Geauga Park District's Adventure Day Camps

After a year marked by change, Geauga Park District is pleased to be planning a much more traditional Adventure Day Camp experience in 2021, with two week-long options that will help to keep campers entering grades 5 through 10 safe while having fun outdoors.

Registration begins March 20 at 440-286-9516 or www.geaugapark-district.org. For fees and additional details, please visit the website under Activities, then Naturalist-Led Experiences.

Kayaking, hiking, geocaching, biking, fishing, building and launching model rockets, exploring stream life are just some of our anticipated outdoor adventures, depending on which week campers are enrolled.

For those sessions held earlier in the season, camp activities will take place at The West Woods' Affelder House and surrounding natural areas for campers entering grades 5 through 7 the weeks of June 7, June 21 and June 28, and the week of June 14 for campers entering grades 8 through 10.

Then, for a more diverse experience in parks later in the season, campers will be dropped off at a different park each morning: The West Woods on Mondays, Claridon Woodlands on Tuesdays, Observatory Park on Wednesdays, Bass Lake Preserve on Thursdays and Big Creek Park on Fridays. These experiences are scheduled for campers entering grades 5 through 7 the weeks of July 12, July 26 and August 2, and the week of July 19 for campers entering grades 8 through 10.

Doing camps this way in 2021 will eliminate the need to transport campers together in a single vehicle, ensuring social distancing is also a priority throughout the fun, according to Naturalist Karie Wheaton.

Additionally, X-Treme Days for campers entering grades 8 through 10 will take place June 30 (X-Treme Kayak Adventure at LaDue Reservoir), July 14 (X-Treme High Ropes Course Adventure at Claridon Woodlands) and July 28 (X-Treme Biking Adventure at Claridon Woodlands).

Camp Ho Mita Koda!

Ho Mita Koda! That's Sioux for "Welcome my friend!" Founded in 1929 by Dr. Henry and Betty John, pioneers in the use of insulin to treat diabetes, Camp Ho Mita Koda stands as the oldest and longest running summer camp for Type 1 Diabetes in the U.S.

Located on 72 beautiful wooded acres in Newbury, OH (25 miles east of Cleveland), Camp Ho Mita Koda is home to 400 children each summer and over 30 unique activities and programs. Campers learn lifelong diabetes management skills in a fun, interactive, and age-appropriate setting. Our lifestyle enhancing programs empower campers to manage their diabetes, make healthy choices, take personal responsibility, and build self-esteem, friendships, and a lifelong support network.

Around-the-clock supervision is provided by experienced, licensed physicians and nurses from northeast Ohio's top-ranked medical institutions;

trained counselors - many of whom have diabetes and are camp alumni; registered dietitians attending to menus and camper nutrition needs; program specialists at each camp activity; certified lifeguards; and a Camp Director in charge of all camp operations. Minimum staff to camper ratio is 1 to 5.

Surrounded by friends and a world-class staff, every camper learns to 'stretch'...spiritually, physically, mentally, emotionally, and socially. Self-assured in these new skills, campers come away with a strong foundation for living their best life, increased capabilities and newfound independence in managing their own personal T1D journey.

For more information on current dates, rates, programs, events, and more, please visit us at www.camphomitakoda.org or reach out at info@camphomitakoda.org or 440-739-4095.

The Girl Scouts have a camp for every girl!

Summer is just around the corner, and it's time to start planning your girl's next big adventure. The best part is, all girls are welcome — no Girl Scout experience necessary!

Girls benefit from being in an all-girl environment, away from home, where they learn independence, and to never back down from a big adventure. Camping is a great way for girls to explore leadership, build skills, and develop a deep appreciation for nature. Whether for a day, a week, or longer, Girl Scout camp gives girls an opportunity to grow, explore, and have fun under the guidance of caring, trained adults.

We have a camp for every girl! We offer one-day programs and week-long day camps. We also have week-long resident camps at Camps LedgeWood and Timberlane.

Plus, our unique camp themes ensure she'll find the perfect fit for her. If she's a baker extraordinaire, Sugar Rush may be her perfect Resi-

The Fine Arts Association (FAA) located in Willoughby has summer camps for the littlest campers at age 3 through high school grads, ranging from one week to six weeks long. Programming has been offered in a hybrid arts education format with instruction happening both in-person and virtually.

FAA is a place for creative discovery! Classes, private lessons, and workshops will also be available with FAA this summer. Explore programming in dance, music, theatre, visual arts, and creative arts therapies. With over 50 faculty who are committed to providing an enriching arts experience, there is a creative pathway for anyone interested in the arts recreation-ally or professionally!

"No matter what program we have been involved in, my children rave about it. They continually ask to participate in more activities offered by FAA. There really is something for everyone to enjoy!" says Jayme N., a parent of an FAA student.

Jaime M., also an FAA parent says "I highly recommend FAA's acting classes. First and foremost, they rolled with the punches of COVID. They started in the theatre and when our family went into quarantine, they provided a Zoom option for Bryce.

Not the same as the stage, but better for a large audience! He was proud of himself. We were all thankful for what his teacher had done to create that moment."

FAA is located at 38660 Mentor Avenue, Willoughby, Ohio 44094. To learn more about their offerings, visit fineartsassociation.org or call (440) 951-7500

CEO, Paul Holm says "We are adhering to all health mandates and protocols to help ensure a safe and welcoming place for all."

COVID-19: Over the last year, FAA has remained a safe and sanitary place for all students. For more information on FAA's COVID-19 protocol and guidelines, please visit: fineartsassociation.org/faq-arts-ed/
