Reasons for Pre-planning

- **Make Logical Decisions**
Pre-planning prior to an illness is less emotional; therefore resulting in more practical decisions.
- **Make Your Wishes Known**
Pre-plan as many details as you so desire.

- **Economical**
Prices are locked in with no price increases. This could save hundreds, even thousands of dollars.
- **Peace of Mind**
Knowing you are not leaving your final arrangements to grieving loved ones.

Saving You MONEY

SHOP TODAY'S LOW PRICE TAGS:
We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

NO LIMITS:
Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.
