# The last job you'll ever love!

No experience preferred.

We are looking to fill a full-time position on our sales team. You'll receive the training you need to be successful in this role. And you'll have the ability to earn more income every month!

“ - Sandra Thomas

*I was apprehensive before applying for the position. I only had experience working in gift sales. I knew nothing about advertising. EMG put me through paid training and let me watch other sales reps. That was 10 years ago! When a business tells me “working with you is a blessing,” I can't help but smile every time.*

“ - Faith Cashion

*Working at Exchange Media Group has been such a blessing. I get to do what I love everyday by helping businesses grow!*

“ - Sissy Smith

*When I first started working with Exchange Media Group, the extensive training was the most impressive part. It allows everyone on the team, no matter where we came from, to be the best we can be. As an employee, I love that our customers become our family. We're local, so we can really make a connection with them.*

AVOIDING CASHIER'S CHECK and MONEY ORDER FRAUD. Be extremely cautious about accepting a cashier's check or money order for payment. Never accept a check or money order that is more than your selling price. Don't accept cashier's checks, money orders or any checks for that matter, for payment from buyers you do not know. If you are willing to take a cashier's check or money order in payment, insist on one drawn from a local bank or a bank that has a local branch and have it checked by someone at a bank before depositing/cashing.
