## God Has a Wonderful Plan For You!!

Has anyone ever told you that God loves you and He has a wonderful plan for your life? I have a real quick, but important question to ask you. If you were to die this very second, do you know, beyond a shadow of a doubt, that you will go to heaven?

Most people answer this question with a 'NO' or with 'I think so' or 'I hope so.'

The wisest man in the world (at that time), Solomon, wrote in Ecc 3:11 that God has placed eternity in the heart of every person. He (God) wants you to know for sure where you will go when you die. We can help you to know. Give us a call.

Radon is produced in the soil and moves upward to enter your home through the foundation or with groundwater from a well. The only way to know if you are at risk is to have your home tested for the presence of radon. The Livingston County Department of Health recommends that all households be tested for radon levels, and can provide free radon test kits to Livingston County residents who own a home.
