might say, if the hope the apostle preached, and the hope of the twelve tribes, were the same hope, why was he persecuted by the Jews? The answer is, because Paul and the rest of the apostles, testified that Jesus whom they had crucified was the king whom God had anointed to be the judge of Israel in his kingdom, of which they were the natural born citizens. They had been constituted a kingdom of priests, and a holy nation by the covenant of Sinai; and had on that occasion accepted Yahweh as their king. They were therefore the kingdom of God. In after ages, they had demanded a king who might go in and out before them. He gave them David; and promised to *raise up* from among his descendants, sleeping in the tomb, a king, who should be immortal, and reign over them forever, according to the provisions of a new constitution. Now, the apostles testified that God had raised up Jesus from among the dead for this very purpose; and had sent them to the Jews first, to inform them that if they desired to reign as princes over Israel and the nations with his king, it was not enough for them to be natural born descendants of Abraham; but that they must acknowledge Jesus as King of Israel, and walk in the steps of Abraham's faith. They testified furthermore, that, if they would not acknowledge him as their king, seeing that the kingdom and empire of God would require kings and priests to administer its affairs, they would turn to the gentiles, and invite them to accept the honor, and glory of the kingdom, upon terms of perfect equality with Israel; for so the Lord had commanded them to do. This mortified the Jews exceedingly. They despised Jesus because of his poverty, and ignominious death. A suffering and crucified king was a reproach to the nation in their esteem; and to be put on a level with Gentiles, whom they regarded as "dogs," filled them with indignation and madness against the preachers of such pestilent heresies. But it was the apostolic mission to withstand their fury with *"the testimony of God;"* and to establish their preaching by what is written in the law of Moses and the prophets, and by what they had seen and heard, and which was attested by the power of God exhibited in the miracles they performed.

~ Protect yourself and your family from carbon monoxide ~
With the heating season upon us, here are a few safety tips to keep you and your family safe from the dangers of carbon monoxide:

Are you feeling okay? Exposure to carbon monoxide can cause flu-like symptoms, including headache, dizziness, weakness, nausea and loss of muscle control or worse.

Carbon monoxide is a colorless, odorless gas that is the product of an incomplete combustion. Carbon monoxide poisoning can happen in a matter of minutes.

Protection is as easy as having your heating system, chimney, flues and vents checked* once a year by a professional.

Install a carbon monoxide alarm.

If you suspect a natural gas leak or carbon monoxide problem, get up, get out and get away! Then call us immediately at 1.800.743.1702 or 911 from a safe location. We'll respond quickly to make sure you and your family are safe.

Thank you for taking the time to review this information. Please visit <https://www.rge.com/wps/portal/rge/safety/naturalgasafety/carbonmonoxide/> for more information on how to protect yourself and your family from carbon monoxide.

Human Resource Management Micro-Credential

Why consider a Human Resource Management Micro-Credential?

It's no secret – employees are among the most expensive and critical components to any successful business. As such, the person responsible for hiring, compensating, training and firing employees is a valuable asset, and one worth developing to support key business objectives such as:

- Staying abreast of changing government regulations
- Limiting legal liabilities
- Succession planning
- Managing change
- Creative problem solving
- Increasing a positive impact on the bottom line

Who should consider a HRM Micro-Credential?

GCC's Human Resource Management (HRM) Micro-Credential provides foundational training for those who are:

- New to the human resource (HR) field
- Currently working in HR, but would benefit from formal training
- Seeking to enter the HR field

For more information and to register visit:
