# Basic Crepes

## Ingredient

1 cup all-purpose flour

2 eggs

½ cup milk

½ cup water

¼ teaspoon salt

2 tablespoons butter, melted

## Directions

**Step 1-** In a large mixing bowl, whisk together the flour and the eggs. Gradually add in the milk and water, stirring to combine. Add the salt and butter; beat until smooth.

**Step 2-** Heat a lightly oiled griddle or frying pan over medium high heat. Pour or scoop the batter onto the griddle, using approximately ¼ cup for each crepe. Tilt the pan with a circular motion so that the batter coats the surface evenly.

**Step 3-** Cook the crepe for about 2 minutes, until the bottom is light brown. Loosen with a spatula, turn and cook the other side. Serve hot.

### COVID 19 VACCINE DISTRIBUTION

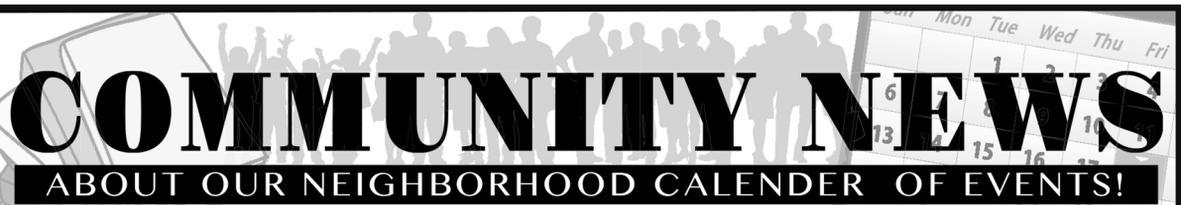

By now you have heard that the State of New York is offering vaccines to persons over 65-years-old. The COVID-19 pandemic has affected us all but has certainly affected our most vulnerable populations the worst. If you are interested in receiving the vaccine, please visit online <https://vaccinefinder.nyc.gov/>. You should schedule an appointment at the location nearest you. First and foremost, be sure to contact your physician for their advice. Feel free to call us at (718) 892-1161 with any questions on vaccine distribution centers.

### COMMUNITY BOARD MEMBER APPLICATION

It is my hope everyone is staying warm during this young winter season. Please consider joining your local community boards as the application process is now open! Bronx Community Board #10 and #11 are local representative bodies comprised of fifty volunteer members appointed by the Bronx Borough President with half of its members nominated by the City Council Member. In order to become a member, you must reside, work or have a significant interest in the community. All prospective applicants must attend a meeting of the Full Board in the district you wish to represent. Applications are to be sent directly to the Borough President's office to the e-mail listed on the application by February 5, 2021. Bronx Community Board #10 represents the neighborhoods of City Island, Co-op City, Country Club, Pelham Bay, Throggs Neck, Westchester Square and Zerega. Bronx Community Board #11 represents Allerton, Morris Park, Pelham Garden, Pelham Parkway and can be reached at (718) 892-6262. To learn more about community boards and its functions, please feel free to contact me at (718) 892-1161.

### LAND USE AND ZONING MATTERS

I am often asked why Community Boards do not offer opinions on every land use or zoning matter within our districts. Simply put, Community Boards only offer its advisory opinions when a proposed development does not meet current zoning regulations. These are very limited circumstances as most developments conform to current zoning. If you have a question about a particular property or lot, contact me by sending an email [tobx10@cb.nyc.gov](mailto:tobx10@cb.nyc.gov).

**NYC COUNCILMAN MARK GJONAJ'S:** I hope you and your families are doing well as we are continuing to deal with the coronavirus pandemic and many other uncertainties surrounding it. The COVID-19 vaccine is a critical tool for helping bring the pandemic under control but the City and State were clearly not prepared for handling the demand and logistics. According to NYS Department of Health, the Federal Government has given New York approximately 300,000 vaccines for over 7 million people who are eligible – as a result the supply is very limited. There needs to be a better system in place to prepare for the next phases of the vaccination. We need a unified scheduling system, increase in staff to make appointments by phone and a thorough plan for neighborhood, senior centers and door to door vaccinations for our mostly at risk elderly population. As Chair of NYC Small Business Committee, I am deeply concerned about our small businesses and the restaurant industry suffering during this pandemic. Once again NYC restaurant owners and workers are left wondering, "Why the double standard?" NYC has an infection rate that is significantly lower than many other parts of the state where dining restrictions have been relaxed.

The Tale of Two Regions will further destroy the NYC restaurant industry, and to save them, NYC should hold to the same standard as the rest of the state. During this week's NYC Council Housing Hearing, I called on the Mayor to increase the number of NYCHA developments applying for the federal RAD/PACT program so that we can finally be able to ensure that all New Yorkers, whether their landlord is a person, company or the City of New York, have a safe and affordable home. I am glad to announce that for all not-for-profit community-based organizations in our District, that wish to apply for discretionary funding for Fiscal Year 2022, submit application at: [council.nyc.gov/budget/fiscal-year-2022-discretionary-funding-expense-application-filing-period/](http://council.nyc.gov/budget/fiscal-year-2022-discretionary-funding-expense-application-filing-period/). The submission deadline is Tuesday, February 16, 2021. Remember we have been with you throughout this pandemic and you can count on us with your issues, needs and concerns. It is a difficult and emotional time but we will rise to meet the challenges. Please do not hesitate to contact my office: 718-931-1721 or [MGjonaj@council.nyc.gov](mailto:MGjonaj@council.nyc.gov)
