In September 2020, Landon was diagnosed with a high-grade neuroepithelial brain tumor. This is a very rare and aggressive form of cancer. He is one of only 10 patients in the U.S. who have ever been diagnosed and treated with this same cancer. In December, Landon finished his first months of radiation treatment. The effects of the radiation caused Landon to lose his appetite and thus lose a lot of weight. In December, Landon had a feeding tube placed to ensure proper nutrition and no further weight loss. Following a 6 week reprieve, Landon has now begun intensive Chemotherapy in Nashville. He is currently admitted to the hospital for 3 days a week to receive the treatments. This routine will last for 6 to 7 months. Please help if you can. All donations will help provide for medical necessities, transportation, housing, food and personal care items needed. Please consider praying for Landon and his family and supporting them financially; any assistance will be greatly appreciated! The last job you'll ever love!

No experience preferred.

We are looking to fill a full-time position on our sales team. You'll receive the training you need to be successful in this role. And you'll have the ability to earn more income every month!

“ - Sandra Thomas

I was apprehensive before applying for the position. I only had experience working in gift sales. I knew nothing about advertising. EMG put me through paid training and let me watch other sales reps. That was 10 years ago! When a business tells me “working with you is a blessing,” I can't help but smile every time.

“ - Faith Cashion

Working at Exchange Media Group has been such a blessing. I get to do what I love everyday by helping businesses grow!

“ - Sissy Smith

When I first started working with Exchange Media Group, the extensive training was the most impressive part. It allows everyone on the team, no matter where we came from, to be the best we can be. As an employee, I love that our customers become our family. We're local, so we can really make a connection with them.
