**What Gift  
Can You Bring To  
Jesus This Christmas?**

Wise men brought Jesus gifts to celebrate His birth. Christmas is about His birthday, yet for Christmas, we buy gifts for others. How would you feel, if on your birthday, all the gifts at your party were for others?

Jesus wants a gift from you this year. But what gift can you bring Him?

Jn 3:16 (tPt) says "For this is how much God loved the world - he gave his one and only unique Son as a gift . . . God did not send his Son into the world to judge or condemn the world, but to be its Savior and rescue it."

He gave Himself as a gift for you, that you would give yourself to Him. Give Him your life, your heart, yourself.

If you would like to talk about this, or would like us to pray with you, let us know.

# SPEAK OUT

Dear "Speakout,"

My article this week is entitled "You Can Be A Light in the Darkness". As we enter a new year, I would like to look back at Christmas 2020 and reflect upon what it meant to me. Then we can look at our new year 2021 and pray for a better one.

I realize that the year 2020 was a year which most of us would rather just forget. The Coronavirus COVID-19 changed the ways in which we will view our lives forever. It has followed us into the new year and insists on holding on to each of us.

But as the old saying goes – "We must go on with our lives". As far as what I learned from Christmas 2020, I came in contact with many, many people during the days which led up to and which proceeded past Christmas day. The great majority of these people possessed the "Scrooge" attitude. They were extremely grumpy and lacked friendliness and love.

I realize that all of us have undergone dark days during 2020 and continue with this darkness into 2021. Many of us have lost our jobs, face financial difficulties and have either suffered from the Coronavirus ourselves or had a loved one suffer or die from the pandemic.

However, Christmas is not about the adversities which we experience in life. It is about the birth of the Saviour of the World – Jesus Christ. The question is: will we complain about our hardships or will we grow in our character and persevere in the midst of it. If we are not stronger people as a result of our problems, then the year 2020 will have been a waste of time.

We are suppose to grow in our faith in God and believe that He has everything in control and that He has our best interests at heart. I have to admit that there were days during the Christmas Season in which I struggled to maintain my faith in my fellow man. All those people who growled, complained and snapped at me challenged my belief that they had learned anything from 2020. But because God knew that there were times in which I needed encouragement, there seemed to be several people who shown like "bright stars" in my life.

A rare "Have a Merry Christmas" made me feel warm inside. A rare "Thank You" for a Christmas present made it all seem worth doing. We should not do things to gain accolades from people as God is the One we need to give all the glory. But as human beings we need an occasional kind greeting or thank you.

A couple of hours before I wrote this article on Christmas Eve afternoon, I was shopping at Walmart in Geneseo. I witnessed all the rushing and rudeness which last minute Christmas shoppers were expressing to one another. It was just as I was in the checkout line that a young man who was in line ahead of me reached over and placed thirty dollars on my items. He told me to use the money to help pay for my merchandise. I was startled and immediately thanked him as he smiled and walked away. I was not expecting this blessing but my spirit was refreshed and my faith in my fellow man was renewed.

You are probably asking just what is he trying to convey to his readers. The answer to your question is that I saw that young man as a "bright star shining in the darkness of our dark sinful world".

So, what should we learn from experiences such as these? The answer is that we can also be "bright stars shining in the darkness of our dark sinful world". We can either be part of the darkness in our world or a source of light to make our world a better place in which to live.

When we stand before God on Judgment Day, we should desire to hear "Well done, good and faithful servant". May you have a very Happy and Blessed New Year. Lord willing, I will see you again next week.

## TAXES DUE

The 2021 Town and County tax bills have been mailed out. If you have NOT received a tax bill by January 11th, and your taxes are NOT in escrow, please call the Town Clerk/Tax Collector as soon as possible, as the state does NOT allow for the waiving of penalties due to non-receipt of your bill.

Payment must be postmarked or received in the Town Clerk's office no later than Monday, February 1, 2021 to pay without penalty. There will NOT be a lockbox at the bank this year, however, payments can be dropped into the locked drop box at the Town Hall 24 hours/day every day. Payment by check or money order is preferred over cash due to COVID.

**RADON** is a cancer-causing radioactive gas that you cannot see, smell or taste. Radon is produced in the soil and moves upward to enter your home through the foundation or with groundwater from a well. The only way to know if you are at risk is to have your home tested for the presence of radon. The Livingston County Department of Health recommends that all households be tested for radon levels, and can provide free radon test kits to Livingston County residents who own a home. If you would like more information on radon or to request a radon test kit, please call 243-7280.

## Ninth Trail Ride/Walk

Hickory's Ridge and West Sparta Trail Ride / Walk for Juvenile Diabetes Research Foundation (JDRF) held its 9th event. Because of the pandemic, our poker run was eliminated but enthusiasm for raising money was not. Raffle items were donated, tickets bought and the event was held on facebook live. Our walkers raised pledges and walked on November 1, a grumpy, windy, rainy day. But nothing compared to what millions of people live with every day as a Type 1 Diabetic.

For 10 years, Moffat Pipe's team "Grace for Glen & Blake" has walked in Raleigh, NC for JDRF. Glen Moffat became Type 1 with juvenile diabetes at age 3 and his brother Blake age 6, cousin Kiersten Pearson at age 3.

We wish to thank all of those who donated raffle items, bought tickets participated in putting this together, walking and donating money. We have realized here in western NY over \$13,800 and with this donation it has put "Grace for Glen & Blake" team over \$57,000 at the JDRF Chapter in Raleigh NC.

## Mental and Behavioral Health Resources in Livingston County

Geneseo, NY, December 18, 2020 — According to Michele Anuszkiewicz, Director of Livingston County Mental Health and Community Services, “Trends show that there has been a significant uptick in depression and anxiety since the COVID-19 crisis began. “Many people are struggling with feelings of isolation, fear and hopelessness as a result of the pandemic. We would like to provide Livingston County residents with links to essential resources during these challenging times,” stated Anuszkiewicz.
