The past year has changed our lives a lot. One thing that has not changed is your path to a better future. Now is the best time to invest in yourself at Henry Ford College. Get ahead of the competition by taking classes this winter. We will help you get ready for the jobs of the future. Whether it is robotics, cybersecurity, energy trades, health careers, or 150 other programs, we can help you find the best path to the career you want. You can also choose to be our guest at Henry Ford College this winter. HFC is your competitive edge: Safe, affordable, and your credits transfer seamlessly back to your regular university. Choose from live online or traditional online classes. Limited on-campus classes are also available for Winter.

The University of Michigan-Dearborn was founded in 1959 with a gift of just over 200 acres from the Ford Motor Company. Since then, we've grown as a comprehensive, top-ranked, regional public university.

At UM-Dearborn, we emphasize experiential learning, small class sizes, engaged faculty, and a commitment to make an impact in southeast Michigan.

We prepare students to be Difference Makers in industry and in the community long before they graduate.

And we're addressing challenges to the region head-on through pioneering research, strategic partnerships and civic engagement.

We are creative thinkers, innovators and leaders, and we're proud to call Dearborn home. Our beautiful campus, once owned by Henry Ford, continues to foster his bold spirit of entrepreneurship and collaboration.
